Dear Fellow Argan, Inc. Stockholder:

You are cordially invited to attend our 2011 Annual Meeting of Stockholders to be held on Tuesday, June 21, 2011, at 11:00 a.m. local time, in the Truman Room of the Hilton Washington, DC/Rockville Hotel and Executive Meeting Center, located at 1750 Rockville Pike, Rockville, Maryland 20852-1699. The matters to be acted upon at the meeting are described in detail in the accompanying notice of annual meeting of stockholders and proxy statement.

We are pleased to be using the Securities and Exchange Commission rule that allows companies to furnish proxy materials to their stockholders primarily over the Internet. We believe that this process should expedite stockholders receipt of proxy materials, lower the costs of the annual meeting and also help to conserve natural resources by reducing the use of paper. On or about May 12, 2011, we will mail our stockholders a Notice of Internet Availability of Proxy Materials (the "Notice") containing instructions on how to access our 2011 Proxy Statement and 2011 Annual Report and to vote online. The Notice also includes instructions on how to request a paper copy of the proxy materials, including the notice of annual meeting, proxy statement, annual report and proxy card.

Whether or not you plan to attend the meeting, your vote is important and we encourage you to review our proxy materials and promptly cast your vote using the instructions provided in the Notice. You may vote your shares over the Internet or via a toll-free telephone number. Alternatively, if you requested or received a paper copy of the proxy materials by mail, you may vote over the Internet, you may vote by telephone, or you may sign, date and mail the proxy card in the envelope provided. Instructions regarding the three methods of voting are contained in the Notice and proxy card.

As described in the accompanying proxy statement, the Company's Board of Directors has approved the matters included in the proposals presented there, and believes that they are fair to, and in the best interests of, the Company's stockholders. Thank you for your continued support of Argan, Inc.

I look forward to seeing you on June 21st.

Very truly yours,

/s/ Rainer H. Bosselmann

Proxy Statement
May 12, 2011**

The accompanying proxy is solicited on behalf of the Board of Directors of Argan, Inc., a Delaware corporation (referred to herein as "Argan" or the "Company"), for use at the 2011 Annual Meeting of Stockholders (the "Annual Meeting") to be held on June 21, 2011, at 11:00 a.m., local time, in the Truman Room of the Hilton Washington, DC/Rockville Hotel and Executive Meeting Center, located at 1750 Rockville Pike, Rockville, Maryland 20852-1699. This Proxy Statement and the accompanying proxy card are being mailed starting on or about May 12, 2011 to stockholders of record on April 25, 2011. Our Annual Report on Form 10-K for the fiscal year ended January 31, 2011 (the "Annual Report") is enclosed with this Proxy Statement.

At the Annual Meeting, stockholders will be asked to consider and vote upon the following three matters, and to transact any other business that may properly come before the Annual Meeting.

1. The election of eight directors to our Board of Directors, each to serve until our 2012 Annual Meeting of Stockholders and until his/her successor has been elected and qualified or until his/her earlier resignation, death or removal;
2. The approval of the Company's 2011 Stock Plan (the "Stock Plan") and the allocation of 500,000 shares of common stock reserved for issuance under the Stock Plan; and
3. The ratification of the appointment of Grant Thornton LLP as our independent registered public accountants for the fiscal year ending January 31, 2012.

If a proxy is properly executed and returned to the Company via either the Internet, telephone or mail in time for the Annual Meeting and is not revoked prior to the time it is exercised, the shares represented by the proxy will be voted in accordance with the directions specified therein for the matters listed on the proxy card. Unless the proxy specifies that it is to be voted against or is an abstention on a listed matter, proxies will be voted **FOR** each of the three proposals set forth above and otherwise in the discretion of the proxy holders as to any other matter that may come before the Annual Meeting.

INFORMATION CONCERNING VOTING AND PROXY SOLICITATION

Internet Availability of Proxy Materials

As permitted by rules of the Securities and Exchange Commission (the "SEC"), we are making this Proxy Statement and our Annual Report available to our stockholders primarily via the Internet, rather than mailing printed copies of these materials to each stockholder. We believe that this process will expedite stockholders' receipt of proxy materials, lower the costs of the Annual Meeting and help to conserve natural resources. On or about May 12, 2011, we will begin mailing to each stockholder (other than those who previously requested electronic delivery of all materials or previously elected to receive delivery of a paper copy of the proxy materials) a Notice of Internet Availability of Proxy Materials (the "Notice") containing instructions on how to access and review the proxy materials on the Internet, including our Proxy Statement and our Annual Report for the current year, and how to access an electronic proxy card to vote on the Internet or by telephone.

