CENTRAL GARDEN & PET COMPANY

**3697 Mt. Diablo Boulevard
Lafayette, California 94549**

PROXY STATEMENT

The enclosed proxy is solicited by the Board of Directors of Central Garden & Pet Company (the Company) to be used at the Annual Meeting of Stockholders on February 10, 2003 (the Annual Meeting), for the purposes set forth in the foregoing notice. This proxy statement and the enclosed form of proxy were first sent to stockholders on or about January 16, 2003.

If the enclosed form of proxy is properly signed and returned, the shares represented thereby will be voted at the Annual Meeting in accordance with the instructions specified thereon. If the proxy does not specify how the shares represented thereby are to be voted, the proxy will be voted as recommended by the Board of Directors. Any stockholder signing a proxy in the form accompanying this Proxy Statement has the power to revoke it prior to or at the Annual Meeting. A proxy may be revoked by a writing delivered to the Secretary of the Company stating that the proxy is revoked, by a subsequent proxy signed by the person who signed the earlier proxy, or by attendance at the Annual Meeting and voting in person.

VOTING SECURITIES

Only stockholders of record on the books of the Company as of 5:00 P.M., January 14, 2003, will be entitled to vote at the Annual Meeting.

As of the close of business on January 14, 2003, there were outstanding 17,478,523 shares of Common Stock of the Company, entitled to one vote per share, and 1,655,462 shares of Class B Stock of the Company, entitled to the lesser of ten votes per share or 49% of the total votes cast. Holders of Common Stock and Class B Stock will vote together on all matters presented to the stockholders for their vote or approval at the meeting, including the election of directors and the approval of the 2003 Omnibus Equity Incentive Plan. The holders of a majority of the outstanding shares of the stock of the Company, present in person or by proxy, will constitute a quorum for the transaction of business at the Annual Meeting or any adjournment thereof.

Votes cast by proxy or in person at the Annual Meeting will be tabulated by the election inspectors appointed for the meeting and will determine whether or not a quorum is present. The election inspectors will treat abstentions and broker non-votes as shares that are present and entitled to vote for purposes of determining the presence of a quorum but as unvoted for purposes of determining the approval of any matter submitted to the stockholders for a vote. With regard to the election of directors, votes may be cast For or Withhold Authority for each nominee; votes that are withheld will be excluded entirely from the vote and will have no effect. The proposal to adopt the Company's 2003 Omnibus Equity Incentive Plan requires the affirmative vote of a majority of shares present in person or by proxy and entitled to vote. Accordingly, abstentions on the proposal to adopt the 2003 Omnibus Equity Incentive Plan will have the effect of a negative vote on this item. If a broker indicates on the proxy that it does not have discretionary authority as to certain shares to vote on a particular matter, those shares will not be considered as present and entitled to vote with respect to that matter. Therefore, a broker non-vote will have no effect on the proposal to adopt the 2003 Omnibus Equity Incentive Plan, which requires the affirmative vote of a majority of the shares represented at the Annual Meeting and entitled to vote thereon.

ELECTION OF DIRECTORS

The persons named below are nominees for director to serve until the next Annual Meeting of Stockholders and until their successors shall have been elected. The nominees are all members of the present Board of Directors. In the absence of instructions to the contrary, shares represented by the proxy will be voted and the proxies will vote for the election of all such nominees to the Board of Directors. If any of such persons is unable or unwilling to be a candidate for the office of director at the date of the Annual Meeting, or any adjournment thereof, the proxies will vote for such substitute nominee as shall be designated by the proxies. Management has no reason to believe that any of such nominees will be unable or unwilling to serve if elected a director. Under the terms of the Company's stock option plan, the Audit and Compensation Committee retains discretion, subject to plan limits, to modify the terms of outstanding options.
- (2) All options were granted at fair market value at date of grant.
- (3) Realizable values are reported net of the option exercise price. The dollar amounts under these columns are the result of calculations at the 5% and 10% rates (determined from the price at the date of grant, not the stock's current market value) set by the Securities and Exchange Commission and therefore are not intended to forecast possible future appreciation, if any, of the Company's stock price. Actual gains, if any, on stock option exercises are dependent on the future performance of the Common Stock as well as the optionholder's continued employment through the vesting period. The potential realizable value calculation assumes that the optionholder waits until the end of the option term to exercise the option.

The following table sets forth certain information with respect to stock options exercised during fiscal 2002 and stock options held by each of the Company's executive officers as of September 28, 2002. The closing price of the Company's Common Stock on the last trading day of the fiscal year was \$16.86 per share.

The Company entered into an employment agreement with Brooks M. Pennington III in February 1998 in connection with the acquisition of Pennington Seed, Inc. The agreement provides that Mr. Pennington will serve as President and Chief Executive Officer of Pennington Seed at an annual minimum salary of \$300,000. The agreement terminates in February 2003, unless terminated earlier for his dismissal with cause, death or disability.

Audit and Compensation Committee Interlocks and Insider Participation

Messrs. Westphal, Balousek, Chichester and Hogan served as members of the Audit and Compensation Committee during fiscal 2002. They have no relationship with the Company other than as directors and stockholders. During fiscal 2002, no executive officer of the Company served as a director, or as a member of any compensation committee, of any other for-profit entity.

Transactions with the Company

Brooks M. Pennington III is a minority shareholder and a director of Bio Plus, Inc., a company that produces granular peanut hulls. During the twelve months ended September 28, 2002, Bio Plus, Inc.'s total revenues were approximately \$3.6 million of which approximately \$2.5 million were sales to subsidiaries of the Company.

