## Section 8 – Other Events

### Item 8.01. Other Events.

#### *Redemption of Series A Notes*

On January 18, 2012, CIT Group Inc. (“CIT”) delivered to Deutsche Bank Trust Company Americas (“Deutsche Bank”), as trustee, a notice of CIT’s intention to redeem at par on February 21, 2012 \$500 million of CIT’s 7% Series A Second Lien Notes (“Series A Notes”) maturing in 2016. The Series A Notes were issued on December 10, 2009 in connection with CIT Group Inc.’s reorganization. This redemption is expected to increase first quarter 2012 interest expense by approximately \$35 million for the acceleration of FSA discount.

The redemption will be treated as a pro-rata pass-through distribution of principal. In addition, accrued and unpaid interest will be paid for the period beginning February 10, 2012 to but excluding February 21, 2012.

Following this redemption, approximately \$1.0 billion principal amount of the Notes maturing in 2016 and approximately \$2.9 billion principal amount of the Series A Notes maturing in 2017 will remain outstanding.

A copy of the press release announcing the redemption is attached as Exhibit 99.1. A copy of the Notice to Deutsche Bank is attached as Exhibit 99.2.

## **Forward-Looking Statement**

This document contains “forward-looking statements” within the meaning of the Private Securities Litigation Reform Act of 1995. All forward-looking statements (including statements regarding future financial and operating results) involve risks, uncertainties and contingencies, many of which are beyond CIT’s control, which may cause actual results, performance, or achievements to differ materially from anticipated results, performance, or achievements. All statements contained in this document that are not clearly historical in nature are forward-looking, and the words “anticipate,” “believe,” “expect,” “estimate,” “plan,” and similar expressions are generally intended to identify forward-looking statements. Economic, business, funding market, competitive and/or regulatory factors, among others, affecting CIT’s businesses are examples of factors that could cause actual results to differ materially from those described in the forward-looking statements. More detailed information about these factors are described in CIT’s filings with the Securities and Exchange Commission, including its Annual Report on Form 10-K for the year ended December 31, 2010.
