Dear Stockholder:

This year's Annual Meeting of Stockholders will be held virtually on Wednesday, June 20, 2018 at 9:00 A.M., Eastern Time. The Annual Meeting can be accessed by visiting www.virtualshareholdermeeting.com/EFOI2018, where you will be able to listen to and participate in the meeting live, submit questions, and vote online. We believe that a virtual stockholder meeting will provide greater access to those who may want to attend, and therefore have chosen to conduct a virtual meeting rather than an in-person meeting. Because the Annual Meeting is virtual and being conducted electronically, stockholders cannot attend the Annual Meeting in person.

The Notice of Annual Meeting of Stockholders and a Proxy Statement, which describe the formal business to be conducted at the meeting, have been made a part of this invitation.

Your vote is important. Whether or not you plan to participate in the Annual Meeting, I hope that you will vote as soon as possible. Please review the instructions on each of your voting options described in the Proxy Statement.

Please also note that if you hold your shares in "street name" through a bank or broker, that custodian cannot vote your shares on all matters without your specific instructions.

The Proxy Statement and related proxy form are first being made available on or about April 27, 2018.

Thank you for your ongoing support of, and continued interest in, Energy Focus.

Very truly yours,

/s/ Theodore L. Tewksbury III

PROXY STATEMENT FOR ANNUAL MEETING OF STOCKHOLDERS

ENERGY FOCUS, INC.
32000 AURORA ROAD, SUITE B
SOLON, OHIO 44139

INFORMATION CONCERNING SOLICITATION AND VOTING OF PROXIES

General

The enclosed proxy is solicited on behalf of the Board of Directors (the “Board of Directors,” or the “Board”) of Energy Focus, Inc., a Delaware corporation (“Energy Focus” or the “Company”), for use during the Annual Meeting of Stockholders (the “Annual Meeting”) to be held virtually on Wednesday, June 20, 2018 at 9:00 A.M., Eastern Time, or at any adjournments or postponements thereof, for the purposes set forth herein and in the accompanying Notice of Annual Meeting of Stockholders. The Annual Meeting can be accessed by visiting www.virtualshareholdermeeting.com/EFOI2018, where you will be able to listen to and participate in the meeting live, submit questions, and vote online.

The cost of soliciting these proxies will be borne by the Company. Regular employees and directors of the Company may solicit proxies in person, by telephone, by mail, or by email. No additional compensation will be given to employees or directors for such solicitation. The Company will request brokers and nominees who hold shares of common stock, par value \$.0001 per share, of Energy Focus (“Common Stock”) in their names to furnish proxy material to the beneficial owners of such shares and will reimburse such brokers and nominees for their reasonable expenses incurred in forwarding solicitation material to such beneficial owners.

Record Date and Share Ownership

Only stockholders of record at the close of business on April 23, 2018 (the “Record Date”), will be entitled to notice of and to vote during the Annual Meeting and any adjournments or postponements thereof. The Company had 11,936,096 shares of Common Stock issued and outstanding as of the Record Date.

Voting

Each share of Common Stock held as of the Record Date entitles its holder to one vote on each matter to be acted upon during the Annual Meeting. The presence during the Annual Meeting, either virtually or by proxy, of the holders of a majority of the aggregate number of shares of Common Stock outstanding on the Record Date will represent a quorum permitting the conduct of business at the meeting. If you are a beneficial owner of shares that are held in “street name” (meaning a broker, trustee, bank or other nominee holds shares on your behalf), you must instruct your broker as to how to vote your shares on the proposal to elect directors, which is presented in this proxy statement. Failure to do so may result in a “broker non-vote” because a broker does not have discretion to vote on your behalf with respect to this matter during the Annual Meeting. Any proxies received by the Company marked as abstentions or broker non-votes will be included in the calculation of whether a quorum is present during the Annual Meeting.

The six nominees receiving the greatest number of votes “for” election will be elected as directors. If you do not vote for a particular director nominee, or if you indicate “withhold authority” for a particular nominee on your proxy form, your vote will not have an effect on the outcome of the election of directors. Broker non-votes also will not have an effect on the outcome of the election of directors.