Table of Contents

The Notice will also contain instructions on how to receive a paper copy of the proxy materials. If you receive a Notice by mail, you will not receive a printed copy of the proxy materials unless you request one. If you receive a Notice by mail and would like to receive a printed copy of our proxy materials, please follow the instructions included in the Notice.

If the shares you own are held in street name by a bank or brokerage firm, your bank or brokerage firm may provide you with a Notice. Follow the instructions on that Notice to access our proxy materials and vote online, or to request a paper copy of our proxy materials. If you received these materials in paper form, the materials include a voting instruction card so you can instruct your broker, bank or other holder of record how to vote your shares.

Voting

Each stockholder is entitled to one vote for each share of Argan, Inc. common stock (Common Stock) that the stockholder owns as of April 25, 2011 with respect to all matters presented at the Annual Meeting. Stockholders do not have the right to cumulate their votes in the election of directors.

Record Date

Only stockholders of record at the close of business (5:00 p.m. Eastern Daylight Time) on April 25, 2011 (the Record Date) are entitled to notice of and to vote at the Annual Meeting and at any adjournment or postponement thereof. Stockholders of record will be entitled to one vote for each share of Common Stock held. For information regarding holders of more than 5% of the outstanding Common Stock, see Principal Stockholders.

Outstanding Shares

At the close of business on the Record Date, April 25, 2011, there were 13,601,994 shares of Common Stock outstanding. The closing price of our Common Stock on the Record Date, as reported by NYSE Amex, was \$9.47 per share.

Quorum; Effect of Abstentions and Broker Non-Votes

A majority of the shares of Common Stock outstanding on the Record Date, present in person or represented by proxy, will constitute a quorum for the transaction of business at the Annual Meeting.

If stockholders indicate on their proxy card that they wish to abstain from voting, including brokers holding their customers' shares of record who cause abstentions to be recorded, these shares are considered present and entitled to vote at the Annual Meeting. These shares will count toward determining whether or not a quorum is present. However, these shares will not be taken into account in determining the outcome of any of the proposals.

If a stockholder does not give a proxy to his/her broker with instructions as to how to vote the shares, the broker has authority under New York Stock Exchange rules to vote those shares for or against routine matters, such as the ratification of Grant Thornton LLP as our independent registered public accountants. Brokers cannot vote on their customers' behalf on non-routine proposals. These rules apply to us notwithstanding the fact that shares of our Common Stock are traded on the NYSE Amex market. If a broker votes shares that are unvoted by its customers for or against routine proposals, these shares are counted for the purpose of determining the outcome of such routine proposals as well as for the purpose of establishing a quorum.

The New York Stock Exchange rules no longer grant brokers discretionary authority to vote in the election of directors. Therefore, if you hold your shares of Common Stock in street name and do not provide voting instructions to your broker, your shares will not be voted in the election of directors. We urge you to promptly provide voting instructions to your broker to ensure that your shares are voted in the election of directors. Please follow the instructions set forth in the Notice.

Table of Contents

The effects of broker non-votes and abstentions (i.e. if you or your broker mark **ABSTAIN** on a proxy card) on the counting of votes for each proposal is described below.

Broker non-votes occur when shares held by a broker for a beneficial owner are not voted with respect to a particular proposal because (1) the broker holding shares in street name for the beneficial owner thereof does not receive voting instructions from the beneficial owner, and (2) the broker lacks discretionary authority to vote the shares. Banks and brokers cannot vote on their clients' behalf on non-routine proposals. Therefore, broker non-votes are not counted for the purpose of determining whether stockholders have approved these types of matters. For the purpose of determining whether stockholders have approved a matter, abstentions are treated as shares present or represented and voting.

Voting Rights; Required Vote

Holders of Common Stock are entitled to one vote for each share held as of the Record Date. The votes required to approve each proposal are as follows:

Election of Directors. Directors will be elected by a plurality of the votes of the shares present in person or represented by proxy at the Annual Meeting and entitled to vote in the election of directors. Abstentions and broker non-votes are not taken into account in determining the outcome of the election of directors.

