The Company is a diversified financial services company which serves the financial needs of central Illinois. The Company owns all the outstanding capital stock of First Mid-Illinois Bank & Trust, N.A., a national banking association (the "Bank"), with offices in Mattoon, Charleston, Effingham, Altamont, Neoga, Sullivan, Arcola, Taylorville, Tuscola, Monticello, DeLand, Urbana, Decatur, Highland, Pocahontas, Champaign, and Maryville, Illinois; Mid-Illinois Data Services, Inc., a data processing company ("Data Services"); and The Checkley Agency, Inc., an insurance agency ("Checkley").

Only holders of record of the Company's Common Stock at the close of business on April 1, 2004 (the "Record Date") will be entitled to vote at the annual meeting or any adjournments or postponements of such meeting. On the Record Date, the Company had 3,000,073 shares of Common Stock issued and outstanding. In the election of directors, and for any other matters to be voted upon at the annual meeting, each issued and outstanding share of Common Stock is entitled to one vote.

You may revoke your proxy at any time before it is voted. Unless so revoked, the shares represented by such proxies will be voted at the annual meeting and all adjournments thereof. You may revoke your proxy at any time before it is voted by delivering written notice of revocation to the Secretary of the Company at 1515 Charleston Avenue, P.O. Box 499, Mattoon, Illinois 61938, by executing and delivering a subsequently dated proxy, by voting by telephone or through the Internet on a later date, or by attending the annual meeting and voting in person. Proxies solicited by the Board of Directors of the Company will be voted in accordance with the directions given therein. Where no instructions are indicated, proxies will be voted in accordance with the recommendations of the Board of Directors with respect to the proposal described herein.

A quorum of stockholders is necessary to take action at the annual meeting. The presence, in person or by proxy, of the holders of a majority of the shares of Common Stock of the Company entitled to vote at the meeting will constitute a quorum. Votes cast by proxy or in person at the meeting will be tabulated by the inspector of election appointed for the meeting and will be counted as present for purposes of determining whether a quorum is present. The inspector of election will treat broker non-votes as present and entitled to vote for purposes of determining whether a quorum is present. "Broker non-votes" refers to a broker or other nominee holding shares for a beneficial owner not voting on a particular proposal because the broker or other nominee does not have discretionary voting power regarding that item and has not received instructions from the beneficial owner.

The expenses of solicitation, including the cost of printing and mailing, will be paid by the Company. Proxies are being solicited principally by mail, by telephone, and by e-mail. In addition, directors, officers and regular employees of the Company may solicit proxies personally, by telephone, by fax or by special letter. The Company may also reimburse brokers, nominees and other fiduciaries for their reasonable expenses in forwarding proxy materials to beneficial owners.

The directors of the Company are divided into three classes having staggered terms of three years. At the annual meeting, the stockholders will be entitled to elect three Class III directors for a term expiring in 2007. The three individuals receiving the highest number of votes cast will be elected as directors of the Company and will serve as Class III directors for three year terms expiring in 2007. Broker non-votes, because they are not considered votes cast, will not be counted in the vote totals. PROPOSAL II - AMENDMENT TO THE CERTIFICATE OF INCORPORATION

The Board of Directors recommended an amendment to the Company's Certificate of Incorporation to increase the number of authorized shares of Common Stock from 6,000,000 to 18,000,000 (the "Amendment") and has directed that the Amendment be submitted for approval to stockholders at the annual meeting.

The Company's Certificate of Incorporation presently authorizes the issuance of 6,000,000 shares of Common Stock and 1,000,000 shares of Preferred Stock. The Amendment would increase the authorized number of shares of Common Stock to 18,000,000. No change is proposed in the number of authorized shares of Preferred Stock.

If the Amendment is approved, the text of the first paragraph of Article IV of the Certificate of Incorporation would read in its entirety as follows:

A. The total number of shares of all classes of stock which the Corporation shall have the authority to issue is 18,000,000 shares of Common Stock, par value \$4.00 per share, and 1,000,000 shares of Preferred Stock, no par value per share.