PROPOSAL TO APPROVE THE 2003 OMNIBUS EQUITY INCENTIVE PLAN

In May 1994, the stockholders of the Company adopted the 1993 Omnibus Equity Incentive Plan (the "1993 Plan") pursuant to which an aggregate of 900,000 shares of the Company's Common Stock were originally reserved for issuance to key employees and consultants of the Company and its subsidiaries. Subsequently, the stockholders of the Company approved amendments to the 1993 Plan to increase the number of shares authorized for issuance under the Plan to 4,800,000 shares. As of December 28, 2002, there were 1,308,873 shares remaining for awards under the 1993 Plan.

In December 2002, the Board of Directors approved the 2003 Omnibus Equity Incentive Plan (the "2003 Plan") pursuant to which an aggregate of 2,500,000 shares of the Company's Common Stock were reserved for issuance to key employees, directors and consultants of the Company and its subsidiaries, subject to stockholder approval at the 2003 Annual Meeting. The 2003 Plan is intended to replace the 1993 Plan. The reason for this proposal is to adopt the 2003 Plan to ensure that the Company continues to be able to give appropriate equity incentives to its key employees, directors and consultants and that, to this end, a sufficient number of shares of the Company's Common Stock is available for awards to attract, retain and motivate selected participants with outstanding experience and ability. If the 2003 Plan is adopted, the Company will terminate the 1993 Plan.

The 2003 Plan is substantially identical to the 1993 Plan, except that the 2003 Plan terminates as to incentive stock options in December 2012, the number of shares reserved under the 2003 Plan is 2,500,000 (subject to adjustment for stock splits and similar events), outside directors may participate in the 2003 Plan, no participant may receive options for more than 500,000 shares (subject to adjustment for stock splits and similar events) in a calendar year and, except for replacement options granted in connections with certain corporate transactions, no option can be granted for less than 100% of the fair market value of a share of Common Stock on the date of grant. Set forth below is a summary of certain of the principal features of the 2003 Plan. As of December 31, 2002, the fair market value of a share of Common Stock was \$18.51.

General

The 2003 Plan provides for the granting of stock options, stock appreciation rights ("SARs"), restricted stock awards, performance unit awards and performance share awards (collectively, "Awards") to key employees, directors and consultants of the Company and its subsidiaries. As of December 28, 2002, approximately 3,600 employees, directors and consultants were eligible to receive awards under the 2003 Plan.

Purpose

The purpose of the 2003 Plan is to promote the success, and enhance the value, of the Company by linking the personal interests of participating employees, directors and consultants to those of the Company's

stockholders and by providing such employees and consultants with an incentive for outstanding performance. The 2003 Plan is further intended to provide flexibility to the Company in its ability to motivate, attract and retain the services of participating employees and consultants upon whose judgment, interest and special efforts the Company is largely dependent for the successful conduct of its operations.

Administration

The 2003 Plan is administered by the Audit and Compensation Committee of the Board of Directors of the Company (the Committee).

Options

The price of the shares of the Company's Common Stock subject to each option (the option price) is set by the Committee but generally may not be less than 100% of the fair market value on the date of grant. In a calendar year, no participant may receive options or SARs under the 2003 Plan for more than 500,000 shares (subject to adjustment for stock splits and similar events).

Options granted under the Plan are exercisable at the times and on the terms established by the Committee. The Committee may accelerate the exercisability of any option.

The option price must be paid in full in cash or its equivalent at the time of exercise. The Committee also may permit payment of the option price by the tender of previously acquired shares of the Company's stock or such other legal consideration which the Committee determines to be consistent with the 2003 Plan's purpose and applicable law.

Stock Appreciation Rights

The 2003 Plan permits the grant of three types of SARs: Affiliated SARs, Freestanding SARs, Tandem SARs, or any combination thereof. An Affiliated SAR is an SAR that is granted in connection with a related option and which will be deemed to automatically be exercised simultaneously with the exercise of the related option. A Freestanding SAR is an SAR that is granted independently of any options. A Tandem SAR is an SAR that is granted in connection with a related option, the exercise of which requires a forfeiture of the right to purchase a share under the related option (and when a share is purchased under the option, the SAR is similarly cancelled).

The Committee has complete discretion to determine the number of SARs granted to any optionee or recipient and the terms and conditions pertaining to such SARs. However, the grant price must be at least equal to the fair market value of a share of the Company's Common Stock on the date of grant in the case of a Freestanding SAR and equal to the option price of the related option in the case of an Affiliated or Tandem SAR.

Restricted Stock Awards

The 2003 Plan permits the grant of restricted stock awards which are restricted Common Stock bonuses that vest in accordance with terms established by the Committee. The Committee may impose restrictions and conditions on the shares, including, without limitation, restrictions based upon the achievement of specific performance goals (Company-wide, divisional and/or individual), and/or restrictions under applicable federal or state securities laws. The Committee may accelerate the time at which any restrictions lapse, and/or remove any restrictions.

Performance Unit/Share Awards

The 2003 Plan permits the grant of performance unit and performance share awards which are bonuses credited to an account established for the recipient and payable in cash, Common Stock, or a combination

thereof. Each performance unit has an initial value that is established by the Committee at the time of its grant. Each performance share has an initial value equal to the fair market value of a share of the Company's Common Stock on the date of its grant. The number and/or value of performance unit/shares that will be paid out to recipients will depend upon the extent to which performance goals established by the Committee are satisfied.

After a performance unit/share award has vested, the recipient will be entitled to receive a payout of the number of performance unit/shares earned by the recipient, to be determined as a function of the extent to which the corresponding performance goals have been achieved. The Committee also may waive the achievement of any performance goals for such performance unit/share.

