Explanation of Responses:

* If the form is filed by more than one reporting person, *see* Instruction 4(b)(v).

** Intentional misstatements or omissions of facts constitute Federal Criminal Violations. *See* 18 U.S.C. 1001 and 15 U.S.C. 78ff(a).

(1) Each restricted stock unit (RSU) represents a contingent right to receive one share of ALV common stock.

Dividend equivalent rights accrued in the form of additional RSUs to RSUs granted on May 8, 2018. Per the award agreement, cash dividends with a record date on or after the grant date and paid on or before the vesting date yield additional RSUs subject to the same vesting schedule as the underlying RSUs.

(3) The RSUs vest and convert to shares in one installment on the earlier of (a) the date of ALV's 2019 annual stockholder meeting, or (b) the one-year anniversary of May 8, 2018.

(4) As reported in the Registration Statement on Form 10 filed by Veoneer, Inc. ("VNE") with the SEC, in connection with the distribution by ALV of 100% of the outstanding shares of common stock of VNE on a pro rata basis to ALV stockholders on June 29, 2018 (the "Spin-off"), stock-based awards granted by ALV prior to the Spin-off were converted into adjusted stock-based awards relating to both shares of ALV and VNE common stock.

(Continued from footnote 4) With certain limited exceptions, the adjusted awards are subject to the same or equivalent vesting conditions and other terms that applied to the applicable original ALV award immediately before the Spin-off. For each holder of an RSU, 50% of the outstanding stock award value, as calculated immediately prior to the spin-off, was converted to an RSU of VNE, and 50% to an RSU of ALV, with an adjustment to the number of shares as required to preserve the value inherent in the stock award before and after the distribution. The conversion and adjustment described herein is referred to as the "Spin-off Conversion and Adjustment."

(6) The number of RSUs held following the Spin-off Conversion and Adjustment.

Note: File three copies of this Form, one of which must be manually signed. If space is insufficient, *see* Instruction 6 for procedure.

Potential persons who are to respond to the collection of information contained in this form are not required to respond unless the form displays a currently valid OMB number.