Of the Company's 6,000,000 authorized shares of Common Stock, 3,000,073 were issued and outstanding as of April 1, 2004. At April 1, 2004, after taking into account shares underlying outstanding stock options and the reservation of shares for issuance under the Company's equity-based compensation plans and dividend reinvestment plan, approximately 1,680,000 of the 6,000,000 shares

Edgar Filing: FIRST-MID ILLINOIS BANCSHARES INC - Form PRE 14A

authorized in the Certificate of Incorporation remain available for issuance.

The Board of Directors believes the Amendment is advisable in order to maintain the Company's financing and capital-raising flexibility, to facilitate future stock splits, to have sufficient shares available for acquisitions, employee benefit plans and other corporate purposes, and to generally maintain the Company's flexibility in today's competitive, fast-changing environment. There are no present agreements, understandings or plans to issue any of the additional shares that would be authorized by the Amendment.

Adoption of the Amendment would enable the Board from time to time to issue additional shares of Common Stock for such purposes and such consideration as the Board may approve without further approval of the Company's stockholders, except as may be required by law. As is true for shares presently authorized, issuance of Common Stock authorized by the Amendment may, among other things, have a dilutive effect on earnings per share and on the equity and voting power of existing holders of Common Stock.

There are no preemptive rights with respect to shares of Common Stock. The additional authorized shares of Common Stock would have the identical powers, preferences and rights as the shares now authorized, including the right to cast one vote per share and to receive dividends. Under Delaware law, stockholders will not have any dissenters' or appraisal rights in connection with the Amendment. If the Amendment is approved by stockholders, it will become effective upon executing, acknowledging and filing a Certificate of Amendment required by the Delaware General Corporation Law.

While the issuance of shares in certain instances may have the effect of forestalling a hostile takeover, the Board does not intend or view the increase in authorized Common Stock as an anti-takeover measure, nor is the Company aware of any proposed or contemplated transaction of this type.

The affirmative vote of the holders of a majority of the shares of Common Stock present in person or by proxy at the annual meeting is required to approve the Amendment. The Board of Directors recommends that you vote your shares FOR the Amendment.

MEETINGS AND COMMITTEES OF THE BOARD OF DIRECTORS

The Board of Directors of the Company has established an audit committee and a compensation committee. These committees are composed entirely of outside directors. The Board has also created other company-wide committees composed of officers of the Company and its subsidiaries.

The Company does not maintain any standing nominating committee. The entire Board performs the functions of a nominating committee, and considers and acts on all matters relating to the nomination of individuals for election as directors. The Board does not believe it needs a separate nominating committee because the Board has the time and resources to perform the function of selecting director nominees. Also, more than two-thirds of the directors satisfy the independence requirements of the New York Stock Exchange. When the Board performs its nominating function, the Board acts in accordance with the Company's Certificate of Incorporation.

Stockholders entitled to vote for the election of directors may submit candidates for consideration by the Company if the Company receives timely written notice, in proper form, for each such director nominee. If the notice is not timely and in proper form, the nominee will not be considered by the

Edgar Filing: FIRST-MID ILLINOIS BANCSHARES INC - Form PRE 14A

Company. To be timely for the annual meeting, the notice generally must be received within the time frame set forth in "Notice Provisions For Stockholder Nominations of Directors" below. To be in proper form, each written nomination must set forth: (1) the name, age, business address and, if known, the residence address of the nominee, (2) the principal occupation or employment of the nominee for the past five years, and (3) the number of shares of stock of the Company beneficially owned by the nominee and by the nominating stockholder.

In the consideration of director nominees, including any nominee that a stockholder may submit, the Board of Directors considers, at a minimum, the following factors for new directors, or the continued service of existing directors: (a) the ability of the prospective nominee to represent the interests of the stockholders of the Company; (b) the prospective nominee's standards of integrity, commitment and independence of thought and judgment; (c) the prospective nominee's ability to dedicate sufficient time, energy and attention to the diligent performance of his or her duties; and (d) the extent to which the prospective nominee contributes to the range of talent, skill and expertise appropriate for the Board.