Subject to the applicable award agreement, performance units/shares awarded to recipients will be forfeited to the Company upon the earlier of the recipient's termination of employment or the date set forth in the award agreement.

Nontransferability of Awards

Awards granted under the 2003 Plan may not be sold, transferred, pledged, assigned, or otherwise alienated or hypothecated, other than by will or by the applicable laws of descent and distribution. However, an optionee or recipient may designate one or more beneficiaries to receive any exercisable or vested awards following his or her death.

Plan Benefits

As the grant of awards under the Plan is discretionary, it is impossible to determine the amount and terms of such future grants under the 2003 Plan.

The following table sets forth the aggregate number of shares of the Company's Common Stock subject to outstanding options granted under the 1993 Plan during the Company's fiscal year ended September 28, 2002. This may not be indicative of grants under the 2003 Plan.

Federal Tax Aspects

A recipient of a stock option or SAR will not have taxable income upon the grant of the option. For options and SARs other than incentive stock options, the participant will recognize ordinary income upon exercise in an amount equal to the excess of the fair market value of the shares over the exercise price on the date of exercise. Any gain or loss recognized upon any later disposition of the shares generally will be capital gain or loss.

The acquisition of shares upon exercise of an incentive stock option will not result in any taxable income to the participant, except for purposes of the alternative minimum tax. Gain or loss recognized by the participant on a later sale or other disposition of such shares will either be long-term capital gain or loss or ordinary income, depending upon whether the participant holds the shares transferred upon the exercise for a specified period. Any

ordinary income recognized will be in the amount, if any, by which the lesser of the fair market value of such shares on the date of exercise or the amount realized from the sale or other disposition exceeds the option price.

Unless the participant elects to be taxed at the time of receipt of restricted stock, a performance unit or a performance share, the participant will not have taxable income upon the receipt of the award, but upon vesting will recognize ordinary income equal to the fair market value of the shares or cash received at the time of vesting.

At the discretion of the Committee, the 2003 Plan allows a participant to satisfy the minimum tax withholding requirements under federal and state tax laws in connection with the exercise or receipt of an award by electing to have shares of common stock withheld, or by delivering to the Company already-owned shares, having a value equal to the amount required to be withheld.

The Company will be entitled to a tax deduction in connection with an award under the 2003 Plan only in an amount equal to the ordinary income realized by the participant and at the time the participant recognizes such income, and if applicable withholding requirements are met. In addition, Code Section 162(m) contains special rules regarding the federal income tax deductibility of compensation paid to the Company's chief executive officer and to each of the other four most highly compensated executive officers. The general rule is that annual compensation paid to any of these specified executives will be deductible only to the extent that it does not exceed \$1,000,000. However, the Company can preserve the deductibility of certain compensation in excess of \$1,000,000 if it complies with certain conditions imposed by the Code Section 162(m) rules, including the establishment of a maximum number of shares with respect to which awards may be granted to any one employee during one year. The 2003 Plan has been designed to permit the Committee to grant options and SARs which satisfy the requirements of Code Section 162(m), thereby permitting the Company to continue to receive a federal income tax deduction in connection with such awards.

Required Vote

The affirmative vote of a majority of shares present in person or by proxy at the Annual Meeting and entitled to vote is required to approve the 2003 Plan.

The Board of Directors recommends that the stockholder vote FOR the approval of the 2003 Plan.

**AUDIT AND COMPENSATION COMMITTEE REPORT
ON AUDITED FINANCIAL STATEMENTS**

The Audit and Compensation Committee of the Board consists of the directors whose signatures appear below. Each member of the Audit and Compensation Committee is independent as defined in the NASD Rules.

The Audit and Compensation Committee's general role as an audit committee is to assist the Board in monitoring the Company's financial reporting process and related matters. Its specific responsibilities are set forth in its charter, a copy of which was attached as Appendix A to the Company's proxy statement for its 2002 Annual Meeting of Stockholders.

As required by the charter, the Audit and Compensation Committee reviewed the Company's financial statements for fiscal year 2002 and met with management, as well as with representatives of Deloitte & Touche LLP, the Company's independent public accountants, to discuss the financial statements. The Audit and Compensation Committee also discussed with representatives of Deloitte & Touche LLP the matters required to be discussed by Statement on Auditing Standards 61, *Communication with Audit Committees*.

In addition, the Audit and Compensation Committee discussed with representatives of Deloitte & Touche LLP their independence from management and the Company, including the matters in the written disclosures required by Independence Standards Board Standard No. 1, *Independence Discussions with Audit Committees*.

Based on these discussions, the financial statement review and other matters it deemed relevant, the Audit and Compensation Committee recommended to the Board of Directors (and the Board approved) that the audited financial statements be included in the Company's Annual Report on Form 10-K for the year ended September 28, 2002.

**REPORT OF THE AUDIT AND COMPENSATION COMMITTEE
ON EXECUTIVE COMPENSATION**

To the Board of Directors:

As members of the Audit and Compensation Committee, it is our duty to determine the compensation for officers and directors and to administer the Company's equity incentive plans. In addition, we evaluate the performance of management and related matters.

As a public company, we utilize three primary tools to assist in compensating executives. They are base salary, cash bonus, and stock options. Together they combine to provide an executive's total compensation package. We view base salary as a primary indicator of the market value needed to attract an executive with the skill and expertise to perform the duties and discharge the responsibilities of the position. We periodically retain outside assistance to counsel us in determining market value. We view cash bonus as a means of rewarding short-term performance which exceeds established goals, and we utilize stock options as a means of linking our executives' long-term benefits to those received by our stockholders.