The affirmative vote of a majority of the shares of Common Stock present electronically at the Annual Meeting or represented by proxy and entitled to vote on the proposal during the Annual Meeting is required to approve the ratification of the appointment of Plante & Moran, PLLC as the Company's independent auditors for the year ending December 31, 2018. Abstentions will have the same effect as a vote against these proposals, and broker non-votes will have no effect on the outcome of these proposals.

The shares represented by the proxies received, properly marked, dated, signed and not revoked will be voted during the Annual Meeting. Where such proxies specify a choice with respect to the proposal, the shares will be voted in accordance with the specifications made. Any proxy in the enclosed form which is returned but is not marked will be voted FOR the election of the six nominees for director listed in this Proxy Statement and FOR the ratification of the appointment of Plante & Moran, PLLC as the Company's independent auditors for the year ending December 31, 2018.

Revocability of Proxies

Any proxy given pursuant to this solicitation may be revoked by the person giving it at any time before its use either by delivering a written notice of revocation or a duly executed proxy bearing a later date to Energy Focus, Inc., Attention:

Secretary, 32000 Aurora Road, Suite B, Solon, Ohio 44139 or by participating in the virtual Annual Meeting and voting electronically. If a proxy is properly signed and not revoked, the shares it represents will be voted in accordance with the instructions of the stockholder. Please note, however, that if your shares are held of record by a broker, bank or other nominee and you wish to revoke your proxy or vote during the Annual Meeting, you must follow the instructions provided to you by the record holder and/or obtain from the record holder a proxy issued in your name. Participation in the Annual Meeting will not, by itself, revoke a proxy.

PROPOSAL NO. 1: ELECTION OF DIRECTORS

Nominees

The Company's Bylaws provide that the number of directors of the Company shall be no less than five and no more than nine, with the exact number within such range to be fixed by the Board of Directors. The Board of Directors increased the number of directors from six to seven in April 2018 in connection with Mr. Rishi's appointment to the Board; however, the Board has since reduced the number of directors to six effective as of the date of the Annual Meeting since William Cohen is not standing for reelection. Mr. Cohen will continue to serve as a member of the Company's Board of Directors until the Annual Meeting. The Board has recommended and nominated the six nominees listed below, each of which is a current director.

Unless otherwise instructed, the proxy holders will vote the proxies received by them for the six nominees named below, regardless of whether any other names are placed in nomination by anyone other than one of the proxy holders. If the candidacy of any one or more of such nominees should, for any reason, be withdrawn, the proxy holders will vote in favor of the remainder of those nominated and for such substituted nominees, if any, as shall be designated by the Board of Directors. Please note that if the candidacy of one or more nominees should be withdrawn, the Board may reduce the number of directors to be elected at this time. The Board of Directors has no reason to believe that any of the persons named will be unable or unwilling to serve as a nominee or as a director if elected.

If a quorum is present in person or by proxy during the Annual Meeting, the six nominees receiving the highest number of votes will be elected as directors during the Annual Meeting to serve until the next annual meeting or until their respective successors are duly elected or appointed.

Ronald D. Black
William F. Cohen
Glenda M. Dorchak
Marc J. Eisenberg

In this Proxy Statement these directors are referred to individually as an "Independent Director" and collectively as the "Independent Directors."

Board Meetings and Committees Annual Meeting Attendance

The Company has a standing Compensation Committee of the Board of Directors, currently consisting of Ms. Dorchak, as chair, Dr. Black, and Mr. Eisenberg. 10

Compensation Committee held seven meetings in 2017. The Board has approved a charter for the Compensation Committee. A copy of this charter can be found on the Company's website at <http://www.energyfocus.com>.

