Item 1.01 Entry into a Material Definitive Agreement.

On October 11, 2006, Healthways, Inc. (Healthways) entered into a Stock Purchase Agreement (the Purchase Agreement) with Axia Health Management, LLC (the Seller) and Axia Health Management, Inc. (the Company).

Pursuant to the Purchase Agreement, Healthways will purchase all of the outstanding shares of capital stock of the Company from the Seller (the Acquisition) for a purchase price (the Purchase Price) of approximately \$450,000,000, subject to adjustment for the Company's indebtedness, working capital and cash balance at the closing of the Acquisition (the Closing). Of the Purchase Price, \$35,000,000 will be held in escrow until approximately December 31, 2007 to satisfy any potential indemnification claims. An additional \$9,000,000 of the Purchase Price will be held in escrow to satisfy a portion of certain earnout obligations of the Seller and/or the Company owed to certain persons who had previously sold certain business units to the Company.

On October 11, 2006, L. Ben Lytle, chief executive officer and a holder of limited liability company interests in the Seller, entered into a subscription agreement (the Subscription Agreement) and a consultant agreement (the Consultant Agreement) with Healthways. Under the Subscription Agreement, at the Closing Mr. Lytle will purchase \$5,000,000 of the common stock of Healthways at a price per share equal to the closing market price for Healthways common stock on the date of the Subscription Agreement. Additionally, under the Subscription Agreement, Mr. Lytle may not resell any of the shares of common stock prior to January 1, 2008. Under the Consultant Agreement, Mr. Lytle will continue to consult with the Company following the Closing. Also following the Closing Mr. Lytle is expected to become a member of Healthways' board of directors.

The Purchase Agreement has been approved by the Boards of Directors of both Healthways and the Company. In addition, the Company has received the written consent of the Seller, as sole stockholder of the Company to approve the Acquisition. The consummation of the Acquisition is subject to regulatory approval and other customary closing conditions, including Hart-Scott-Rodino antitrust review. The parties have made customary representations, warranties and covenants in the Purchase Agreement, and the Purchase Agreement also contains certain termination rights for each of Healthways and Seller.

Item 7.01. Regulation FD Disclosure.

A copy of Healthways' press release, dated October 11, 2006, announcing the execution of the Purchase Agreement, is furnished with this Current Report as Exhibit 99.1.