In 1997, we retained the services of a compensation consulting firm to assist in determining the market value compensation for the Chief Executive Officer, William E. Brown. Survey data, coupled with performance based peer group evaluations, were utilized to determine competitive short and long-term awards for Mr. Brown. The data developed indicated that an increase in Mr. Brown's base salary to \$400,000 was warranted. Mr. Brown requested that the Committee not increase his base pay during fiscal 1997. In fiscal 1998, the Committee increased Mr. Brown's base salary to \$400,000. In fiscal 1999, Mr. Brown received the cost of living increase granted to all employees which had the effect of increasing his base salary to \$410,000—the amount that was paid to him in each of the last three fiscal years. The Committee increased Mr. Novotny's base salary to \$435,000 in fiscal 2002. These actions are reflected in the summary compensation table.

Based on the Company's performance in fiscal 2002, the Committee determined to pay a bonus of \$250,000 in respect of fiscal 2002 to Mr. Novotny. The Committee did not elect to pay a cash bonus to Mr. Brown. The Committee did, however, grant options to each of the Company's executive officers, including Mr. Brown and Mr. Novotny.

In determining executive compensation, the Audit and Compensation Committee considers, among other factors, the possible tax consequences to the Company and to the executives. However, tax consequences, including but not limited to tax deductibility by the Company, are subject to many factors (such as changes in the tax laws and regulations or interpretations thereof and the timing and nature of various decisions by executives regarding options and other rights) that are beyond the control of either the Audit and Compensation Committee or the Company. In addition, the Audit and Compensation Committee believes that it is important for it to retain maximum flexibility in designing compensation programs that meet its stated objectives. For all of the foregoing reasons, the Audit and Compensation Committee, while considering tax deductibility as one of its factors in determining compensation, will not necessarily limit compensation to those levels or types of compensation that will be deductible. The Audit and Compensation Committee will, of course, consider alternative forms of compensation, consistent with its compensation goals, that preserve deductibility.

We continue to subscribe to the philosophy that the Company's overall performance and its return to stockholders will be the primary areas of consideration when rewarding the Company's top executives. It is our goal to ensure that our executives are paid competitively with the market and are rewarded for performance that benefits the stockholders. In years when the Company does well, we will reward using the tools described above; in years when the performance does not meet expectations, the compensation of the top executives of Central will be reflective of that fact.

Officers, directors and greater than ten-percent stockholders are required by SEC regulation to furnish the Company with copies of all Section 16(a) forms they file.

Based solely on its review of the copies of such forms received by it, or written representations from certain reporting persons that no Forms 5 were required for those persons, the Company believes that, during the period from September 29, 2001 to September 28, 2002 all filing requirements applicable to its officers, directors, and greater than ten-percent beneficial owners were complied with.

The members of the Committee shall be appointed from time to time by, and shall serve at the pleasure of, the Board of Directors. The Committee shall be comprised solely of Directors who are outside directors under Rule 16b-3.

3.2 *Authority of the Committee.* The Committee shall have all powers and discretion necessary or appropriate to administer the Plan and to control its operation, including, but not limited to, the power (a) to determine which Employees and Consultants shall be granted Awards, (b) to prescribe the terms and conditions of such Awards, (c) to interpret the Plan and the Awards, (d) to adopt rules for the administration, interpretation and application of the Plan as are consistent therewith, and (e) to interpret, amend or revoke any such rules.

The Committee, in its sole discretion and on such terms and conditions as it may provide, may delegate all or any part of its authority and powers under the Plan to one or more directors and/or officers of the Company; provided, however, that the Committee may not delegate its authority and powers with respect to Section 16 Persons.

3.3 *Decisions Binding.* All determinations and decisions made by the Committee shall be final, conclusive, and binding on all persons, and shall be given the maximum deference permitted by law.

SECTION 4
SHARES SUBJECT TO THE PLAN

4.1 *Number of Shares.* Subject to adjustment as provided in Section 4.3, the total number of Shares available for grant under the Plan may not exceed 2,500,000. Such Shares may be authorized but unissued Shares or Treasury Shares. No Participant may receive Options or SARs for more than 500,000 shares under the Plan in a calendar year.

The following rules will apply for purposes of the determination of the number of Shares available for grant under the Plan:

- (a) While an Award is outstanding, it shall be counted against the authorized pool of Shares, regardless of its vested status.
- (b) The grant of an Option or Restricted Stock shall reduce the Shares available for grant under the Plan by the number of Shares subject to such Award.
- (c) The grant of a Tandem SAR shall reduce the number of Shares available for grant by the number of Shares subject to the related Option (i.e., there is no double counting of Options and their related Tandem SARs); provided, however, that, upon the exercise of such Tandem SAR, the authorized Share pool shall be credited with the appropriate number of Shares representing the number of shares reserved for such Tandem SAR less the number of Shares actually delivered upon exercise thereof or the number of Shares having a Fair Market Value equal to the cash payment made upon such exercise.
- (d) The grant of an Affiliated SAR shall reduce the number of Shares available for grant by the number of Shares subject to the SAR, in addition to the number of Shares subject to the related Option; provided, however, that, upon the exercise of such Affiliated SAR, the authorized Share pool shall be credited with the appropriate number of Shares representing the number of shares reserved for such Affiliated SAR less the number of Shares actually delivered upon exercise thereof or the number of Shares having a Fair Market Value equal to the cash payment made upon such exercise.
- (e) The grant of a Freestanding SAR shall reduce the number of Shares available for grant by the number of Freestanding SARs granted; provided, however, that, upon the exercise of such Freestanding SAR, the authorized Share pool shall be credited with the appropriate number of Shares representing the number of shares reserved for such Freestanding SAR less the number of Shares actually delivered upon exercise thereof or the number of

Shares having a Fair Market Value equal to the cash payment made upon such exercise.