Approval of the 2011 Stock Plan. Approval of this non-routine matter requires the affirmative vote by holders of at least a majority of the shares of Common Stock who attend the Annual Meeting in person, or are represented at the Annual Meeting by proxy. Abstentions will have the effect of a vote against this proposal, while broker non-votes will not be taken into account in determining the outcome of the vote on these proposals.

Ratification of Accountants. Approval of this proposal, which is considered to be routine, requires the affirmative vote by holders of at least a majority of the shares of Common Stock who attend the Annual Meeting in person, or are represented at the Annual Meeting by proxy. Abstentions will have the effect of a vote against this proposal, while broker non-votes will not be taken into account in determining the outcome of the vote on this proposal.

Accordingly, abstentions, broker non-votes or the failure to either return a proxy or to attend the Annual Meeting will be deemed to be the related stockholder not voting on the Election of Directors, the approval of the 2011 Stock Plan and the Ratification of Accountants.

The Named Executive Officers and the Directors of the Company will vote the shares of Common Stock beneficially owned or controlled by them (representing approximately 22% of the shares of Common Stock issued and outstanding as of January 31, 2011) in favor of each of the proposals discussed above.

You may revoke your proxy at any time before it is voted by delivering written notice of revocation to the Corporate Secretary at Argan, Inc., One Church Street, Suite 201, Rockville, Maryland 20850, by executing and delivering a subsequently dated proxy, or by attending the Annual Meeting and voting in person. Proxies solicited by the Board of Directors of the Company will be voted in accordance with the directions given therein. Unless so revoked, the shares represented by such proxies will be voted at the Annual Meeting and all adjournments thereof. Where no instructions are indicated, proxies will be voted in accordance with the recommendations of the Board of Directors with respect to the proposals described herein.

A quorum of stockholders is necessary to take action at the Annual Meeting. The presence, in person or by proxy, of the holders of a majority of the shares of Common Stock of the Company entitled to vote at the meeting will constitute a quorum. Votes cast by proxy or in person at the meeting will be tabulated by the inspector of elections appointed for the Annual Meeting and will be counted as present for purposes of determining whether a quorum is present. The inspector of elections will treat broker non-votes as present and entitled to vote for purposes of determining whether a quorum is present.

Table of Contents

Voting of Proxies

If you complete and return a proxy pursuant to the appropriate instructions, it will be voted in accordance with the specifications made on the proxy card. If no specification is made on a submitted proxy, the shares represented by the proxy will be voted FOR each proposal, including FOR the election to the Board of each of the nominees named on the proxy card, and FOR any other matter that may be properly brought before the Annual Meeting. If you attend the Annual Meeting, you may also vote in person, and any previously submitted votes will be superseded by the vote you cast in person at the Annual Meeting.

Adjournment of Meeting

If a quorum is not present to transact business at the Annual Meeting or if we do not receive sufficient votes in favor of the proposals by the date of the Annual Meeting, the persons named as proxies may propose one or more adjournments of the meeting to permit solicitation of proxies. Any adjournment would require the affirmative vote of a majority of the shares present in person or represented by proxy at the Annual Meeting.

Expenses of Soliciting Proxies

The expenses of solicitation, including the cost of printing and mailing, will be paid by the Company. After the original mailing of the proxy materials, we and/or our agents may also solicit proxies by mail, telephone, telegraph, facsimile, e-mail or in person. After the original mailing of the proxy cards and other soliciting materials, we will request that brokers, custodians, nominees and other record holders of our Common Stock forward copies of the proxy cards and other soliciting materials to persons for whom they hold shares and request authority for the exercise of proxies. The Company may reimburse brokers, nominees and other fiduciaries for their reasonable expenses in forwarding proxy materials to beneficial owners.

