4 October 2006- Directorate Change

4 October 2006				
National Grid plc				
Board Change				
National Grid plc (the Group) today announces that Mike Jesanis, currently Group Director responsible for US distribution, will be leaving the Group at the end of the year (31 December 2006). This announcement comes ahead of the Group finalising its future operating structure following its announcement earlier this year to acquire KeySpan.				
Mike joined New England Electric System (NEES) in 1983 and has been part of National Grid since the Group acquired NEES, its entry point into the North East US, in 2000.				
Sir John Parker, Chairman of National Grid, paid tribute to Mike s contribution to the Group: Mike has been an important part of the establishment and growth of our highly successful US business. He leaves with our business in very good shape for the next big stage of its development as we move towards completion of the KeySpan acquisition. All of us wish Mike very well in the future.