- (f) The Committee shall in each case determine the appropriate number of Shares to deduct from the authorized pool in connection with the grant of Performance Units and/or Performance Shares.
- (g) To the extent that an Award is settled in cash rather than in Shares, the authorized Share pool shall be credited with the appropriate number of Shares having a Fair Market Value equal to the cash settlement of the Award.

4.2 *Lapsed Awards.* If an Award is cancelled, terminates, expires, or lapses for any reason (with the exception of the termination of a Tandem SAR upon exercise of the related Option, or the termination of a related Option upon exercise of the corresponding Tandem SAR), any Shares subject to such Award again shall be available to be the subject of an Award.

4.3 *Adjustments in Authorized Shares.* In the event of any merger, reorganization, consolidation, recapitalization, separation, liquidation, stock dividend, split-up, Share combination, or other change in the corporate structure of the Company affecting the Shares, such adjustment shall be made in the number and class of Shares which may be delivered under the Plan, and in the number and class of and/or price of Shares subject to outstanding Options, SARs, and Restricted Stock granted under the Plan, as the Committee, in its sole discretion, shall determine to be appropriate to prevent the dilution or diminishment of Awards. Notwithstanding the preceding sentence, the number of Shares subject to any Award always shall be a whole number.

SECTION 5 STOCK OPTIONS

5.1 *Grant of Options.* Options may be granted to Employees and Consultants at any time and from time to time, as determined by the Committee in its sole discretion. The Committee, in its sole discretion, shall determine the number of Shares subject to Options granted to each Participant. The Committee may grant ISOs, NQSOs, or a combination thereof.

5.2 *Award Agreement.* Each Option shall be evidenced by an Award Agreement that shall specify the Option Price, the expiration date of the Option, the number of Shares to which the Option pertains, any conditions to exercise of the Option, and such other terms and conditions as the Committee, in its discretion, shall determine. The Award Agreement also shall specify whether the Option is intended to be an ISO or a NQSO.

5.3 *Option Price.* Subject to the provisions of this Section 5.3, the Option Price for each Option shall be determined by the Committee in its sole discretion.

5.3.1 *Nonqualified Stock Options.* In the case of a Nonqualified Stock Option, the Option Price shall be not less than one hundred percent (100%) of the Fair Market Value of a Share on the date that the Option is granted.

5.3.2 *Incentive Stock Options.* In the case of an Incentive Stock Option, the Option Price shall be not less than one hundred percent (100%) of the Fair Market Value of a Share on the date that the Option is granted; provided, however, that if at the time that the Option is granted, the Employee (together with persons whose stock ownership is attributed to the Employee pursuant to Section 424(d) of the Code) owns stock possessing more than 10% of the total combined voting power of all classes of stock of the Company or any of its Subsidiaries, the Option Price shall be not less than one hundred and ten percent (110%) of the Fair Market Value of a Share on the date that the Option is granted.

5.3.3 *Substitute Options.* Notwithstanding the provisions of Sections 5.3.1 and 5.3.2, in the event that the Company or an Affiliate consummates a transaction described in Section 424(a) of the Code (e.g., the acquisition of property or stock from an unrelated corporation), persons who become Employees or Consultants on account of such transaction may be granted Options in substitution for options granted by their former employer. If such substitute Options are granted, the Committee, in its sole discretion, may determine that such substitute Options shall have an exercise price less than 100% of the Fair Market Value of the Shares on the date the Option is granted.

5.4 *Expiration of Options.* Unless the applicable stock option agreement provides otherwise, each Option shall terminate upon the first to occur of the events listed in Section 5.4.1, subject to Section 5.4.2.

5.4.1 *Expiration Dates.*

- (a) The date for termination of the Option set forth in the written stock option agreement;
- (b) The expiration of ten years from the date the Option was granted, subject to the provisions of clause (f), below; or
- (c) The expiration of one year from the date of the Optionee's Termination of Employment for a reason other than the Optionee's death, Disability or Retirement, subject to the provisions of clause (f) below; or
- (d) The expiration of three years from the date of the Optionee's Termination of Employment by reason of Disability, subject to the provisions of clause (f) below; or
- (e) The expiration of three years from the date of the Optionee's Retirement; provided that no Incentive Stock Option may be exercised after the expiration of three months from the date of the Optionee's Retirement, subject in each case to the provisions of clause (f) below; or
- (f) The expiration of one year from the date of the Optionee's death, if such death occurs while the Optionee is in the employ or service of

the Company or an Affiliate or within the one-year or three-year periods referred to in (c), (d) or (e) above, whichever is applicable.

5.4.2 Committee Discretion. Subject to the provisions of this Section 5.4, the Committee shall provide, in the terms of each individual Option, when such Option expires and becomes unexercisable. After the Option is granted, the Committee, in its sole discretion and subject to Section 5.8.4 and this Section 5.4, may extend the maximum term of such Option.

5.5 Exercise of Options. Options granted under the Plan shall be exercisable at such times, and subject to such restrictions and conditions, as the Committee shall determine in its sole discretion. After an Option is granted, the Committee, in its sole discretion, may accelerate the exercisability of the Option.