The Compensation Committee's primary functions are to:

- receive proposals from management and review and recommend to the Board the corporate goals and objectives relevant to compensation of the Chief Executive Officer, evaluate his performance in light of such goals and objectives, and recommend to the Board for approval his compensation level based on this evaluation;
- develop and recommend to the Board compensation arrangements for other executive officers of the Company;
- review and recommend to the Board incentive compensation plans and equity-based plans, and administer such plans;
- review and recommend to the Board all other employee benefit plans for the Company; and

The authority of the Compensation Committee may be delegated to a subcommittee of the Compensation Committee, consisting of one or more directors. The Chief Executive Officer may provide recommendations regarding compensation of other executive officers. The Compensation Committee is empowered to retain consultants for advice on compensation matters.

No director currently serving on the Compensation Committee is or has been an officer or employee of the Company or any of the Company's subsidiaries. No interlocking relationships exist between our Board of Directors or Compensation Committee and the board of directors or compensation committee of any other entity, nor has any interlocking relationship existed in the past.

During 2017, the Compensation Committee engaged Compensia, Inc. to assist with the review of the Company's executive and Board compensation by providing data on market trends and, more specifically, with respect to a group of peer companies having similar size and other characteristics to the Company and how the Company's compensation levels compared with such peers.

Audit and Finance Committee

The Company's Audit and Finance Committee acts as the standing audit committee of the Board of Directors. The Audit and Finance Committee of the Board of Directors, which currently consists of Mr. Ramelot, as chair, Ms. Dorchak, and Mr. Rishi, held four meetings in 2017. Each of the members of the Audit and Finance Committee is an Independent Director and is also independent under the criteria established by the SEC and NASDAQ for audit committee membership. The Board of Directors has determined that Mr. Ramelot and Mr. Rishi are "audit committee financial experts," as defined under the rules of the SEC. The Board has approved a charter for the Audit and Finance Committee. A copy of this charter can be found on the Company's website at <http://www.energyfocus.com>.

The Audit and Finance Committee's primary functions are to assist the Board of Directors in its oversight of the integrity of the Company's financial statements and other financial information, the Company's compliance with legal and regulatory requirements, the qualifications, independence and performance of the Company's independent registered public accounting firm. More specifically, the Audit Committee:

- appoints, compensates, evaluates and, when appropriate, replaces the Company's independent registered public accounting firm;

- reviews and pre-approves audit and permissible non-audit services;
- reviews the scope of the annual audit;
- monitors the independent registered public accounting firm's relationship with the Company; and
- meets with the independent registered public accounting firm and management to discuss and review the Company's financial statements, internal controls, and auditing, accounting and financial reporting processes.

Nominating and Corporate Governance Committee

The Company has a Nominating and Corporate Governance Committee of the Board of Directors ("Nominating Committee"), currently consisting of Mr. Eisenberg as chair, Dr. Black, and Ms. Dorchak. Each of the members of the Nominating Committee is an Independent Director. The Nominating Committee held five meetings in 2017. The Board has approved a charter for the Nominating Committee. A copy of this charter can be found on the Company's website at <http://www.energyfocus.com>.

The Nominating Committee's primary functions are to carry out the responsibilities delegated by the Board relating to the Company's director nominations process and procedures, developing and maintaining the Company's corporate governance policies, and any related matters required by NASDAQ or federal securities laws. More specifically, the Nominating Committee:

- determines, makes recommendations, and reviews periodically with the Board, the appropriate number of directors that shall constitute the Board, along with the qualifications required to be a director, the Board's leadership structure and its committee structure and composition;

- conducts searches for and reviews individuals qualified to become members of the Board;

- makes recommendations to the Board regarding the selection and approval of the nominees for director to be submitted during the annual meeting of stockholders and identifies and makes recommendations to the Board regarding the selection and approval of candidates to fill vacancies on the Board;

- evaluates and makes a recommendation to the Board with respect to the "independence" of directors;

- oversees the Company's corporate governance practices, procedures, corporate governance guidelines and other governing documents, and other governance matters required by the Securities and Exchange Commission or Nasdaq and makes related recommendations to the Board;

- oversees the Board's and committees' evaluation and charter review process; and

- develops and recommends to the Board for approval, after taking into account any input provided by the Compensation Committee, a Chief Executive Officer succession plan.

