Item 1.01 Entry into a Material Definitive Agreement.

On April 8, 2010, Avery Dennison Corporation, a Delaware corporation (the "Company"), entered into an underwriting agreement with Banc of America Securities LLC and J.P. Morgan Securities Inc., as representatives of the several underwriters named therein, with respect to a registered public offering of \$250,000,000 aggregate principal amount of the Company's 5.375% Senior Notes due 2020 (the "Notes"). The closing of the sale of the Notes occurred on April 13, 2010. The net proceeds from the offering, after deducting the underwriting discount and estimated offering expenses, were approximately \$247,600,000 and are being used to repay a portion of the indebtedness outstanding under the term loan credit facility of one of the Company's wholly-owned subsidiaries.

The offering of the Notes was registered under an effective Registration Statement on Form S-3 (Registration No. 333-147369).

The Notes are being issued pursuant to an indenture, dated as of November 20, 2007, as supplemented by a supplemental indenture, dated as of April 13, 2010 (as supplemented, the "Indenture"), between the Company and The Bank of New York Mellon Trust Company, N.A., as Trustee. The Notes will bear interest at a rate of 5.375% per year, payable semiannually in arrears in cash on April 15 and October 15 of each year, beginning on October 15, 2010. The Notes will mature on April 15, 2020. The Company may redeem some or all of the Notes at any time, at a price equal to 100% of the principal amount of the Notes redeemed plus accrued and unpaid interest to the redemption date and an applicable make-whole amount as described in the Indenture. If a change of control triggering event as described in the Indenture occurs, the Company will be required to offer to repurchase the Notes at a price equal to 101% of the principal amount plus accrued and unpaid interest to the repurchase date.

The Notes will be the Company's unsecured and unsubordinated obligations. The Notes will rank equal in right of payment to all of the Company's existing and future subordinated indebtedness; senior in right of payment to all of the Company's existing and future subordinated indebtedness; effectively junior to all of the Company's future secured indebtedness to the extent of the value of the assets securing such indebtedness; and structurally junior to all future indebtedness and other liabilities of the Company's subsidiaries. A copy of the Indenture is attached hereto and is hereby filed. The descriptions of the Indenture and the Notes in this report are summaries and are qualified in their entirety by the terms of the Indenture and Notes, respectively.

Attached hereto as exhibits are the agreements and opinions relating to the offering. The exhibits are expressly incorporated into the Registration Statement on Form S-3, and any related amendments thereto, filed by the Company on November 14, 2007.

Item 2.03 Creation of Direct Financial Obligation or an Obligation Under an Off-Balance Sheet Arrangement.

The disclosures in Item 1.01 above are incorporated in this section by reference.

Item 9.01 Financial Statements and Exhibits.