Revocability of Proxies

Any person submitting a proxy via the Internet, telephone or mail has the power to revoke it at any time before it is voted. A proxy may be revoked by submitting a properly completed proxy with a later date, by delivering a written notice of revocation to Continental Stock Transfer & Trust Company (our stock transfer agent) at 17 Battery Place, New York, New York 10004 or to the Corporate Secretary at Argan, Inc., One Church Street, Suite 201, Rockville, Maryland 20850, or by attending the Annual Meeting and voting in person. The mere presence at the Annual Meeting of a stockholder who has previously appointed a proxy will not revoke the appointment. Please note, however, that if a stockholder's shares are held of record by a broker, bank or other nominee and that stockholder wishes to vote at the meeting, the stockholder must bring to the Annual Meeting a letter from the broker, bank or other nominee confirming the stockholder's beneficial ownership of the Common Stock and that the broker, bank or other nominee is not voting the shares at the Annual Meeting.

PROPOSAL NO. 1
ELECTION OF DIRECTORS

The directors of the Company are elected annually and hold office until the next annual meeting of stockholders and until their successors have been elected and shall have been qualified. Vacancies and newly-created directorships resulting from any increase in the number of authorized directors may be filled by a majority vote of the directors then in office.

At the Annual Meeting, stockholders of the Company are being asked to elect eight directors, all of whom currently serve in that capacity. Unless a stockholder withholds authority, the holders of proxies representing shares of Common Stock will vote **FOR** the election of each of the nominees listed below.

Proxies cannot be voted for a greater number of persons than the number of nominees named. If any nominee for any reason is unable to serve or for good cause will not serve, the proxies may be voted for such substitute nominee as the proxy holder may determine. We are not aware of any nominee who will be unable to or for good cause will not serve as a director. However, if a nominee shall be unavailable for any reason, then the proxies may be voted for the election of such person as may be recommended by the Board of Directors.

The members of the Audit Committee are all independent directors under applicable SEC and stock exchange rules. In addition, the Board of Directors has determined that at least one of the independent directors serving on the Audit Committee, Mr. Leimkuhler, is an audit committee financial expert, as that term has been defined by SEC rules.

The written charter of the Audit Committee was adopted in October 2003. The Audit Committee assists the full Board of Directors in its oversight of our financial accounting, reporting and internal controls by meeting with members of management and our independent registered public accountants. The Audit Committee has the responsibility to review our annual audited financial statements, and meets with management and the independent accountants at the end of each quarter to review the quarterly financial results. In addition, this group considers and approves the employment of, and approves the fee arrangements with, independent accountants for audit and other functions. The Audit Committee reviews our accounting policies and internal controls.

Compensation Committee. During the fiscal year ended January 31, 2011, the Compensation Committee met once by telephone conference and the members held other telephone discussions, primarily to review the performance of the Company's Chief Executive and Chief Financial Officers. The members of the Compensation Committee are independent directors under applicable stock exchange rules. No member of the Compensation Committee was an officer or employee of the Company during the fiscal year ended January 31, 2011.

The written charter for the Compensation Committee was adopted in April 2004. The Compensation Committee is responsible for implementing and reviewing executive compensation plans, policies and programs in an effort to ensure the attraction and retention of executive officers in a reasonable and cost-effective manner, to motivate their performance in the achievement of the Company's business objectives and to align the interests of executive officers with the long-term interests of the Company's stockholders. To that end, it is the responsibility of the Compensation Committee to develop and approve periodically a general compensation plan and salary structure for executive officers of the Company which considers business and financial objectives, industry and market pay practices and/or such other information as may be deemed appropriate. It is the responsibility of the Compensation Committee to review and recommend for approval by the independent directors of the full Board of Directors the compensation (salary, bonus and other compensation) of the Chief Executive Officer of the Company, to review and approve the compensation (salary, bonus and other compensation) of the other executive officers of the Company, and to review and approve perquisites offered to executive officers of the Company. The Compensation Committee shall also review and approve corporate goals and objectives relevant to the compensation of executive officers of the Company, evaluate performance in light of the goals and objectives, and review and approve all employment, retention and severance agreements for executive officers of the Company.

The Compensation Committee acts on behalf of the Board of Directors in administering compensation plans approved by the Board and/or the stockholders of the Company (including the Company's 2001 Stock Option Plan) in a manner consistent with the terms of such plans, reviews and makes recommendations to the Board of Directors with respect to new compensation, incentive and equity-based plans, and reviews and makes recommendations to the Board on changes in major benefit programs for executive officers of the Company. The Compensation Committee also reviews the management succession program for the Chief Executive Officer and selected executive officers of the Company.