The Nominating Committee will consider various candidates for Board membership, including those suggested by other Board members, by any executive search firm engaged by the Nominating Committee, and by stockholders. A stockholder who wishes to suggest a prospective nominee for the Board to consider should notify the Secretary of the Company or any member of the Nominating Committee in writing, with any supporting material the stockholder considers appropriate, at the following address: Energy Focus, Inc., 32000 Aurora Road, Suite B, Solon, Ohio 44139.

Board Leadership Structure and Role in Risk Oversight

Dr. Tewksbury currently serves as both Chairman of the Board and Chief Executive Officer. The Nominating Committee periodically considers whether the roles of Chief Executive Officer and Chairman should be separate, but believes at this time that the Company and its stockholders are best served by its current leadership structure. Combining the roles of Chairman and Chief Executive Officer fosters accountability, effective decision-making and alignment between interests of the Board and management. In March 2016, the Board of Directors established a Lead Director position to serve as a liaison between the Independent Directors and the Chairman and the Chief Executive Officer and the full Board, consult with and advise the Chairman regarding Board matters, call and chair meetings of Independent Directors and chair meetings of the Board when the Chairman is not present. Dr. Black currently serves as Lead Director.

It is management's responsibility to manage risk and bring material risks to the attention of the Board. The Board administers its risk oversight role by reviewing strategic, financial and execution risks and exposures associated with the Company's operations and financial condition; litigation and other matters that may present material risk to our operations, plans, prospects or reputation; acquisitions and divestitures; and senior management succession planning. This oversight role is performed directly and through the committee structure and the committees' regular reports to

the Board of Directors. The Audit and Finance Committee reviews risks associated with legal, compliance, and major financial and accounting matters, including financial reporting, accounting, disclosure, internal controls over financial reporting and ethics and compliance programs. The Compensation Committee reviews risks related to executive compensation and the design of compensation programs, plans and arrangements. The Nominating Committee reviews risks associated with the Company's corporate governance policies, as well as NASDAQ rules and federal securities laws.

Stockholder Communications with the Board of Directors

Stockholders may communicate with the Board of Directors through our Secretary of the Company by writing to the following address: Energy Focus, Inc., Attention: Board of Directors, 32000 Aurora Road, Suite B, Solon, Ohio 44139. Our Secretary will forward all appropriate correspondence to the Board of Directors.

PROPOSAL NO. 2: RATIFICATION OF THE APPOINTMENT OF INDEPENDENT AUDITORS

The Board of Directors recommends that the stockholders ratify the selection of Plante & Moran, PLLC as the independent registered public accounting firm to audit our accounts and those of our subsidiaries for the fiscal year ending December 31, 2018. Plante & Moran, PLLC has served as our independent registered public accounting firm since 2009 and the Audit and Finance Committee approved the selection of Plante & Moran, PLLC as our independent registered public accounting firm for fiscal year 2018. We expect that representatives of Plante & Moran, PLLC will be present at and participate in the Annual Meeting. They will be given the opportunity to make a statement if they desire to do so.

There is no requirement that the Company submit the selection of its independent registered public accounting firm to its stockholders for ratification. In addition, the Sarbanes-Oxley Act of 2002 requires our Audit and Finance Committee to be directly responsible for the appointment, compensation and oversight of the audit work of our independent auditors. If our stockholders fail to ratify the selection, the Audit and Finance Committee will reconsider whether to retain Plante & Moran, PLLC, and may retain any firm without re-submitting the matter to our stockholders. Even if the selection is ratified, the Audit and Finance Committee in its discretion may direct the appointment of a different independent registered public accounting firm at any time during the year if it determines that such a change would be in the best interests of the Company and its stockholders.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR THE RATIFICATION OF THE APPOINTMENT OF PLANTE & MORAN, PLLC AS OUR INDEPENDENT AUDITORS FOR THE YEAR ENDING DECEMBER 31, 2018.

