**GRAVITY REPORTS FIRST QUARTER OF 2009 RESULTS**

Seoul, South Korea July 8, 2009 GRAVITY Co., Ltd. (NasdaqGM: GRVY), an online game developer and publisher based in South Korea, today announced its unaudited financial results for the first quarter ended March 31, 2009, prepared in accordance with generally accepted accounting principles in the United States.

Revenues for the first quarter ended March 31, 2009 was KRW 16,607 million (US\$ 12,991), representing a 9.27% increase from KRW 15,198million (US\$ 11,889 thousand) for the fourth quarter ended December 31, 2008 ( QoQ ) and a 32.55% increase from KRW 12,529 million (US\$ 9,801 thousand) for the first quarter ended March 31, 2008 ( YoY ).

**REVIEW OF FINANCIAL RESULTS**

**Revenues**

Royalty and licensing fee revenues for the first quarter ended March 31, 2009 were KRW 10,816 million (US\$ 8,461 thousand), representing a 16.99% increase QoQ from KRW 9,245 million (US\$ 7,232 thousand) and a 56.82% increase YoY from KRW 6,897 million (US\$ 5,395 thousand). The increase was primarily driven by higher Japan revenues from Ragnarok Online resulting from the weakening of the Korean Won against the Japanese Yen and contributed to increased revenues in Japan.

Subscription revenues for the first quarter of 2009 was KRW 3,475 million (US\$ 2,718 thousand), representing a 12.28% increase QoQ and a 21.50% increase YoY compared to KRW 3,095 million (US\$ 2,421 thousand) and KRW 2,860 million (US\$ 2,237 thousand), respectively. The increased subscription revenues QoQ mostly came from increased revenues from Ragnarok Online in the U.S., Canada and Korea. The increase in revenues YoY were attributed to increased revenues from micro-transactions of Ragnarok Online in the U.S. and Canada and commercialization of Requiem in the U.S., Canada, Russia and CIS countries in June 2008. This increase was offset by decreased revenues from Ragnarok Online and Requiem in Korea.

Mobile game revenues was KRW 1,852 million (US\$ 1,449 thousand) for the first quarter of 2009, representing a 4.57% increase QoQ from KRW 1,771 million (US\$ 1,385 thousand) and a 30.33% increase YoY from KRW 1,421 million (US\$ 1,112 thousand).

Character merchandising, animation and other revenue was KRW 464 million (US\$ 363 thousand) for the first quarter of 2009, representing a 57.31% decrease QoQ from KRW 1,087 million (US\$ 851 thousand) and a 65.66% decrease YoY from KRW 1,351 million (US\$ 1,057 thousand). The decrease QoQ was mainly due to the decreased revenues from Ragnarok DS in Japan in the first quarter of 2009 compared with its higher revenues when it was released in December 2008 and partly resulted from the decreased sales of mobile phone accessories by NeoCyon, a subsidiary of the Company. The decrease YoY was primary due to decrease in sales of mobile phone accessories by NeoCyon.

**Cost of Revenues and Operating Expenses**

Cost of revenues were KRW 5,427 million (US\$ 4,245 thousand) for the first quarter of 2009, representing a 10.10% decrease QoQ from KRW 6,037 million (US\$ 4,722 thousand) and a 27.68% decrease YoY from KRW 7,504 million (US\$ 5,870 thousand). The Company's decreased cost of revenues QoQ was attributed to completion of the amortization on intangible assets in December 2008, which occurred when the Company acquired NeoCyon in November and December 2005. The decrease in cost of revenues YoY was mainly due to decreased cost of revenues related to mobile phone accessories, reduced amortization on intangible assets.

---

Operating expenses were KRW 5,667 million (US\$ 4,433 thousand) for the first quarter of 2009, representing a 21.57% decrease QoQ from KRW 7,226 million (US\$ 5,653 thousand) and a 15.56% decrease YoY from KRW 6,711 million (US\$ 5,250 thousand). The decrease in operating expenses QoQ was mostly due to the decrease in commission paid and advertising expenses. The YoY decrease in operating expenses was attributed to i) decreased rent expenses which were due to relocation of the headquarter office in Seoul on February 1, 2008; the rent expenses for both old and new offices occurred between February 1, 2008 and Mar 16, 2008 as the lease agreement of the old office expired on March 16, 2008, which did not recur in the first quarter of 2009; ii) decreased R&D expenses; and iii) decrease in advertising expenses.

Income before income tax expenses and others was KRW 6,997 million (US\$ 5,474 thousand) for the first quarter of 2009, which represents a 76.03% increase QoQ compared with KRW 3,975 million (US\$ 3,110 thousand) and a 2,616.91% increase YoY compared with KRW 278 million losses (US\$ 217 thousand).

As a result of the foregoing factors, Gravity recorded a net income of KRW 5,253 million (US\$ 4,109 thousand) for the first quarter of 2009 compared with a net income of KRW 1,654 million (US\$ 1,294 thousand) for the fourth quarter of 2008 and a net loss of KRW 4,513 million (US\$ 3,531 thousand) for the first quarter of 2008.

The balance of cash and cash equivalents and short-term financial instruments was KRW 67,233 million (US\$ 52,596 thousand) as of March 31, 2009.

Note: For convenience purposes only, the KRW amounts have been expressed in U.S. dollars at the rate of KRW 1,278.3 to US\$ 1.00, the noon buying rate in effect on June 26, 2009 as quoted by the Federal Reserve Bank of New York.

**About GRAVITY Co., Ltd. -----**

Based in Korea, Gravity is a developer and publisher of online games. Gravity's principal product, Ragnarok Online, is a popular online game in many markets, including Japan, Taiwan and Thailand, and is currently commercially offered in 38 markets. For more information about Gravity, please visit <http://www.gravity.co.kr>.

**Forward-Looking Statements:**

Certain statements in this press release may include, in addition to historical information, forward-looking statements within the meaning of the safe-harbor provisions of the U.S. Private Securities Litigation Reform Act 1995. Forward-looking statements can generally be identified by the use of forward-looking terminology, such as may, will, expect, intend, estimate, anticipate, believe project, or continue or the negative thereof or other similar words, although not all forward-looking statements contain these words. Investors should consider the information contained in our submissions and filings with the United States Securities and Exchange Commission (the SEC), including our registration statement on Form F-1, as amended, and our annual reports on Form 20-F, together with such other documents and we may submit to or file with the SEC from time to time, on Form 6-K. The forward-looking statements speak only as of this press release and we assume no duty to update them to reflect new, changing or unanticipated events or circumstances.
