CERTAIN TRANSACTIONS

TRANSACTIONS WITH MANAGEMENT AND OTHERS

Except as set forth hereafter, there have been no material transactions, series of similar transactions or currently proposed transactions during 2002, to which the Company or any of its subsidiaries was or is to be a party, in which the amount involved exceeds \$60,000 and in which any director or executive officer or any security holder who is known to the Company to own of record or beneficially more than 5% of the Company's common stock, or any member of the immediate family of any of the foregoing persons, had a material interest.

Edgar Filing: TENGASCO INC - Form DEF 14A

On January 21, 2002 and April 9, 2002, Bill L. Harbert, who owns more than ten percent of the Company's outstanding Common Stock and is now a Director of the Company, but was not at that time, in two private placements purchased 100,000 shares of the Company's common stock on each of those dates, at prices of \$6.32 and \$4.80 per share, respectively. The proceeds from those private placements were used as working capital to fund the Company's day to day operations.

On October 7, 2002, Dolphin Offshore Partners, L.P. ("Dolphin") which owns more than ten percent of the Company's outstanding Common Stock and whose general partner, Peter E. Salas, is a Director of the Company, in consideration of a loan to the Company was issued an unsecured convertible promissory note by the Company in the principal amount of \$500,000 bearing 8% interest, with payments of interest only payable quarterly and the principal payable January 4, 2004. The principal amount of the note is convertible into Common Stock of the Company at the rate of \$2.88 per share. The proceeds from this note were used to provide working capital for the Company's operations.

In August 2002, Dolphin purchased 650,000 shares of the Company's Common Stock in an open market transaction. In connection with that purchase, Dolphin entered into an agreement which was later amended on October 11, 2002 with Industrial Resources Corporation ("IRC"), which owns more than ten percent of the Company's outstanding Common Stock and whose sole shareholder and President, Malcolm E. Ratliff, was at the time of this transaction the Company's Chief Executive Officer and a Director of the Company. Pursuant to that agreement, Dolphin granted IRC an option commencing on April 11, 2003 and expiring on May 12, 2003 to purchase up to 373,900 shares of the Company's Common Stock that had been purchased by Dolphin at a price of \$2.386 per share, and if the option is not exercised during the option period IRC is then required to purchase from Dolphin the same number shares that had been the subject of the option at price of \$2.495 per share. The Company is not a party to the agreement between IRC and Dolphin concerning shares of the Company owned by Dolphin, and there is no effect upon the Company based in any way upon the performance or nonperformance of that agreement.

19

On December 4, 2002, Dolphin loaned the Company the sum of \$250,000 which funds were used to pay the principal and interest due that month from the Company to Bank One and to provide working capital for the Company. The Company issued a promissory note to Dolphin bearing interest at the rate of 12% per annum, with payments of interest only payable quarterly and the principal balance payable on January 4, 2004.

On January 8, 2003, Bill L. Harbert, a Director of the Company, purchased 227,275 shares of the Company's Common Stock from the Company in a private placement at a price of \$1.10 per share. The proceeds from this sale were used by the Company to pay the principal and interest due to Bank One for January, 2003 and to provide working capital for the Company's operations.

On February 3, 2003 and February 28, 2003, Dolphin loaned the Company the sum of \$250,000 on each such date which the Company used to pay the principal and interest due to Bank One for February and March 2003 and for working capital. Each of these loans is evidenced by a separate promissory note each bearing interest at the rate of 12% per annum, with payments of interest only payable quarterly and the principal balance payable on January 4, 2004.

Each of the three loans made by Dolphin set forth above are secured by an undivided 10% interest in the Company's Tennessee and Kansas pipelines.

BOARD RECOMMENDATION AND VOTE REQUIRED

For Proposal No. 1 regarding the election of directors, votes may be cast in favor of all nominees, may be withheld with regard to all nominees or may be withheld only with regard to nominees specified by the stockholder. Directors will be elected by a plurality of the votes of the shares of the Company's common stock present in person or represented by proxy, and entitled to vote on the election of directors at a meeting at which a quorum is present.