Nominating Committee. The written charter of the Nominating Committee was adopted in April 2004. The Nominating Committee is responsible for identifying individuals qualified to become members of the Board of Directors, and recommending to the Board of Directors the persons to be nominated by the Board for election as directors at the annual meeting of stockholders and the persons to be elected by the Board of Directors to fill any vacancies on the Board.

The Board of Directors believes that the Board, as a whole, should include individuals with a diverse range of experience to give the Board both depth and breadth in the mix of skills represented for the benefit of our stockholders. To that end, the Board endeavors to include in its overall composition an array of targeted skills that complement one another rather than requiring each director to possess the same skills, perspective and interests. Accordingly, the Nominating Committee and the full Board consider the qualifications of directors and director nominees both individually and in the broader context of the Board's overall composition and the Company's current and future needs.

The Nominating Committee considers the gender and ethnic diversity of the Board of Directors and uses certain other selection criteria as a guide in its selection process including the following: (i) nominees should have a reputation for integrity, honesty and adherence to high ethical standards; (ii) nominees should have demonstrated business acumen, experience and ability to exercise sound judgments in matters that relate to the current and long-term objectives of the Company and should be willing and able to contribute positively to the decision-making process of the Company; (iii) nominees should have a commitment to understand the Company and its industry and to regularly attend and participate in meetings of the Board of Directors and its committees; (iv) nominees should have the interest and ability to understand the sometimes conflicting interests of the various constituencies of the Company, which include stockholders, employees, customers, governmental units, creditors and the general public, and to act in the interests of all stockholders; and (v) nominees should not have, or appear to have, a conflict of interest that would impair the nominee's ability to represent the interests of all the Company's stockholders and to fulfill the responsibilities of a

director. Nominees shall not be discriminated against on the basis of race, religion, national origin, sex, sexual orientation, disability or any other basis proscribed by law. The Nominating Committee is also responsible for reviewing with the Board of Directors, on an annual basis, the requisite skills and criteria for new Board members as well as the composition of the Board as a whole.

Table of Contents

The Nominating Committee will consider nominees for the Board of Directors recommended by stockholders. Nominations by stockholders must be in writing, must include the full name of the proposed nominee, a brief description of the proposed nominee's business experience for at least the previous five years, and a representation that the nominating stockholder is a beneficial or record owner of the Company's common stock. Any such submission must also be accompanied by the written consent of the proposed nominee to be named as a nominee and to serve as director if elected. The Nominating Committee is required to review the qualifications and backgrounds of all directors and nominees (without regard to whether a nominee has been recommended by stockholders), as well as the overall composition of the Board of Directors. Nominations must be delivered to the following address:

Board Leadership and Risk Oversight

Mr. Bosselmann, the Company's Chief Executive Officer, currently serves as the Chairman of our Board of Directors. None of the other seven members of the Board are members of management, and six of these members are considered to be independent based on our Board's consideration of our independence standards and the applicable New York Stock Exchange independence standards. The Board believes that its current leadership structure provides independent Board leadership and engagement while also deriving the benefit of having our Chief Executive Officer serve as Chairman of the Board. The Board has determined that Mr. Bosselmann, the individual with primary responsibility for managing the Company's day-to-day operations, is best positioned to chair regular Board meetings and to lead and facilitate discussions of key business and strategic issues. The Board has not designated a lead independent director.

The Board periodically reviews the structure of the Board. As set forth in the Company's bylaws, the Board is empowered to choose any one of its members (and not just the Chief Executive Officer) as Chairman of the Board. The Board believes that the Company has in place corporate best practices to ensure that the Company maintains a strong and independent Board, the highest standards of corporate governance and the continued accountability of the Chief Executive Officer to the Board. This structure is evidenced by the composition of the current Board of Directors and its Audit, Compensation and Nominating Committees.

All of the members of such committees are independent directors. Consequently, independent directors directly oversee critical matters such as the remuneration policy for executive officers, succession planning, our corporate governance guidelines, policies and practices, the director nomination process, our corporate finance strategies and initiatives, and the integrity of our financial statements and internal controls over financial reporting.