5.6 Payment. Options shall be exercised by the Participant's delivery of a written notice of exercise to the Secretary of the Company, setting forth the number of Shares with respect to which the Option is to be exercised, accompanied by full payment for the Shares.

The Option Price upon exercise of any Option shall be payable to the Company in full in cash. The Committee, in its sole discretion, also may permit exercise (a) by tendering previously acquired Shares having an aggregate Fair Market Value at the time of exercise equal to the total Option Price (provided that the Shares which are tendered must have been held by the Participant for at least six (6) months prior to their tender to satisfy the Option Price), or (b) by any other means which the Committee, in its sole discretion, determines to both provide legal consideration for the Shares, and to be consistent with the purposes of the Plan.

As soon as practicable after receipt of a written notification of exercise and full payment for the Shares purchased, the Company shall deliver to the Participant Share certificates (in the Participant's name) representing such Shares.

5.7 Restrictions on Share Transferability. The Committee may impose such restrictions on any Shares acquired pursuant to the exercise of an Option, as it may deem advisable, including, but not limited to, restrictions related to Federal securities laws, the requirements of any national securities exchange or system upon which such Shares are then listed and/or traded, and/or any blue sky or state securities laws.

5.8 Certain Additional Provisions for Incentive Stock Options.

5.8.1 Exercisability. The aggregate Fair Market Value (determined at the time the Option is granted) of the Shares with respect to which Incentive Stock Options are exercisable for the first time by any Employee during any calendar year (under all plans of the Company and its Subsidiaries) shall not exceed \$100,000.

5.8.2 Termination of Employment. No Incentive Stock Option may be exercised more than three months after the Participant's termination of employment for any reason other than Disability or death, unless (a) the Participant dies during such three-month period, and (b) the Award Agreement and/or the Committee permits later exercise. No Incentive Stock Option may be exercised more than one year after the Participant's termination of

employment on account of Disability, unless (a) the Participant dies during such one-year period, and (b) the Award Agreement and/or the Committee permit later exercise.

5.8.3 *Company and Subsidiaries Only.* Incentive Stock Options may be granted only to persons who are employees of the Company and/or a Subsidiary at the time of grant.

5.8.4 *Expiration.* No Incentive Stock Option may be exercised after the expiration of 10 years from the date such Option was granted; provided, however, that if the Option is granted to an Employee who, together with persons whose stock ownership is attributed to the Employee pursuant to Section 424(d) of the Code, owns stock possessing more than 10% of the total combined voting power of all classes of the stock of the Company or any of its Subsidiaries, the Option may not be exercised after the expiration of 5 years from the date that it was granted.

5.9 *Nontransferability of Options.* No Option granted under the Plan may be sold, transferred, pledged, assigned, or otherwise alienated or hypothecated, other than by will, the laws of descent and distribution, or as provided under Section 9. All Options granted to a Participant under the Plan shall be exercisable during his or her lifetime only by such Participant.

SECTION 6 STOCK APPRECIATION RIGHTS

6.1 *Grant of SARs.* An SAR may be granted to an Employee or Consultant at any time and from time to time as determined by the Committee, in its sole discretion. The Committee may grant Affiliated SARs, Freestanding SARs, Tandem SARs, or any combination thereof.

The Committee shall have complete discretion to determine the number of SARs granted to any Participant, and consistent with the provisions of the Plan, the terms and conditions pertaining to such SARs. However, the grant price of a Freestanding SAR shall be at least equal to the Fair Market Value of a Share on the date of grant. The grant price of Tandem or Affiliated SARs shall equal the Option Price of the related Option.

6.2 *Exercise of Tandem SARs.* Tandem SARs may be exercised for all or part of the Shares subject to the related Option upon the surrender of the right to exercise the equivalent portion of the related Option. A Tandem SAR may be exercised only with respect to the Shares for which its related Option is then exercisable.

6.2.1 *ISOs.* Notwithstanding any contrary provision of the Plan, with respect to a Tandem SAR granted in connection with an ISO: (i) the Tandem SAR shall expire no later than the expiration of the underlying ISO; (ii) the value of the payout with respect to the Tandem SAR shall be for no more than one hundred percent (100%) of the difference between the Option Price of the underlying ISO and the Fair Market Value of the Shares subject to the underlying ISO at the time the Tandem SAR is exercised; and (iii) the Tandem SAR shall be exercisable only when the Fair Market Value of the Shares subject to the ISO exceeds the Option Price of the ISO.

6.3 *Exercise of Affiliated SARs.* An Affiliated SAR shall be deemed to be exercised upon the exercise of the related Option. The deemed exercise of an Affiliated SAR shall not necessitate a reduction in the number of Shares subject to the related Option.

6.4 *Exercise of Freestanding SARs.* Freestanding SARs shall be exercisable on such terms and conditions as the Committee, in its sole discretion, shall determine.

6.5 *SAR Agreement.* Each SAR shall be evidenced by an Award Agreement that shall specify the grant price, the term of the SAR, the conditions of exercise, and such other terms and conditions as the Committee, in its sole discretion, shall determine.

6.6 *Expiration of SARs.* An SAR granted under the Plan shall expire upon the date determined by the Committee, in its sole discretion, and set forth in the Award Agreement. Notwithstanding the foregoing, the rules of Section 5.4 (pertaining to Options) also shall apply to SARs.

6.7 *Payment of SAR Amount.* Upon exercise of an SAR, a Participant shall be entitled to receive payment from the Company in an amount determined by multiplying:

- (a) The difference between the Fair Market Value of a Share on the date of exercise over the grant price; times
- (b) The number of Shares with respect to which the SAR is exercised.