Edgar Filing: TENGASCO INC - Form DEF 14A

Abstentions are tabulated in determining the votes present at a meeting. Consequently, an abstention has the same effect as a vote against a director nominee, as each abstention would be one less vote in favor of a director nominee. The Board of Directors recommends that stockholders vote "FOR" the Nominees set forth above. Unless marked to the contrary, proxies received will be voted FOR the Nominees set forth above.

PROPOSAL NO. 2

RATIFICATION OF SELECTION OF BDO SEIDMAN, LLP AS INDEPENDENT AUDITORS

The Board of Directors has selected the firm of BDO Seidman, LLP, independent certified public accountants, to audit the accounts for the Company for fiscal year ending December 31, 2003 ("Fiscal 2003"). The firm of BDO Seidman, LLP has audited the Company's financial statements for the past six (6) fiscal years. The Company is advised that neither BDO Seidman, LLP nor any of its partners has any material direct or indirect relationship with the Company. The Board of Directors considers BDO Seidman, LLP to be well qualified for the function of serving as the Company's auditors. Tennessee law does not require the approval of the selection of auditors by the Company's stockholders, but in view of the importance of the financial statements to stockholders, the Board of Directors deems it desirable that they pass upon its selection of auditors. In the event the stockholders disapprove of the selection, the Board of Directors will consider the selection of other auditors.

AUDIT AND NON-AUDIT FEES

AUDIT FEES

The aggregate fees billed by BDO Seidman LLP for professional services rendered for the audit of the Company's annual financial statements for fiscal year 2002 and the

22

reviews of the financial statements included in the Company's Forms 10-Q and Form 10-K for the year ending December 31, 2002 was approximately \$110,000. None of the hours expended on the engagement to audit the Company's financial statements for fiscal year 2002 were attributed to work performed by persons other than BDO Seidman LLP's full-time, permanent employees.

FINANCIAL INFORMATION SYSTEMS DESIGN AND IMPLEMENTATION FEES

No fees were billed for professional services rendered for information technology services related to financial information systems design and implementation by BDO Seidman LLP for fiscal year 2002.

ALL OTHER FEES

The aggregate fees billed for services rendered by BDO Seidman LLP other than for the services described above, including tax consulting, permitted internal audit outsourcing and other non-audit services, for fiscal year 2002 was approximately \$3,000. No other fees were paid to BDO Seidman LLP during fiscal year 2002. Upon consideration, the Audit Committee determined that the provision of the services other than the audit services is compatible with maintaining BDO Seidman LLP's independence.

BOARD RECOMMENDATION AND VOTE REQUIRED

Edgar Filing: TENGASCO INC - Form DEF 14A

The Board of Directors recommends that you vote in favor of the above proposal in view of the quality of the services provided by BDO Seidman, LLP, its outstanding reputation as a leading audit firm and its familiarity with the Company's financial and other affairs due to its previous service as auditors for the Company.

A representative of BDO Seidman, LLP is expected to be present at the Annual Meeting with the opportunity to make a statement if he desires to do so, and is expected to be available to respond to appropriate questions.

Ratification will require the affirmative vote of a majority of the shares present and voting at the meeting in person or by proxy. In the event ratification is not provided, the Board of Directors will review its future selection of the Company's independent auditors.

Unless otherwise directed by the stockholder giving the proxy, the proxy will be voted for the ratification of the selection by the Board of Directors of BDO Seidman, LLP as the Company's independent certified public accountants for Fiscal 2002. Shares voted as abstaining will count as votes cast. Accordingly, an abstention from voting by a stockholder present in person or by proxy at the meeting has the same legal effect as a vote "against" Proposal No. 2 because it represents a share present or represented at the

23

meeting and entitled to vote, thereby increasing the number of affirmative votes required to approve this proposal.

STOCKHOLDERS' PROPOSALS

Proposals of stockholders intended to be presented at the Company's next annual meeting must be received in writing by the President of the Company at its offices by January 15, 2004 in order to be considered for inclusion in the Company's proxy statement relating to that meeting.