SECURITY OWNERSHIP OF PRINCIPAL STOCKHOLDERS AND MANAGEMENT

The awards granted to Mr. White in 2017 were forfeited upon his departure from the Company. Narrative Disclosure to Summary Compensation Table

The Compensation Committee (the “Committee”) of our Board of Directors generally has the responsibility of administering our executive compensation program or making recommendations to the full Board with respect to such program. The Committee reviews and, as appropriate, makes recommendations to the full Board regarding the base salaries and annual cash bonuses for executive officers, and administers our stock incentive plans, including the grants of stock options.

Compensation philosophy and objectives

Our principal executive compensation policy is to provide a compensation program that will attract, motivate and retain persons of high quality and provide incentives that align the interests of our employees and directors with those of our stockholders. In administering the executive compensation program, the Committee is mindful of the following principles and guidelines, which are supported by the full Board:

- Base salaries for executive officers should be competitive.

- A sufficient portion of annual compensation should be at risk in order to align the interests of executives with those of our stockholders.

- The variable part of annual compensation should reflect both individual and corporate performance.

As a person’s level of responsibility increases, a greater portion of total compensation should be at risk and include more stock-based compensation to provide executives long-term incentives, and help to align further the interests of executives and stockholders in the enhancement of stockholder value.

Executive officer compensation has three primary components: base salary, bonuses granted under a bonus or cash incentive plan, and stock-based awards granted pursuant to our 2014 Plan. In addition, executive officers receive certain benefits that are generally available to all salaried employees. We do not have any defined benefit pension plans, non-qualified deferred compensation arrangements, or supplemental retirement plans for our executive officers. During 2016 and 2017, the Compensation Committee engaged Compensia, Inc. to assist with the review of the Company’s executive and Board compensation by providing data on market trends and, more specifically, with respect to a group of peer companies having similar size and other characteristics to the Company based on the Company’s 2015 performance and how the Company’s compensation levels compared with such peers.

For each Named Executive Officer’s compensation for 2017, the Committee reviewed the proposed level for each compensation component based on various factors, including the median level for the peer group and other competitive market factors, internal equity and consistency, and an emphasis on pay for performance. The Committee made recommendations to the Board of Directors, based on input from the then Chief Executive Officer other than with respect to his own compensation, which then approved the final compensation amounts for each executive officer. We have not adopted any formal or informal policies or guidelines for allocating compensation between long-term and currently paid compensation, between cash and non-cash compensation, or among different forms of non-cash compensation.

Management Changes and Related Compensation Arrangements

Significant changes in the Company’s management team occurred during 2016 and early 2017. As a result, certain Named Executive Officers are no longer with the Company. The amounts paid to Mr. Tu for 2017 reflect his severance benefits received under his separation agreement entered into with the Company on February 18, 2017, and the amounts paid to Mr. Tu and Mr. White in 2017 reflect the compensation paid during their terms of employment. The separation agreement with Mr. Tu provided for the continued payment of his salary at the rate in effect as of February 18, 2017 for a period of twelve months following his separation date, twelve months of continued benefits and the payment of up to \$10,000 for legal and executive outplacement and coaching service expenses.

The following executive officers succeeded the Named Executive Officers in their respective positions:

- Dr. Theodore L. Tewksbury III was appointed as Executive Chairman effective December 12, 2016 and became the Company’s Chairman of the Board, Chief Executive Officer and President on February 19, 2017;

- Bradley B. White was appointed as Chief Financial Officer effective December 12, 2016 and served in that role until departing from the Company on March 16, 2017; and

- Michael H. Port was appointed as Chief Financial Officer on March 16, 2017, and had served as the Company’s Interim Chief Financial Officer from August 16, 2016 until December 12, 2016.