At the discretion of the Committee, the payment upon SAR exercise may be in cash, in Shares of equivalent value, or in some combination thereof.

6.8 *Nontransferability of SARs.* No SAR granted under the Plan may be sold, transferred, pledged, assigned, or otherwise alienated or hypothecated, other than by will, the laws of descent and distribution, or as permitted under Section 9. An SAR granted to a Participant shall be exercisable during the Participant's lifetime only by such Participant.

SECTION 7 RESTRICTED STOCK

7.1 *Grant of Restricted Stock.* Subject to the terms and provisions of the Plan, the Committee, at any time and from time to time, may grant Shares of Restricted Stock to Employees and Consultants in such amounts as the Committee, in its sole discretion, shall determine.

7.2 *Restricted Stock Agreement.* Each Award of Restricted Stock shall be evidenced by an Award Agreement that shall specify the Period of Restriction, the number of Shares granted, and such other terms and conditions as the Committee, in its sole discretion, shall determine. Unless the Committee determines otherwise, shares of Restricted Stock shall be held by the Company as escrow agent until the restrictions on such shares have lapsed.

7.3 *Transferability.* Except as provided in this Section 7, Shares of Restricted Stock may not be sold, transferred, pledged, assigned, or otherwise alienated or hypothecated

until the end of the applicable Period of Restriction. All rights with respect to the Restricted Stock granted to a Participant under the Plan shall be available during his or her lifetime only to such Participant.

7.4 Other Restrictions. The Committee, in its sole discretion, may impose such other restrictions on any Shares of Restricted Stock as it may deem advisable including, without limitation, restrictions based upon the achievement of specific performance goals (Company-wide, divisional, and/or individual), and/or restrictions under applicable Federal or state securities laws; and may legend the certificates representing Restricted Stock to give appropriate notice of such restrictions. For example, the Committee may determine that some or all certificates representing Shares of Restricted Stock shall bear the following legend:

The sale or other transfer of the shares of stock represented by this certificate, whether voluntary, involuntary, or by operation of law, is subject to certain restrictions on transfer as set forth in the Central Garden & Pet Company 2003 Omnibus Equity Incentive Plan, and in a Restricted Stock Agreement. A copy of the Plan and such Restricted Stock Agreement may be obtained from the Secretary of Central Garden & Pet Company.

7.5 Removal of Restrictions. Except as otherwise provided in this Section 7, Shares of Restricted Stock covered by each Restricted Stock grant made under the Plan shall be released from escrow as soon as practicable after the last day of the Period of Restriction. The Committee, in its discretion, may accelerate the time at which any restrictions shall lapse, and/or remove any restrictions. After the restrictions have lapsed, the Participant shall be entitled to have any legend or legends under Section 7.4 removed from his or her Share certificate, and the Shares shall be freely transferable by the Participant.

7.6 Voting Rights. During the Period of Restriction, Participants holding Shares of Restricted Stock granted hereunder may exercise full voting rights with respect to those Shares, unless the Committee determines otherwise.

7.7 Dividends and Other Distributions. During the Period of Restriction, Participants holding Shares of Restricted Stock shall be entitled to receive all dividends and other distributions paid with respect to such Shares, unless otherwise provided in the Award Agreement. If any such dividends or distributions are paid in Shares, the Shares shall be subject to the same restrictions on transferability and forfeitability as the Shares of Restricted Stock with respect to which they were paid.

7.8 Return of Restricted Stock to Company. Subject to the applicable Award Agreement and Section 7.5, upon the earlier of (a) the Participant's termination of employment, or (b) the date set forth in the Award Agreement, the Restricted Stock for which restrictions have not lapsed shall revert to the Company and, subject to Section 4.2, again shall become available for grant under the Plan.

SECTION 8
PERFORMANCE UNITS AND PERFORMANCE SHARES

8.1 *Grant of Performance Units/Shares.* Performance Units and Performance Shares may be granted to Employees and Consultants at any time and from time to time, as shall be determined by the Committee, in its sole discretion. The Committee shall have complete discretion in determining the number of Performance Units and Performance Shares granted to each Participant.

8.2 *Value of Performance Units/Shares.* Each Performance Unit shall have an initial value that is established by the Committee at the time of grant. Each Performance Share shall have an initial value equal to the Fair Market Value of a Share on the date of grant. The Committee shall set performance goals in its discretion which, depending on the extent to which they are met, will determine the number and/or value of Performance Units/Shares that will be paid out to the Participants. The time period during which the performance goals must be met shall be called the Performance Period .

8.3 *Earning of Performance Units/Shares.* After the applicable Performance Period has ended, the holder of Performance Units/Shares shall be entitled to receive a payout of the number of Performance Units/Shares earned by the Participant over the Performance Period, to be determined as a function of the extent to which the corresponding performance goals have been achieved. After the grant of a Performance Unit/Share, the Committee, in its sole discretion, may adjust and/or waive the achievement of any performance goals for such Performance Unit/Share.

8.4 *Form and Timing of Payment of Performance Units/Shares.* Payment of earned Performance Units/Shares shall be made as soon as practicable after the expiration of the applicable Performance Period. The Committee, in its sole discretion, may pay earned Performance Units/Shares in the form of cash, in Shares (which have an aggregate Fair Market Value equal to the value of the earned Performance Units/Shares at the close of the applicable Performance Period) or in a combination thereof.

8.5 *Cancellation of Performance Units/Shares.* Subject to the applicable Award Agreement, upon the earlier of (a) the Participant's termination of employment, or (b) the date set forth in the Award Agreement, all remaining Performance Units/Shares shall be forfeited by the Participant to the Company, and subject to Section 4.2, the Shares subject thereto shall again be available for grant under the Plan.

