#### Item 3. Source and Amount of Funds or Other Consideration

#### **Reporting Persons**

On December 21, 2004, Pampa acquired 6,000,000 Series A Shares on the Chilean Stock Exchange for an aggregate purchase price of Ch\$24,006,000,000. Yara loaned Pampa the funds necessary to complete the acquisition. In order to secure the loan from Yara, Pampa issued notes to Yara in the amount of US\$43,000,000 (the Notes). On January 10, 2005, Pampa repaid Yara the full amount due under the Notes with the proceeds of a loan from Banco BCI, which matures on May 30, 2012 and accrues interest at an annual rate of 6.56%.

On January 14, 2005, SQYA acquired 6,145,092 Series A Shares on the Chilean Stock Exchange for an aggregate purchase price of Ch\$24,592,658,184. Yara and Banco BCI loaned SQYA the funds necessary to complete the acquisition. In order to secure the loans from Yara and Banco BCI, SQYA issued notes to Yara and Banco BCI in the amounts of US\$30,000,000 and US\$20,000,000, respectively. The notes issued to Yara mature on May 30, 2015 and accrue interest at an annual rate of 6.65%. The notes issued to Banco BCI mature on May 30, 2011 and accrue interest at an annual rate of 6.40%.

Pampa originally acquired ownership of 53,557,332 Series A Shares prior to SQM s registration with the Securities Exchange Commission with funds received from bank loans and capital contributions of its affiliates.

On June 4, 2006, Pampa initiated a tender offer in Chile for Series B Shares. The tender offer was consummated on July 3, 2006, and in connection with the tender offer Pampa acquired 6,207,539 Series B shares for an aggregate purchase price of Ch\$35,072,595,350. The source of funds for the acquisition of shares include (i) affiliate contributions in the amount of Ch\$13,602,595,350; (ii) a loan from Banco Santander Santiago in the amount of US\$30,000,000, which mature in June 2012; (iii) a loan from Banco BCI in the amount of US\$6,500,000, which matures in June 2012 and (iv) a loan from Banco Corpbanca in the amount of US\$6,500,000, which matures in June 2012. The average annual interest rate on these three loans is 7.19%.

As described in Schedule I, on various dates from November 8, 2006 to December 20, 2006, Pampa purchased on the open market 7,758,446 Series B Shares for an aggregate purchase price of Ch\$55,507,557,750. The source of funds for the acquisition of these shares was (i) a loan from Banco Santander Santiago in the amount of US\$14,495,000, which matures on February 18, 2007 and accrues interest at an annual rate of 7.56%; (ii) a loan from BCI in the amount of US\$8,500,000, which matures on February 7, 2007 and accrues interest at an annual rate of 7.88%; (iii) a loan from Banco Scotiabank in the amount of US\$30,000,000, which matures on February 19, 2007 and accrues interest at an annual rate of 6.4%, (iv) a loan from Banco Corpbanca in the amount of US\$24,256,000, which matures February 2007 and accrues interest at an annual rate of 6.6% and (v) a capital increase on December 12, 2006 which raised approximately US\$37,600,000 of which US\$27,749,000 was used for the acquisition of shares.

#### Item 4. Purpose of Transaction

The Reporting Persons undertook the purchases of Series A Shares and Series B Shares listed above in Item 3 in order to increase their interest in SQM and for investment purposes.

Pampa purchased the Series B Shares on July 3, 2006 in order to increase Mr. Ponce Lerou s indirect combined ownership in SQM to over 25% for investment purposes so that he would be deemed, solely for purposes of Chilean law, as a controlling shareholder under Articles No. 97 and No. 99 of the Chilean Securities Market Law. The acquisition by Pampa of the Series B Shares, however, did not materially affect the Reporting Persons control rights

# Edgar Filing: SOCIEDAD QUIMICA Y MINERA DE CHILE S A /FI - Form SC 13D/A over SQM since the Series B Shares have limited

voting rights (holders of Series B Shares elect one of eight members of the Board of Directors (the Series B Director) and vote together with the Series A Shares on other matters). Although being deemed as a controlling shareholder for purposes of Chilean law does not provide additional control rights, it does result, under Chilean corporate law, in the controlling shareholder not being required to extend a mandatory public tender offer upon subsequent purchases of securities of the Company.

Pampa purchased additional Series B Shares for investment purposes on the open market on various dates ranging from November 8, 2006 to December 20, 2006, and on December 22, 2006, entered into the Kowa Shareholders Agreement, as described in Item 6 hereof, in order to maintain Mr. Ponce Lerou s position of controlling shareholder under Articles No. 97 and No. 99 of the Chilean Securities Market Law. For the reasons described in the preceding paragraph, these transactions did not materially affect the Reporting Persons control rights over SQM. The Reporting Persons together with the Grupo Miwa Reporting Persons combined ownership of 11.64% of the Series B Shares does not allow them to materially influence the election of the Series B Director and their increased ownership, on a combined basis, of Series A and Series B Shares from 27.33% (in the case of the Reporting Persons) to 32.30% (in the case of the Reporting Persons) to 32.30% (in the case of the Reporting Persons) to other matters.

Each of the Reporting Persons intends to review its investment in SQM on a regular basis and, as a result thereof, may at any time or from time to time determine, either alone or as part of a group, (a) to acquire additional securities of SQM, through open market purchases, privately negotiated transactions or otherwise, (b) to dispose of all or a portion of the securities of SQM owned by it in the open market, in privately negotiated transactions, in one or more registered public offerings or otherwise, or (c) to take any other available course of action, which could involve one or more of the types of transactions or have one or more of the results described in the next paragraph of this Item 4. Notwithstanding anything contained herein, each of the Reporting Persons specifically reserves the right to change its intention with respect to any or all of such matters. In reaching any decision as to its course of action (as well as to the specific elements thereof), each of the Reporting Persons currently expects that it would take into consideration a variety of factors, including, but not limited to, the following: SQM s business and prospects; other developments concerning SQM and its businesses generally; other business opportunities available to the Reporting Persons; changes in law and government regulations; general economic conditions; and financial and stock market conditions, including the market price of the Series A and Series B Shares.

Except as set forth in this Item 4, the Reporting Persons have no present plans or proposals that relate to, or that would result in, any of the actions specified in clauses (a) through (j) of Schedule 13D of the Exchange Act.
