PLAN OF DISTRIBUTION

We have entered into a terms agreement, dated as of November 21, 2002, with the Underwriters named below for whom J.P. Morgan Securities Inc. and Salomon Smith Barney Inc. are acting as representatives. Subject to the terms and conditions set forth in the terms agreement, we have agreed to sell to each of the underwriters, and each of the underwriters has severally agreed to purchase, the principal amount of the notes set forth opposite its name below:

UNDERWRITERS OF NOTES -----	PRINCIPAL AMOUNT -----
J.P. Morgan Securities Inc.	\$320,000,000
Salomon Smith Barney Inc.	320,000,000
ABN AMRO Incorporated.....	40,000,000

Edgar Filing: CIT GROUP INC - Form 424B3

BNP Paribas Securities Corp.	40,000,000
Goldman, Sachs & Co.	40,000,000
UBS Warburg LLC.....	40,000,000

Total.....	\$800,000,000

We have been advised by the Underwriters that they propose initially to offer the notes to the public at the public offering prices set forth on the cover page of this pricing supplement, and to certain dealers at a price less a concession not in excess of 0.20% of the principal amount of the notes. The Underwriters may allow, and these dealers may reallocate, a concession to certain other dealers not in excess of 0.10% of the principal amount of the notes. After the initial public offering, the public offering price and these concessions may be changed from time to time.

Although application has been made to list the notes on the Luxembourg Stock Exchange, the notes are a new issue of securities with no established trading market. The Underwriters have advised us that they intend to make a market in the notes, but the Underwriters are not obligated to do so and may discontinue any market making at any time without notice. The trading market for the notes may not be liquid.

The terms agreement provides that the obligations of the Underwriters are subject to certain conditions precedent and that the Underwriters will purchase all the notes if any are purchased.

In connection with this offering, some or all of the Underwriters and their respective affiliates may engage in transactions that stabilize, maintain, or otherwise affect the market price of the notes. Those transactions may include stabilization transactions effected in accordance with Rule 104 of Regulation M under the Securities Exchange Act of 1934, pursuant to which those Underwriters and affiliates may bid for or purchase notes for the purpose of stabilizing the market price. The Underwriters also may create a short position for the account of the Underwriters by selling more notes in connection with this offering than they are committed to purchase from us. In that case, the Underwriters may purchase notes in the open market following completion of this offering to cover their short position. Any of the transactions described in this paragraph may result in the maintenance of the price of the notes at a level above that which might otherwise prevail in the open market. None of the transactions described in this paragraph is required, and, if they are undertaken, they may be discontinued at any time.

Some or all of the Underwriters or their affiliates have provided and will in the future continue to provide banking and/or other financial services to CIT and its subsidiaries.

The terms agreement provides that CIT will indemnify the Underwriters against certain liabilities, including liabilities under the Securities Act of 1933, or contribute to payments the Underwriters may be required to make in respect thereof.