Dr. Tewksbury's compensation as Executive Chairman and now as Chairman of the Board, Chief Executive Officer and President, and Mr. White's and Mr. Port's compensation as Chief Financial Officer, were each established taking into

17

account the factors described above, and a comparative peer group that had been adjusted to reflect the lower sales levels experienced in 2016 compared to 2015. The Committee also considered the need to recruit and retain top level talent during a challenging time for the Company, and the responsibilities being managed by a smaller executive team, and their resulting compensation arrangements were as follows:

Dr. Tewksbury's salary was set at \$200,000 for his Executive Chairman role based on an expected 50% required effort as compared to the Chief Executive Officer and President. In addition, Dr. Tewksbury was granted RSUs with a value of \$100,000 on January 3, 2017 based on a 30-day average stock price. Upon his appointment as Chairman, Chief Executive Officer and President of the Company, Dr. Tewksbury's salary was increased to \$450,000. Dr. Tewksbury is eligible to receive an annual bonus with a target payout of 100% of his base salary, based on the Company's financial performance and his individual performance and continued employment and, on February 27, 2017, he received stock options and RSUs having a total grant date value of approximately \$450,000, with 50% of the awards in RSUs (based on a 30-day average stock price) and stock options equal to 1.5 times the number of RSUs.

Mr. White's salary as Chief Financial Officer was set at \$315,000. Mr. White was also eligible to receive an annual bonus with a target payout of 65% of his base salary, based on the Company's financial performance and his individual performance. Mr. White's 2017 bonus was guaranteed to be a minimum of \$150,000, provided that he remained employed with the Company through the date the bonus is paid. In addition, on January 3, 2017, Mr. White was granted stock options and RSUs having a total value of approximately \$315,000, with 50% of the awards in RSUs (based on a 30-day average stock price) and stock options equal to 1.5 times the number of RSUs. Mr. White resigned from the Company on March 17, 2017 and his eligibility for any bonus and his equity awards terminated.

On March 16, 2017, the Board of Directors appointed Michael H. Port, then the Company's Corporate Controller, as Chief Financial Officer and Secretary. Mr. Port's salary was set at \$250,000 and he is eligible to receive an annual bonus with a target payout of 50% of his base salary, based on the Company's financial performance and his individual performance. In addition, Mr. Port was granted RSUs with a value of \$65,000 (based on a 30-day average stock price) and stock options equal to 1.5 times the number of RSUs.

Base salary

The Committee seeks to establish executive officer base salary levels that are competitive with the median amounts paid to executives performing similar functions within the Company's peer group. The Committee also takes into account a number of largely subjective factors, including changes in the individual's duties and responsibilities, the personal performance of such executive officer, the performance of the Company, cost-of-living increases, and such other factors as the Committee deems appropriate, including the individual's overall mix between fixed and variable compensation and between cash and stock-based compensation.

Cash incentive plan

Effective January 1, 2017, an Executive Bonus Plan (the "Plan") was established, based on the Compensation Committee's recommendation to the Board of Directors, for executive management under which the executive officers are each eligible for a cash incentive payment. For 2017, the Board of Directors set the potential payments at up to the following percentages of such executive's 2017 salary, with the final amounts payable to be determined by the Board of Directors based upon the financial results of 2017 with respect to the metrics and percentages described below:

Incentive Payment as a %
of Base Salary (1)
Minimum Target Maximum

Chief Executive Officer	50%	100%	150%
Chief Financial Officer	25%	50%	100%

(1) Based on the annual salary rate for the year.

Subject to the terms of the Plan, distribution of the bonus is based on Company Performance and Individual Performance as a percent of total bonus:

Company Performance Individual Performance (1)

Chief Executive Officer	70% of bonus	30% of bonus
Chief Financial Officer	70% of bonus	30% of bonus

The Individual Performance measures will be specific financial or non-financial Company objectives approved by the Compensation Committee or the Board for the applicable Plan year. In the event that the Company does not reach the “Minimum” performance for any of the applicable Company Performance metrics, no bonuses will be payable with respect to the Individual Performance component, irrespective of the objectives achieved. In addition, the Board or the Compensation Committee may, in its sole discretion, adjust amounts payable to any participant downward or upward to reflect such considerations as it may in its sole discretion deem to be appropriate.

For the Plan Year beginning on January 1, 2017, Company Performance was based on two components - Total Company Net Revenue (“Net Revenue”) and Total Adjusted EBITDA (Adjusted Earnings before Interest, Taxes, Depreciation and Amortization and adjusted to exclude non-cash items, such as stock-based compensation) (“Adjusted EBITDA”) as reported in or, in the case of Adjusted EBITDA, calculated from the Company’s annual form 10-K as filed with the Securities Exchange Commission.

