PROXY STATEMENT

This Proxy Statement is furnished by the Board of Directors and management of Checkers Drive-In Restaurants, Inc. (the "Company") in connection with the solicitation of proxies to be voted at the Company's 2002 Annual Meeting of Stockholders, which will be held on May 29, 2002 at 9:00 a.m., at the Tampa Westshore Marriott located at 1001 North Westshore Boulevard, Tampa, Florida (the "Meeting").

Any proxy delivered pursuant to this solicitation may be revoked, at the option of the person executing the proxy, at any time before it is exercised by delivering a signed revocation to the Company, by submitting a later-dated proxy, or by attending the Meeting in person and casting a ballot. If proxies are signed and returned without voting instructions, the shares represented by the proxies will be voted as recommended by the Board of Directors.

The close of business on April 15, 2002, has been designated as the record date for the determination of stockholders entitled to receive notice of and to vote at the Meeting ("Stockholders"). As of February 25, 2002, 10,933,069 shares of the Company's Common Stock, par value \$.001 per share (the "Common Stock") were outstanding. Each Stockholder will be entitled to one vote for each share of Common Stock registered in his or her name on the books of the Company as of the close of business on April 15, 2002, on all matters that come before the Meeting.

The affirmative vote of the majority of the votes cast at the Meeting will be required for the election of Directors. A properly executed proxy marked "WITHHOLD AUTHORITY" with respect to the election of one or more Directors will

Edgar Filing: CHECKERS DRIVE IN RESTAURANTS INC /DE - Form DEF 14A

not be treated as voted with respect to the Directors indicated, although it will be counted for purposes of determining whether there is a quorum. For each other item to be acted upon at the Meeting, the affirmative vote of the holders of a majority of the shares of Common Stock represented in person or by proxy at the meeting and entitled to vote on the item will be required for approval. A properly executed proxy marked "ABSTAIN," although counted for purposes of determining whether there is a quorum, will not be voted. Accordingly, an abstention will have the same effect as a vote cast against such other matters.

In accordance with the rules of the NASDAQ National Market, brokers and nominees may be precluded from exercising their voting discretion with respect to certain matters to be acted upon (e.g., any proposal which would substantially affect the rights or privileged of the Common Stock) and thus, in the absence of specific instructions from the beneficial owner of shares, will not be empowered to vote the shares on such matters. If a broker indicated that it does not have discretionary authority as to certain shares to vote on a particular matter, such shares will not be considered as present and entitled to vote with respect to that matter. Shares represented by such broker non-votes will, however, be counted for purposes of determining whether there is a quorum.

The cost of soliciting proxies will be borne by the Company. In addition to the use of the mails, proxies may be solicited personally or by telephone by regular employees of the Company. The Company does not expect to pay any compensation for the solicitation of proxies, but may reimburse brokers and other persons holding stock in their names, or in the names of nominees, for their expense in sending proxy materials to their principals and obtaining their proxies. The approximate date on which this Proxy Statement and enclosed form of proxy has been first mailed to stockholders is May 2, 2002.

ELECTION OF DIRECTORS

There are currently nine seats on the Board of Directors, with no vacancies. The Board is divided into three classes of Directors serving staggered three-year terms. Directors hold their positions until the annual meeting of stockholders in the year in which their term expires and until their respective successors are elected and qualified or until their earlier resignation, removal from office or death. The terms of office of two of the Company's Directors, William P. Foley, II and Clarence V. McKee, will expire at the Meeting. The Board of Directors has determined, pursuant to the authority granted to it in the Certificate of Incorporation, to reduce, at this time, the number of seats on the Board of Directors from nine to seven, effective as of the date of the Meeting. The Company's Certificate of Incorporation requires that the Board of Directors be divided into three classes, each class consisting, as nearly as possible, of one-third of the total number of directors. Accordingly, to comply with the staggered term requirement, two of the four members whose terms expire at the annual meeting in 2004 are running for election until the annual meeting in 2005, resulting in one class of three directors whose terms expire in 2003, a second class of two directors whose terms expire in 2004, and a third class of two directors whose terms expire in 2005. The Board of Directors unanimously recommends that you vote "FOR" the election of Messrs. O'Hara and Dorsch as Directors, to hold office until the Company's annual meeting in 2005 and until their successors shall be duly elected and qualified or until their earlier resignation, removal from office or death. See "Management--Directors and Executive Officers" and Security Ownership of Management and Others" for further information on each nominee. Stockholders may vote for up to two nominees. Stockholders may not vote cumulatively in the election of Directors.

