Item 2.02 Results of Operations and Financial Condition

On April 23, 2013, we issued a press release reporting our financial results for the three months ended March 31, 2013 (the "Press Release"). We also hosted a conference call and webcast on April 23, 2013 during which we made a presentation on our financial results for the three months ended March 31, 2013 (the "Presentation"). The Press Release and the Presentation are available on our website at <http://investors.ryder.com>.

The Press Release and Presentation include information regarding comparable earnings from continuing operations, comparable earnings per share from continuing operations, comparable earnings before income tax and comparable tax rate for the first quarter of 2013, which are non-GAAP financial measures as defined by SEC regulations. We believe that these non-GAAP financial measures provide useful information to investors and allow for better year-over-year comparison of operating performance, as the measures exclude non-operating pension costs from our GAAP earnings from continuing operations, earnings per share from continuing operations, earnings before income tax and tax rate, as it is a non-operational expense that can significantly change from year to year. These non-GAAP financial measures also exclude, as applicable (1) a first quarter 2013 benefit from foreign currency translation, (2) a first quarter 2012 tax benefit and (3) first quarter 2012 acquisition-related restructuring charges, which are not representative of our ongoing business operations. Additional information regarding non-GAAP financial measures can be found in the Press Release, the Presentation and our reports filed with the SEC. For more information about the components of non-operating pension costs, please refer to the tables following the Press Release under the section entitled "Non-GAAP Financial Measure Reconciliations - Unaudited".

The information in this Report, including Exhibits 99.1 and 99.2, is being furnished pursuant to Item 2.02 of Form 8-K and General Instruction B.2 thereunder and shall not be deemed to be incorporated by reference in any filing under the Securities Act of 1933 or the Securities Exchange Act of 1934, except as expressly set forth by specific reference to such filing.