The portion of a participant’s 2017 bonus based on Company Performance was allocated between each metric as set forth below (in each case, subject to the applicable payout percentage for achieving the Minimum, Target and Maximum levels as set forth above):

	Net Revenue	Adjusted EBITDA
Chief Executive Officer	70%	30%
Chief Financial Officer	70%	30%

The Company Performance metrics are calculated by reference to amounts in the Company’s audited financial statements, to the extent applicable, with such adjustments thereto as may be approved by the Compensation Committee. Individual Performance is measured based on the objective and subjective achievement, as determined by the Compensation Committee, of the key performance indicators for such participant.

The incentive payment levels listed above were payable based on the achievement of the following financial performance metrics for 2017:

	Minimum	Target	Maximum
Net Revenue	\$26.889M	\$30.718M	\$37.020M
Adjusted EBITDA	\$(3.890)M	\$(1.766)M	\$(1.601)M

The Company did not achieve the Minimum Net Revenue or the Minimum Adjusted EBITDA, therefore, no bonuses were paid to Dr. Tewksbury or Mr. Port for 2017. Mr. Tu and Mr. White forfeited their participation in the Plan upon their separation date from the Company.

Discretionary bonuses

The Committee may from time to time award a discretionary annual cash bonus to executive officers, in the amounts and based on the factors determined by the Committee. The bonus awards may be based on an executive officer’s individual performance or on the overall success of the Company, or both.

No discretionary bonuses were awarded to the Named Executive Officers in 2017. Mr. Port received a discretionary bonus of \$35,000 with respect to his service as Interim Chief Financial Officer during 2016.

Stock awards and other stock-based awards

The Committee believes that employee equity ownership provides significant motivation to executive officers to maximize value for the Company’s stockholders and, therefore; periodically grants time-based stock options and RSUs under the Company’s 2014 Stock Incentive Plan, as amended (the “Plan”) at the then current market price.

The Committee grants, or recommends to the Board to grant, options and/or RSUs to executive officers, typically after consideration of recommendations from the Chief Executive Officer. Recommendations for equity awards are based upon the relative position, responsibilities, and previous and expected contributions of each officer, previous equity award grants to such officers and customary levels of equity award grants for the respective position in other comparable companies. The exercise price for stock options is equal to the fair market value of our Common Stock on the grant date. Stock options generally vest over a three-year period with 33% vesting one year from the date of grant and the remaining 67% vesting equally on a monthly basis over the remaining 24 months. Options expire 10 years from the date of grant. RSUs generally vest

over a three-year period with 33% vesting one year from the grant date, 33% vesting two years from the grant date, and the remaining 34% vesting three years from the grant date.

Under the 2014 Plan, upon a Change of Control (as defined in such plan) all outstanding unvested stock options become fully vested and exercisable if not assumed, or substituted with a new award, by the successor to the Company and, if such awards are assumed or substituted by the successor to the Company, they become fully exercisable and vested if the option holder's employment is terminated (other than a termination for cause) within two years following a Change of Control. If an option holder's employment is terminated within two years after a Change of Control for any reason other than death, retirement, disability or termination for cause, each outstanding stock option that is vested following such termination will remain exercisable until the earlier of the third anniversary of termination or the expiration of the term of the stock option. In addition, executive officers who are designated for participation under the Change in Control Benefit Plan described below, are eligible for vesting of all outstanding equity awards upon a qualifying termination following a Change in Control.

In addition to the annual grants, on August 16, 2016, Mr. Port received a grant of 5,000 RSUs in connection with his appointment as the Interim Chief Financial Officer from August 16, 2016 until December 12, 2016. Mr. Port also received 19,307 RSUs and 28,961 stock options in connection with his appointment as Chief Financial Officer upon Mr. White's departure in March 2017, which were granted on April 3, 2017.