The Audit Committee recommends the appointment of the independent auditors of the Company, discusses and reviews the scope and fees of the prospective annual audit and reviews the results thereof with the independent auditors, reviews and approves non-audit services of the independent auditors, reviews compliance with existing major accounting and financial policies of the Company, reviews the adequacy of the financial organization of the Company, reviews management's procedures and policies relative to the adequacy of the Company's internal accounting controls and compliance with federal and state laws relating to accounting practices, and reviews and approves (with the concurrence of the majority of the disinterested Directors of the Company) transactions, if any, with affiliated parties. Its principal function is to make recommendations to the Board of Directors with respect to compensation and benefits to be paid to officers, and perform other duties prescribed by the Board with respect to employee stock plans and benefit programs.

During 2001, the Nomination Committee consisted of Peter C. O'Hara, William P. Foley, II and Willie D. Davis. During the 2001, the committee held one meeting. The Nomination Committee proposes a slate of directors for election by the shareholders at each annual meeting, and candidates to fill vacancies on the Board of Directors. The Nomination Committee will consider written recommendations from stockholders for nominations to the Board of Directors in accordance with the procedures set forth in the By-Laws of the Company. See "Stockholder proposals for presentation at the 2003 Annual Meeting."

Employment Agreements

Effective November 20, 2000, we entered into an employment agreement with Daniel J. Dorsch, pursuant to which Mr. Dorsch serves as our Chief Executive Officer and as a Director. This agreement amended the 1999 employment agreement that we entered into with Mr. Dorsch. Under the terms of the November, 2000 employment agreement, we loaned \$100,000 to Mr. Dorsch towards the exercise of the 100,000 stock options granted to him pursuant to the 1999 employment agreement at an exercise price of \$1.28 per share. The loan, which bears interest at 5%, is payable by Mr. Dorsch in three equal principal installments, beginning on January 1, 2002. Mr. Dorsch's term of employment is for three years, subject to renewal by us for one-year periods thereafter, at an annual base salary of \$440,000. In each successive year of the term, the base salary

shall be increased by 5% over the prior year's base salary. Mr. Dorsch is also entitled to participate in our incentive bonus plans whereby Mr. Dorsch may be entitled to receive a bonus of up to 50% of his base salary, payable 50% in cash and 50% in our common stock. Mr. Dorsch is also entitled to participate in our benefit plans. Upon execution of the November, 2000 employment agreement, Mr. Dorsch was granted an option to purchase 400,000 shares of our common stock, which shall fully vest on November 20, 2003. Mr. Dorsch may be terminated at any time for cause. If Mr. Dorsch is terminated without cause, he will be entitled to receive his base annual salary, and any earned unpaid bonus, through the unexpired terms of the agreement, payable in a lump sum or as directed by Mr. Dorsch. Cause is defined as (i) a material default or breach under the agreement, (ii) the willful and habitual failure to perform duties under the agreement or corporate policies, or (iii) misconduct, dishonesty, insubordination or other act that has a direct substantial and adverse effect on our reputation or our relationships with our customers or employees.

Transactions with Management and Others

Pursuant to our current employment agreement with Mr. Dorsch, the Company accepted a \$100,000 note on December 14, 2000 in connection with the exercise of 100,000 stock options. The Company will receive 3 equal annual payments on January 1, beginning in 2002. Interest on the unpaid principal portion accumulates at a rate of 5% per annum.

On July 1, 1996, the Company entered into a ten-year operating agreement with Carl Karcher Enterprises, Inc., the subsidiary of CKE that operates the Carl's Jr. restaurant chain. Pursuant to the agreement, CKE began operating 29 Rally's owned restaurants located in California and Arizona, two of which were converted to a Carl's Jr. format. Including closures from prior periods, there were 23 remaining restaurants as of July 3, 2001, when we repossessed and began operating 21 of the 23 restaurants. CKE continues to operate the two converted to the Carl's Jr. format. During fiscal year 2001, the Company collected \$333,000 from CKE related to this agreement. The original agreement was approved by a majority of the independent Directors of the Company. Prior to the agreement, the Company's independent Directors had received an opinion as to the fairness of the agreement, from a financial point of view, from an investment banking firm of national standing.