8.6 *Nontransferability.* Performance Units/Shares may not be sold, transferred, pledged, assigned, or otherwise alienated or hypothecated, other than by will, the laws of descent and distribution, or as permitted under Section 9. A Participant's rights under the Plan shall be exercisable during the Participant's lifetime only by the Participant or the Participant's legal representative.

SECTION 9
BENEFICIARY DESIGNATION

If permitted by the Committee, a Participant may name a beneficiary or beneficiaries to whom any unpaid vested Award shall be paid in event of the Participant's death. Each such designation shall revoke all prior designations by the same Participant and shall be effective only if given in a form and manner acceptable to the Committee. In the absence of any such designation, benefits remaining unpaid at the Participant's death shall be paid to the Participant's estate and, subject to the terms of the Plan, any unexercised vested Award may be exercised by the administrator or executor of the Participant's estate.

SECTION 10
DEFERRALS

The Committee, in its sole discretion, may permit a Participant to defer receipt of the payment of cash or the delivery of Shares that would otherwise be due to such Participant under an Award. Any such deferral elections shall be subject to such rules and procedures as shall be determined by the Committee in its sole discretion.

SECTION 11
RIGHTS OF EMPLOYEES AND CONSULTANTS

11.1 *No Effect on Employment or Service.* Nothing in the Plan shall interfere with or limit in any way the right of the Company to terminate any Participant's employment or service at any time, with or without cause.

11.2 *Participation.* No Employee or Consultant shall have the right to be selected to receive an Award under this Plan, or, having been so selected, to be selected to receive a future Award.

SECTION 12
AMENDMENT, SUSPENSION, OR TERMINATION

12.1 *Amendment, Suspension, or Termination.* The Board, in its sole discretion, may alter, amend or terminate the Plan, or any part thereof, at any time and for any reason. However, as required by applicable law, no alteration or amendment shall be effective without further stockholder approval. Neither the amendment, suspension, nor termination of the Plan shall, without the consent of the Participant, alter or impair any rights or obligations under any Award theretofore granted. No Award may be granted during any period of suspension nor after termination of the Plan.

SECTION 13
TAX WITHHOLDING

13.1 *Withholding Requirements.* Prior to the delivery of any Shares or cash pursuant to an Award, the Company shall have the power and the right to deduct or withhold, or require a Participant to remit to the Company, an amount sufficient to satisfy Federal, state, and local taxes required to be withheld with respect to such Award.

13.2 *Shares Withholding.* The Committee, in its sole discretion and pursuant to such procedures as it may specify from time to time, may permit a Participant to satisfy the minimum statutory tax withholding obligation, in whole or in part, by electing to have the Company withhold Shares having a value equal to the amount required to be withheld or by delivering to the Company already-owned shares to satisfy the withholding requirement. The value of the Shares to be withheld or delivered will be based on their Fair Market Value on the date that the taxes are required to be withheld.

SECTION 14 INDEMNIFICATION

Each person who is or shall have been a member of the Committee, or of the Board, shall be indemnified and held harmless by the Company against and from any loss, cost, liability, or expense that may be imposed upon or reasonably incurred by him or her in connection with or resulting from any claim, notion, suit, or proceeding to which he or she may be a party or in which he or she may be involved by reason of any action taken or failure to act under the Plan or any Award Agreement and against and from any and all amounts paid by him or her in settlement thereof, with the Company's approval, or paid by him or her in settlement thereof, with the Company's approval, or paid by him or her in satisfaction of any judgment in any such action, suit, or proceeding against him or her, provided he or she shall give the Company an opportunity, at its own expense, to handle and defend the same before he or she undertakes to handle and defend it on his or her own behalf. The foregoing right of indemnification shall not be exclusive of any other rights of indemnification to which such persons may be entitled under the Company's Articles of Incorporation or Bylaws, as a matter of law, or otherwise, or any power that the Company may have to indemnify them or hold them harmless.

SECTION 15 SUCCESSORS

All obligations of the Company under the Plan, with respect to Awards granted hereunder, shall be binding on any successor to the Company, whether the existence of such successor is the result of a direct or indirect purchase, merger, consolidation, or otherwise, of all or substantially all of the business and/or assets of the Company.

SECTION 16 LEGAL CONSTRUCTION

16.1 *Gender and Number.* Except where otherwise indicated by the context, any masculine term used herein also shall include the feminine; the plural shall include the singular and the singular shall include the plural.

16.2 *Severability.* In the event any provision of the Plan shall be held illegal or invalid for any reason, such illegality or invalidity shall not affect the remaining parts of the Plan, and the Plan shall be construed and enforced as if the illegal or invalid provision had not been included.

16.3 *Requirements of Law.* The granting of Awards and the issuance of Shares under the Plan shall be subject to all applicable laws, rules, and regulations, and to such approvals by any governmental agencies or national securities exchanges as may be required.

16.4 *Securities Law Compliance.* With respect to Section 16 Persons, transactions under this Plan are intended to comply with all applicable conditions of Rule 16b-3. To the extent any provision of the Plan, Award Agreement or action by the Committee fails to so comply, it shall be deemed null and void, to the extent permitted by law and deemed advisable by the Committee.

16.5 *Governing Law.* The Plan and all Award Agreements shall be construed in accordance with and governed by the laws of the State of California.

16.6 *Captions.* Captions are provided herein for convenience only, and shall not serve as a basis for interpretation or construction of the Plan.
