REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To the Advisory Committee of the
Baldwin Technology Profit Sharing and Savings Plan
Shelton, Connecticut

We have audited the accompanying statements of net assets available for benefits of Baldwin Technology Profit Sharing and Savings Plan (the "Plan") as of December 31, 2005 and 2004, and the related statement of changes in net assets available for benefits for the year ended December 31, 2005. These financial statements are the responsibility of the Plan's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with the auditing standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of Baldwin Technology Profit Sharing and Savings Plan as of December 31, 2005 and 2004, and the changes in net assets available for benefits for the year ended December 31, 2005, in conformity with generally accepted accounting principles.

Our audit was made for the purpose of forming an opinion on the basic financial statements taken as a whole. The supplemental schedule of assets held for investment purposes as of December 31, 2005, is presented for the purpose of additional analysis and is not a required part of the basic financial statements, but is supplementary information required by the United States Department of Labor Rules and Regulations for Reporting and Disclosure under the

Edgar Filing: BALDWIN TECHNOLOGY CO INC - Form 11-K

Employee Retirement Income Security Act of 1974. This supplemental schedule is the responsibility of the Plan's management. The supplemental schedule has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

BALDWIN TECHNOLOGY PROFIT SHARING AND SAVINGS PLAN NOTES TO FINANCIAL STATEMENTS

NOTE 1 - DESCRIPTION OF THE PLAN

The following brief description of the Baldwin Technology Profit Sharing and

Edgar Filing: BALDWIN TECHNOLOGY CO INC - Form 11-K

Savings Plan (the "Plan" or the "Baldwin Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"), as amended, and is available to substantially all domestic employees of Baldwin Technology Company, Inc. (the "Company").

Eligibility

All full time and part time employees of the Company are eligible to participate on his/her first day of employment.

Plan Amendment

Plan sponsors were required to amend their plans to comply with the Involuntary Distribution Rollover requirements as outlined in section 401(a)(31)(B) of the Internal Revenue Code of 1986, as amended (the "Code") by December 31, 2005. The Baldwin Plan was amended on March 28, 2005 to conform with the Involuntary Distribution Rollover Amendment as required by the Code.

Contributions

Each participant may elect to defer from 1% to 20% of their compensation, up to the Annual Compensation Limit as defined by the Internal Revenue Code ("IRC"), on both a tax-deferred and taxable basis into one or a combination of funds. Pursuant to the Tax Reform Act of 1986 as amended, the maximum tax-deferred contribution an employee may make for the year ended December 31, 2005 was \$14,000. Pursuant to the Economic Growth and Tax Relief Reconciliation Act of 2001 ("EGTRRA"), participants age 50 and over may make an additional tax-deferred catch-up contribution of \$4,000 for the year ended December 31, 2005.

Effective January 1, 2002, the Company began making matching contributions equal to 100% of the participant's elective deferrals up to 3% of eligible compensation, plus 50% of the participant's elective deferrals greater than 3% of eligible compensation, but not more than 5% of eligible compensation ("Safe Harbor Contributions") quarterly for each participant. The Company may also contribute an amount as the Board of Directors, in its absolute discretion, may determine (the "Discretionary Contributions"). Company cash contributions are invested for each participant based upon the current election in effect at the time the Company contribution is made.

Upon enrollment into the Plan, a participant may direct employee contributions in 1% increments into any of sixteen investment options. Employer contributions are allocated to the investments based on the participant's investment options at the time of the employer contribution. Participant contributions are remitted each week to the trustee, whereas Safe Harbor Contributions are remitted quarterly and Discretionary Contributions, if any, are remitted annually.

Vesting

Participants will, at all times, be fully vested in the fair value of their contributions. Participants vest 100% immediately in the Company's Safe Harbor Contributions, however, participants continue to become vested in employer Discretionary Contributions, based upon their years of vesting service, as shown below:

Edgar Filing: BALDWIN TECHNOLOGY CO INC - Form 11-K

Full years of Vesting Service -----	Percent Vested -----
Less than 2 years	0%
2 but less than 3 years	20%
3 but less than 4 years	40%
4 but less than 5 years	60%
5 but less than 6 years	80%
6 or more years	100%

Employees who are age 55 or older, or who become disabled or die while employed by the Company, are automatically 100% vested in the value of the Company contributions credited to their accounts regardless of their years of service.