Members of the audit committee are Messrs. Adams, Diepholz, Grissom, Marvin, Melvin, and Sparks, and Ms. Preston. The audit committee assists the Board of Directors in overseeing the corporate financial reporting process and the internal and the independent outside audits of the Company. The audit committee met six times in 2003.

The members of the compensation committee are Messrs. Adams, Diepholz, Grissom, Lumpkin, Marvin, Melvin, and Sparks, and Ms. Preston. The compensation committee reports to the Board of Directors and has responsibility for all matters related to compensation of executive officers of the Company, including review and approval of base salaries, conducting a review of salaries of executive officers compared to other financial services companies in the region, fringe benefits, including modification of the retirement plan, and incentive compensation. The compensation committee met two times in 2003.

REPORT OF THE AUDIT COMMITTEE OF THE BOARD OF DIRECTORS

The members of the audit committee of the Company during the fiscal year ended December 31, 2003 were Messrs. Sparks (Chairman), Adams, Diepholz, Grissom, Marvin, and Melvin, and Ms. Preston. The Board of Directors determined that each member of the audit committee satisfies the independence requirements of the New York Stock Exchange.

The Securities and Exchange Commission requires that boards of directors determine whether any audit committee member qualifies as an "audit committee financial expert." The Board of Directors determined that Steven L. Grissom is an audit committee financial expert.

The audit committee acts pursuant to a written charter that was revised and adopted by the Board of Directors on January 27, 2004. The charter was reviewed and reassessed for adequacy and adopted with changes to the original language by the audit committee on January 27, 2004. A copy of this Audit Committee Charter is attached as Appendix A to this Proxy Statement. The audit committee will continue to review and reassess the charter from time to time but not less than annually.

The audit committee reviewed and discussed with management the Company's audited financial statements as of and for fiscal year ended December 31, 2003.

The audit committee also discussed with the independent auditors, KPMG LLP, the matters required to be discussed by Statement on Auditing Standards No. 61, Communication with Audit Committees, as amended, by the Auditing Standards Board of the American Institute of Certified Public Accountants.

The audit committee received the written disclosures and the letter from KPMG LLP required by Independence Standards Board Standard No. 1, Independence Discussions with Audit Committees, as amended, and discussed with KPMG LLP the independence of that firm.

Based on the review and discussion referred to above, the audit committee recommended to the Board of Directors that the financial statements referred to above be included in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2003.

In addition, the audit committee considered whether the provision of services by KPMG LLP not related to the audit of the financial statements referred to above and to the reviews of the interim financial statements included in the Company's Forms 10-Q for the quarters ended March 31, 2003, June 30, 2003, and September 30, 2003 were compatible with maintaining the independence of KPMG LLP.

Employment Agreements. In January 2002, the Company entered into a new employment agreement with William S. Rowland. The employment agreement generally provides for an initial base salary, which may be increased but not decreased, and a bonus of up to 40% of base salary for 2002 and 50% for 2003 and 2004, as well as other benefits under the agreement. The agreement has an initial term of three years, which may be extended upon mutual agreement. In the event of termination of Mr. Rowland's employment by the Company without cause, the Company will be obligated to pay an amount equal to one year's salary. Under certain circumstances, if Mr. Rowland's employment discontinues following a change in control of the Company, the successor to the Company is obligated, among other things, to pay an amount equal to two years' base salary. The employment agreement includes a covenant which limits the ability of Mr. Rowland to compete with the Bank for a period of two years following the termination of his employment. In October 2002, the Company entered into a similar agreement with John W. Hedges, which provides for a bonus of up to 35% of base salary, and a payment in an amount equal to two year's base salary if employment discontinues following a change in control of the Company.

