Magic Software and BWise B.V. Announce iBOLT Partnership

Focused on Compliance

Companies promote a joint offering of iBOLT and isCO

Targeted at Sarbanes-Oxley compliance for SMB s

Or Yehuda, Israel and Den Bosch, Netherlands, (April 14, 2005) - Magic Software Enterprises (Nasdaq: MGIC), a leading provider of state-of-the-art business integration and development technology, and BWise B.V., a leading provider of Business Process Management (BPM) software for corporate governance, risk and compliance management, today announced a partnership to provide a full pre-configured SOX Compliance solution for SMB s, that covers both articles 404 and 409 of the compliance requirements and includes extensive automation and continuous control features. The companies intend to expand the offering to cover additional automated compliance solutions such as Basel II and EU Corporate Governance regulations.

The partnership with Magic Software, incorporating its iBOLT and iBOLT Portal solutions, will position BWise to resell its Sarbanes-Oxley software (BWise 3.0 isCO) to small and medium enterprise (SME) markets. This combined application will be easy to install, quick to set up and efficient to implement in any organization, offering a competitive advantage to both Magic Software and BWise.

BWise offers its customers a user-friendly application with a broad range of features. Magic s iBOLT is a comprehensive application integration and business process management suite designed to provide easy to use, scalable and highly affordable business integration. BWise uses Magic Software s iBOLT and iBOLT Portal solutions to collect evidence for customers user control review, automate evidence collection and storage, handle issues/escalation procedures, and enhance automated business processes with separate control processes to achieve real-time enterprise results.

Robert Pijselman, CEO of BWise comments, Our strong growth in 2004 of our user base in over eighty countries, confirms our belief that the BWise solution for corporate governance legislation like Sarbanes-Oxley, is the right answer for publicly traded companies. Our partnership with Magic will increase our attractiveness to become the application of choice for CFO s and senior financial management, and to better control issues of corporate governance, related processes, operational risk and performance indicators within the enterprise .

Avigdor Luttinger, Head of the iBOLT Program at Magic, commented, iBOLT and Bwise isCO are setting new standards in usability and time to value in the Corporate Governance market. This partnership provides us with yet another sharply focused market approach that addresses real urgent needs of SMB s and large enterprises alike. We bring our partners and customers a certified methodology, smart and simple reporting, state-of-the-art web technology for efficient data processing, and low cost of ownership."