Withdrawals and Distributions

Participants may withdraw after-tax contributions from their account balance while working and, in limited cases (as defined by the Plan's provisions) may withdraw before-tax contributions. Distributions from the Plan at termination of employment will be made in the form of a single lump-sum distribution consisting of the cash value of the participant's interest in the fixed income funds, mutual funds and stock funds. The amount of the distribution attributable to the participant's Baldwin Stock Fund account shall be distributed in the form of shares of the Company's Class A Common Stock. Notwithstanding the foregoing, a participant may request to receive benefits in a form other than as above and the Plan Administrator may make available an alternative form of distribution at the Plan Administrator's sole discretion.

Upon a participant's termination of employment by reason of retirement, total and permanent disability or death, the entire balance of the participant's account, as valued on the day coinciding with or following the date of the termination of employment will be paid to the participant, or in the case of death, to the participant's designated beneficiary.

Upon termination of employment for reasons other than those set forth above, if the vested balance is greater than \$1,000 but less than \$5,000 and the participant has not requested a distribution, the entire vested balance of the participant's account, as valued on the day coinciding with or following the date of termination of employment, shall be paid as a direct rollover to an individual retirement plan designated by the Plan Administrator. If the vested balance is greater than \$5,000, the participant has the option not to receive a distribution, and therefore, distributions will not be made until requested by the participant.

Participant Loans

Participants may borrow from their fund accounts a minimum of \$1,000, up to a maximum of \$50,000 or 50% of their vested account balance, whichever is less, and are subject to applicable Department of Labor and Internal Revenue Service regulations. The loans are collateralized by the balance in the participant's account and bear interest at rates of prime plus 1%, currently ranging from 5.00% to 10.50%, which are commensurate with local prevailing rates as determined periodically by the Plan Administrator.

Forfeitures

Upon a participant's separation from service, amounts which have not vested will be forfeited. Should a participant resume employment within 60 months of

Edgar Filing: BALDWIN TECHNOLOGY CO INC - Form 11-K

termination, the amount of such forfeiture will be restored to his or her account. Contributions and earnings thereon which have been forfeited will be available as additional employer contributions. Accumulated forfeitures totaled \$12,582 and \$6,389 at December 31, 2005 and 2004, respectively. During the plan year ending December 31, 2005, the Company utilized \$15,906 in accumulated forfeitures to reduce the Company contributions.

NOTE 2 -- SUMMARY OF ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting.

Investment Valuation

The Plan's investments are stated at fair market value, the last sales price of the last business day of the year, as reported as of the close of regular trading.

The Baldwin Stock Fund is a unitized fund, which invests solely in the Class A Common Stock of Baldwin Technology Company, Inc. The fund retains a certain amount of cash in order to complete a purchase or sale transaction on the same day as the request is received from a participant. Excess cash is held in a short-term money market fund within the Baldwin Stock Fund. Excess cash and cash equivalents at December 31, 2005 and 2004 amounted to \$24,207 and \$17,257, respectively.

Participant loans are valued at cost, which approximates fair value.

Investment Income

Dividends are recorded on the ex-dividend date. Interest and other income is recorded as earned on the accrual basis.

Investment Transactions

Purchases and sales of securities are recorded on a trade-date basis. Realized gains and losses on the sale of investments are calculated based upon the difference between the net sale proceeds and the average cost of the fund shares. Unrealized gains and losses (appreciation (depreciation) in fair value of investments) on investments held by the Plan at December 31, 2005 are calculated based upon the difference between the fair value as determined by quoted market prices of investments held at the end of the year less their average cost. The Plan presents in the statement of changes in net assets available for benefits the net appreciation in fair value of its investments, which consists of the realized gains or losses and the unrealized appreciation (depreciation) on those investments.

Administration

The Plan is administered by The Advisory Committee (the "Committee"), which is appointed by the Board of Directors of Baldwin Americas Corporation.

Administrative Expenses

All administrative expenses related to the Plan, are paid by the Company except for various asset management fees, which are paid by each particular fund.