Dr. Tewksbury was awarded 20,621 RSUs in connection with joining the Company in December 2016, which were granted on January 3, 2017, and an additional 49,443 RSUs and 74,165 stock options in connection with becoming Chairman, Chief Executive Officer and President in February 2017, which were granted on February 27, 2017.

Mr. White was awarded 32,479 RSUs and 48,719 stock options in connection with joining the Company in December 2016, which were granted on January 3, 2017. Mr. White's awards were forfeited upon his departure from the Company.

Change in Control Benefit Plan

On February 19, 2017, we established a Change in Control Benefit Plan to provide for the payment of certain benefits to selected eligible employees and directors of the Company. A Change in Control is defined in the same manner as under the 2014 Plan and includes any one or more of the following events summarized below:

any "person" becomes the beneficial owner, directly or indirectly, of 50% or more of the total voting power of the voting securities of the Company then outstanding and entitled to vote generally in the election of directors of the Company;

individuals who, as of the beginning of any 24 month period, constitute the Board cease for any reason during such 24 month period to constitute at least a majority of the Board or

consummation of (A) a merger, consolidation or reorganization of the Company, in each case, following such merger, consolidation or reorganization, beneficially own, directly or indirectly, at least 35% of the combined voting power of the then outstanding voting securities entitled to vote generally in the election of directors of the entity or entities resulting from such merger, consolidation or reorganization, (B) a complete liquidation or dissolution of the Company, or (C) a sale or other disposition of all or substantially all of the assets of the Company.

The Company entered into Change in Control participation agreements with Dr. Tewksbury and Mr. White on February 19, 2017 (which terminated upon Mr. White's departure) and with Mr. Port on March 21, 2017. The Change in Control participation agreement provides for a lump sum payment equal to one times annual base salary and target bonus, accelerated vesting of stock awards, and continuation of group health plan benefits for 12 months if the participant's employment is involuntarily terminated within 24 months of a Change in Control.

Section 162(m)

Section 162(m) of the Internal Revenue Code ("IRC Sec. 162(m)") generally disallows a tax deduction to public corporations for compensation in excess of \$1 million paid to a company's Chief Executive Officer, or to any of the company's other three most highly compensated executive officers (other than the Chief Financial Officer), for any fiscal year. Generally, for compensation prior to 2018, IRC Sec. 162(m) exempted qualifying performance-based compensation from the deduction limit if certain conditions were met. In determining base salary, benefits, perquisites and other compensation, the Committee considers tax deductibility. However, a more important goal of the Committee is to offer compensation that is competitive within our peer group.

Employment Agreements with Named Executive Officers

We did not have employment agreements with any of our Named Executive Officers.

DIRECTOR COMPENSATION

We use a combination of cash and stock-based awards to attract and retain qualified candidates to serve on our Board. In setting director compensation, the Board considers the significant amount of time that directors expend in fulfilling their duties, the skill level required, and the compensation of Board members at comparable companies.

The following table sets forth the annual cash and stock-based compensation for non-employee directors for 2017:

Annual Cash Retainer	\$32,500
Restricted Stock Unit Grant	\$45,000 (1)
Additional Annual Cash Retainers:

Audit and Finance Committee Member	\$7,000
Nominating and Corporate Governance Committee Chair	\$9,000
Nominating and Corporate Governance Committee Member	\$4,000

Restricted stock unit grant on the date of the Company's annual meeting of stockholders having a value as stated above based on the fair market value of the Common Stock on such date, and vesting on the earlier of (i) the one year anniversary of the grant date or (ii) the date of the Company's annual meeting of stockholders next following (1) the grant date. On June 21, 2017, each of the non-employee directors received a restricted stock unit grant of 18,443 shares, which will vest on June 20, 2018. In February 2017, the Board adopted a Change in Control Benefit Plan, which provides for full vesting of RSUs held by non-employee directors upon a Change in Control (as defined in such plan).

The Board, at its discretion, may grant options or other equity awards to newly elected directors and additional grants to other directors.

The following table summarizes the total compensation paid to non-employee directors for the year ended December 31, 2017:
