Item 4 Purpose of Transaction.

The Reporting Person originally acquired Shares for investment purposes in the ordinary course of business, subsequent to the announcement on November 6, 2006 of the planned merger between the Issuer and JPMorgan Asset Management's Special Situation Property Fund. The Reporting Person acquired the Shares to capture the expected appreciation in the value of the Shares and to receive the scheduled dividend payments if the transaction closed as planned. Additionally, the Reporting Person believed the potential existed for additional value if the Board of Directors of the Issuer were to receive a superior acquisition proposal from another party.

On December 22, 2006, the Issuer filed a preliminary proxy statement in connection with the pending merger. The Reporting Person believes that certain disclosures contained in the proxy statement raise significant questions as to whether the Issuer's independent directors fulfilled their fiduciary duties and achieved maximum value for the Issuer's shareholders. On January 8, 2007, the Reporting Person sent a letter to the issuer, a copy of which is attached hereto as Exhibit A, setting forth its aims and suggesting that, to rectify this situation, the parties to the pending merger should provide for a "go-shop" period, during which time other bidders are solicited to submit competing bids. The Reporting Person notes that it currently intend to withhold its support for the proposed merger until it is satisfied that the Issuer is being sold for the highest possible price that any market participant is willing to pay for its Shares and may encourage other shareholders to do the same.

Except as set forth herein, or as would occur upon completion of any of the actions discussed herein, the Reporting Person has no present plan or proposal that would relate to or result in any of the matters set forth in subparagraphs (a)-(j) of Item 4 of Schedule 13D. The Reporting Person intends to review its investment in the Issuer on a continuing basis and may engage in discussions with management, the Board of Directors, other shareholders of the Issuer and other relevant parties concerning the proposed JPMorgan transaction and alternatives thereto and potentially concerning other matters with respect to

Edgar Filing: Columbia Equity Trust, Inc. - Form SC 13D

the Reporting Person's investment in the Shares, including, without limitation, the business, operations, governance, management, strategy and future plans of the Issuer. Depending on various factors, including, without limitation, the status of the proposed JPMorgan transaction and the apparent level of shareholder support therefor, the terms of any alternative transactions that may be proposed, the Issuer's financial position and strategic direction, the outcome of any discussions referenced above, actions taken by the Board of Directors, price levels of the Shares, other investment opportunities available to the Reporting Person, conditions in the securities market and general economic and industry conditions, the Reporting Person may in the future take such actions with respect to its investment in the Issuer as it deems appropriate, including, without limitation, purchasing additional Shares or selling some or all of its Shares, engaging in short selling of or any hedging or similar transactions with respect to the Shares and/or otherwise changing its intention with respect to any and all matters referred to in Item 4 of Schedule 13D.

Item 5. Interest in Securities of the Company.

(a) As of the close of business on January 8, 2007, the Reporting Person is deemed to be the beneficial owner of 1,300,000 Shares, constituting approximately 9.4% of the Shares outstanding. The aggregate percentage of Shares reported herein is based upon 13,863,334 Shares outstanding, which is the total number of Shares outstanding as of November 14, 2006 as reported in the Issuer's Quarterly Report on Form 10-Q filed on November 14, 2006.

(b) By virtue of investment management agreements with its clients, the Reporting Person has sole voting and dispositive powers over the 1,300,000 Shares reported herein, which powers are exercised by the Principal and the Portfolio Managers.

(c) Information concerning transactions in the Shares effected by the Reporting Person during the past sixty days is set forth in Schedule A hereto and is incorporated herein by reference. All of the transactions in Shares listed on Schedule A hereto were effected in the open market.

(d) Clients of the Reporting Person have the right to receive and the ultimate power to direct the receipt of dividends from, or the proceeds of the sale of, the Shares reported herein.

(e) Not applicable.

Item 6. Contracts, Arrangements, Understandings or Relationships with Respect to Securities of the Company.

Except as otherwise set forth herein, the Reporting Person does not have any contract, arrangement, understanding or relationship with any person with respect to any securities of the Issuer.

Item 7. Material to be Filed as Exhibits.