Use of Estimates

The preparation of the financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities and changes therein, and disclosure of contingent assets and

Edgar Filing: BALDWIN TECHNOLOGY CO INC - Form 11-K

liabilities. Actual results could differ from those estimates.

Benefit obligations to participants

Benefits are recorded when paid. Accordingly, benefits payable to terminated employees are not deducted in arriving at net assets available for benefits. In October 2002, the Company divested its former Baldwin Kansa business ("BKA"). As a result, the plan made distributions either to the former employees of BKA or to a plan established by the purchasers of BKA for the benefit of those participants who were employees of BKA. As of December 31, 2005, \$20,215 of the Plan assets remained to be distributed, and will only be distributed when instructed by the participants to do so. These participants may remain in the Plan indefinitely as inactive participants.

Risks and Uncertainties

The Plan provides for various investment options in mutual funds that invest in any combination of stocks, bonds, fixed income securities and other investment securities. These investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk and uncertainty associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits, and the statement of changes in net assets available for benefits.

New accounting pronouncement

FASB staff Position ("FSP") AAG INV-1 and AICPA Statement of Position ("SOP") 94-4-1

SOP 94-4, Reporting of Investment Contracts Held by Health and Welfare Benefit Plans and Defined -- Contribution Pension Plans ("SOP 94-4"), is amended by FSP AAG INV-1 and SOP 94-4-1, Reporting of Fully Benefit -- Responsive Investment Contracts Held by Certain Investment Companies Subject to the AICPA Investment Company Guide and Defined -- Contribution Health and Welfare and Pension Plans ("FSP AAG INV -- 1 and SOP 94-4-1"). The financial statement presentation and disclosure guidance in paragraphs 8-11 of FSP AAG INV -- 1 and SOP 94 -- 4 -- 1 is effective for financial statements for plan years ending after December 15, 2006. The revised definition of fully benefit-responsive in paragraph 7 of FSP AAG INV -- 1 and SOP 94 -- 4 -- 1 shall be effective for all investment contracts as of the last day of the annual period ending after December 15, 2006. If comparative financial statements are presented, the guidance in FSP AAG INV -- 1 and SOP 94 -- 4 -- 1 shall be applied retroactively to all prior periods presented. If an investment contract is considered fully benefit-responsive under the revised definition as of the last day of the annual period ending after December 15, 2006, that contract shall be considered fully benefit-responsive in accordance with the then existing provisions of SOP 94 -- 4. The adoption of FSP AAG INV -- 1 and SOP 94 -- 4 -- 1 is not expected to have material impact on the Plan's net assets available for benefits or changes in net assets available for benefits.

NOTE 3 -- RELATED PARTY TRANSACTIONS

Certain Plan investments are shares of mutual funds managed by an affiliate of MFS Retirement Services, Inc. ("MFS"). MFS is the administrative services provider and record keeper, as defined by the Plan and therefore, these transactions qualify as party in interest transactions. Fees paid by the Plan to MFS during the

Edgar Filing: BALDWIN TECHNOLOGY CO INC - Form 11-K

year ended December 31, 2005 were \$612. In addition, the Company pays certain costs on behalf of the Plan.

At December 31, 2005 and 2004, the Plan held 126,973 and 130,498 shares, respectively, of the Baldwin Technology Company, Inc. Class A Common Stock with a fair value of \$514,241 and \$391,494, respectively.

NOTE 4 -- INVESTMENTS

NOTE 5 - FEDERAL INCOME TAXES

The Internal Revenue Service has determined and informed the Company by a letter dated April 23, 2002, that the Plan and the related trust are designed in accordance with applicable sections of the Internal Revenue Code ("IRC"). The Plan has been amended since receiving the determination letter. However, the Plan Administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

Edgar Filing: BALDWIN TECHNOLOGY CO INC - Form 11-K

NOTE 6 -- PLAN TERMINATION

Although it has not expressed any intent to do so, the Committee reserves the right to terminate the Plan at any time, subject to the provisions of ERISA. In the event the Plan is terminated, participants will become 100% vested in their accounts, no new funds will be contributed and the Plan's assets will be administered and distributed.
