5.50% Convertible Senior Subordinated Notes due 2008 and Shares of Common Stock Issuable upon Conversion of the Notes

This prospectus supplement supplements the prospectus dated January 24, 2002 of Regeneron Pharmaceuticals, Inc. relating to the sale by certain of our securityholders (including their pledges, donees, assignees, transferees, successors and others who later hold any of the securityholders' interests) of up to \$200,000,000 principal amount at maturity of notes and the shares of common stock issuable upon conversion of the notes. You should read this prospectus supplement in conjunction with the prospectus, and this prospectus supplement is qualified by reference to the prospectus, except to the extent that the information in this prospectus supplement supersedes the information contained in the prospectus.

The table of selling securityholders contained in the prospectus is hereby modified to add as follows:

Name	Aggregate Principal		Number of Shares	Percentage of
	Amount at	Percentage of	of Common Stock	Shares of
	Maturity of Notes	Notes	that may	Common Stock

JP Morgan				
Securities, Inc.	1,505,000	*	49,750	*

- * Less than one percent (1%).
- (1) Assumes conversion of all of the holder's notes at a conversion rate of 33.0565 shares of common stock per \$1,000 principal amount at maturity of the notes. This conversion rate is subject to adjustment, however, as described under "Description of the Notes Conversion of the Notes." As a result, the number of shares of common stock issuable upon conversion of the notes may increase or decrease in the future.
- (2) Calculated based on Rule 13d-3(d)(i) of the Exchange Act, using 43,826,969 shares of common stock outstanding as of December 31, 2001. In calculating this amount for each holder, we treated as outstanding the number of shares of common stock issuable upon conversion of all that holder's notes, but we did not assume conversion of any other holder's notes.

Investing in the notes or shares of common stock involves risks that are described in the "Risk Factors" section beginning on page 5 of the prospectus.