In August 2003, the Company entered into a similar agreement with Robert J. Diepholz (Chairman), Adams, Grissom, Lumpkin, Marvin, Melvin, and Sparks, and Ms. Preston. Development Corporation, a not-for-profit industrial development corporation; Ms. Preston and Mr. Hedges served as members of the compensation committee and as directors of Sarah Bush Lincoln Health Systems, a not-for-profit medical facility; and Ms. Preston served as director of Eastern Illinois University Foundation, a not-for-profit organization. See also "Certain Relationships and Related Transactions."

Compensation Committee Report. It is the compensation committee's responsibility to evaluate the performance of management, review total management compensation levels and consider management succession and other related matters. The committee reviews and approves in detail all aspects of compensation for the senior management of the Company.

Compensation for senior management generally includes base salary, annual performance-based incentives and long-term stock incentives. The committee uses a "peer group" of financial institutions, including Illinois banks, public banking companies in the general area and commercial banks in the Midwest region in assessing competitive compensation trends and pay levels.

Base Salaries. Base salaries for executive officers are reviewed annually and may be adjusted, when appropriate, to reflect competitive practices, changes in roles and responsibilities, and individual performance.

Annual Incentive Compensation. Annual incentive amounts are payable contingent upon the performance of the Company, as well as the individual contribution of each officer. As a result, a portion of each executive officer's annual compensation is based upon the officer's performance, the performance of the operating unit for which the officer has primary responsibility, and the performance of the Company as a whole. The formulas for measuring performance and awarding bonuses objectively link financial and individual performance with bonus amounts.

Long Term Stock Incentive Compensation. Stock incentive awards are made under the stockholder-approved First Mid-Illinois Bancshares, Inc. 1997 Stock Incentive Plan (the "Plan"). The Plan is intended to provide a means whereby executive officers may sustain a sense of proprietorship and personal involvement in the continued success of the Company, and to encourage them to remain with and devote their best efforts to the business of the Company, thereby advancing the interest of the Company and its stockholders.

Chief Executive Officer Compensation. The compensation package for Mr. Rowland was determined in the same manner as for all other executive officers, except for Mr. Rowland's annual incentive compensation as described below. In December 2002, the compensation committee reviewed Mr. Rowland's base salary by evaluating the responsibilities of his position and his experience and performance. In addition, the compensation committee reviewed the comparison to base salaries for chief executive officers at peer group companies, and determined to increase Mr. Rowland's 2003 base salary from \$187,000 in 2002 to \$200,000 for 2003. Mr. Rowland's 2003 annual incentive compensation was based 100% on the Company's total performance without reference to any particular operating unit of the Company or personal objectives. The Company's total performance was measured by comparing the financial results of the Company to the 2003 earnings per share goal established by the compensation committee in December 2002. The compensation committee established \$2.86 as the superior level of earnings per share in 2003 necessary for Mr. Rowland to receive a payout of 100% of his annual incentive compensation. Since earnings per share in 2003 were \$2.82, Mr. Rowland received an 87% payout, amounting to 43.5% of his base salary. Finally, in 2003, Mr. Rowland was awarded 8,000 stock options under the Plan.

The 2003 earnings per share of \$2.82 represented a \$.44 or 18.5%

Edgar Filing: FIRST-MID ILLINOIS BANCSHARES INC - Form PRE 14A

improvement from 2002's level. Also, the Company's market share increased and various other improvements were made in the Company's operating and administrative functions. Accordingly, Messrs. Rowland, Hedges, Swift, Gilliland, and Taylor were awarded incentive bonuses of \$87,000, \$40,915, \$27,198, \$22,838, and \$22,063, respectively.

The relationships between the base salaries and incentive compensation of Messrs. Rowland, Hedges, Swift, Gilliland, and Taylor for 2003, 2002, and 2001 were as follows:

Incentive Compensation as a Percentage of Base Salary			
	2003	2002	2001
	----	----	----
William S. Rowland	44%	40%	28%
John W. Hedges	29%	32%	24%
Robert J. Swift, Jr.	22%	19%	20%
Stanley E. Gilliland	20%	21%	20%
Michael L. Taylor	22%	24%	24%