REPORT OF THE AUDIT COMMITTEE

The following Report of the Audit Committee does not constitute soliciting material and should not be deemed filed or incorporated by reference into any other Company filing under the Securities Act of 1933 or the Securities Exchange Act of 1934, except to the extent the Company specifically incorporates this Report by reference therein.

As set forth in more detail in the charter, the Audit Committee's primary responsibilities fall into three (3) broad categories:

First, the Committee is charged with monitoring the preparation of quarterly and annual financial reports by the Company's management, including discussions with management and the Company's independent auditors about its annual financial statements and key accounting and reporting matters;

Second, the Committee is responsible for matters concerning the relationship between the Company and its independent auditors, including recommending their appointment or removal; reviewing the scope of their audit services and related fees, as well as any other services being provided to the Company; and determining whether the independent auditors are independent (based in part on the annual letter provided to the Company pursuant to Independence Standards Board Standard No. 1); and

Third, the Committee oversees management's implementation of effective systems of internal controls, including review of policies relating to legal and regulatory compliance, ethics and conflicts of interests; and review of the activities and recommendations of the Company's internal auditing program.

The Committee has implemented procedures to ensure that during the course of each fiscal year it devotes the attention that it deems necessary or appropriate to each of the matters assigned to it under the Committee's charter. To carry out its responsibilities, the Committee met four times during fiscal year 2001.

In overseeing the preparation of the Company's financial statements, the Committee met with both management and the Company's independent auditors to review and discuss the financial statements prior to their issuance and to discuss significant accounting and reporting matters. Management advised the Committee that the financial statements were prepared in accordance with accounting principles generally accepted in the United States of America, and the Committee discussed the statements with both management and the independent auditors. The Committee's review included discussion with the independent auditors of matters required to be discussed pursuant to Statement on Auditing Standards No. 61 (Communication With Audit Committees), as amended.

With respect to the Company's independent auditors, the Committee, among other things, discussed with KPMG LLP matters relating to its independence, including the disclosures made to the Committee as required by the Independence Standards Board Standard No. 1 (Independence Discussions With Audit Committees).

On the basis of these reviews and discussions, the Committee recommended to the Board of Directors that the Board approve the inclusion of the Company's audited consolidated financial statements in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2001, for filing with the Securities and Exchange Commission.

REPORT OF THE COMPENSATION COMMITTEE

The following Report was prepared by the members of our compensation committee at the end of fiscal year 2001.

Annual compensation for all of our executive officers is determined by the compensation committee of our Board of Directors, subject to the terms of any applicable employment agreement negotiated between us and an executive officer. During fiscal year 2001, annual compensation was set with the intent of reasonably compensating the executive officers including the Chief Executive Officer, in line with industry norms, based upon the committee members' subjective evaluation of each officer and his respective assigned responsibilities and individual performance. The committee also considered growth of the company, earnings of the company and increases in the cost of living.

During fiscal year 2001, awards of stock options under our 1991 Stock Option Plan to all executive officers, excluding the Chief Executive Officer, were made at the discretion of the members of the committee pursuant to the terms of the plan. In determining awards under the plan, the committee makes a subjective evaluation of individual responsibilities, past and anticipated potential individual productivity and performance and past and anticipated contributions to the profitability of the company, both direct and indirect. The committee does not give particular weight to a specific factor or use a formula in determining awards under the plan. While not required under the terms of the plan, all existing stock options were granted with an exercise price at least equal to the market value of the stock at the time of the grant and generally include vesting periods which the committee believed would

Edgar Filing: CHECKERS DRIVE IN RESTAURANTS INC /DE - Form DEF 14A

encourage the employee to remain with the company. The benefits derived from each stock option granted under the plan is directly attributable to a future increase in the value of the company's common stock.

We are required to disclose our policy regarding qualifying executive compensation deductibility under Section 162(m) of the Internal Revenue Code of 1986, as amended, which provides that, for the purposes of the regular income tax and the alternative minimum tax, the otherwise allowable deduction for compensation paid or accrued with respect to a covered employee of a public corporation is limited to no more than \$1 million per year. It is not expected that the compensation to be paid to our executive officers for fiscal year 2001 will exceed the \$1 million limit per officer. Our 1991 and successor 2001 Stock Option Plans were structured so that any compensation deemed paid to an executive officer when he exercises an outstanding option under the plan with an exercise price equal to the fair market value of the option shares on the grant date, will qualify as performance-based compensation that will not be subject to the \$1 million limitation.