One of the Board's key functions is oversight of our risk management process. The Board administers its oversight function directly through the Board as a whole, which has the ultimate oversight responsibility for the risk management process, as well as through the standing Audit, Compensation and Nominating Committees that address risks inherent in their respective areas of oversight.

Our Audit Committee considers and discusses our major financial risk exposures and the steps our management has taken to monitor and control these exposures, including guidelines and policies to govern the process by which risk assessment, risk management and our insurance program is undertaken. The Audit Committee also monitors compliance with legal and regulatory requirements, in addition to oversight of the performance of the internal assessments of our system of internal control over financial reporting and the audits conducted by our independent registered public accountants. The whole Board monitors the effectiveness of our corporate codes of conduct and ethics, including whether they are successful in preventing wrongful conduct, and risks associated with the independence of the Board, potential conflicts of interest and succession planning. The Compensation Committee administers our stock option plan, and reviews and recommends the salaries and bonuses paid to the executive officers while assessing whether any of our compensation policies and programs has the potential to encourage excessive risk-taking. The entire Board approves the salary and bonus amounts paid to executive officers and approves all stock option awards. Senior management reports on enterprise risks issues, including operational, financial, legal and regulatory, and strategic and reputation risks, to the appropriate committee or to the full Board.

Table of Contents

The entire Board and the committees receive reports on areas of material risk and, for each committee, the committee's area of oversight, from senior management, our internal audit firm, our independent registered public accountants, outside counsel, and other members of management and professional advisors. When one of the committees receives any such report, the chairman of the committee reports on the discussion to the full Board of Directors at the next Board meeting. This process enables the Board and its committees to coordinate the risk oversight role, particularly with respect to risk interrelationships.

Compensation of Directors

Each non-employee director of the Company receives an annual fee of \$20,000, plus \$300 for each formal meeting attended. Members of the Audit Committee receive an additional annual fee of \$5,000. Directors are reimbursed for reasonable expenses actually incurred in connection with attending each formal meeting of the Board of Directors or any committee thereof. Directors are also eligible for the award of options to purchase shares of our Common Stock. The following table summarizes the fees and other compensation for the non-employee members of our Board of Directors for the fiscal year ended January 31, 2011:

| Name | Fees | Stock Option Awards⁽¹⁾ | All Other Compensation | Total Compensation |

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

**PROPOSAL NO. 2
APPROVAL OF THE 2011 STOCK PLAN**

Background

On April 5, 2011, the Board of Directors adopted resolutions, subject to stockholder approval, to adopt the Argan, Inc. 2011 Stock Plan (the "Stock Plan") and to reserve 500,000 shares of our Common Stock for issuance thereunder. The purpose of the Stock Plan is to provide our employees, directors and consultants who are in a position to contribute materially to our long-term success with opportunities to increase their interest in the Company's welfare, and to aid in attracting and retaining employees, directors and consultants of outstanding ability. The Board of Directors believes that it is important to have shares available under a stock incentive plan like the Stock Plan in order to provide adequate incentives to new employees and other key members of our workforce including those additional management and non-management employees who may join us as a result of future business acquisitions or other growth of the Company.

The Stock Plan replaces the Argan, Inc. 2001 Stock Option Plan (the "2001 Plan") which expires on July 19, 2011. As of April 30, 2011, there were 136,750 shares of Common Stock available for grant under the 2001 Plan and there were outstanding options to purchase 744,724 shares of our Common Stock, including options to purchase 237,000 shares of our Common Stock that were granted to certain named executive officers, key employees and members of the Board of Directors during the fiscal year ended January 31, 2011.

The material features of the Stock Plan are outlined below. This summary is qualified in its entirety by reference to the full text of the Stock Plan, a copy of which is attached hereto.

The 2011 Stock Plan

Purpose. The purpose of the Stock Plan is to provide incentives to employees, directors and consultants who are in a position to contribute materially to our long term success, to increase their interest in the Company's welfare and to aid in attracting and retaining individuals with outstanding ability. The Plan is administered by the Compensation Committee (the "Compensation Committee") of our Board of Directors.

Eligibility. Subject to certain other provisions of the Stock Plan, the number of shares of our Common Stock which may be issued or transferred pursuant to stock options and stock awards granted under the Stock Plan ("Awards") and the number of shares of our Common Stock which may be subject to outstanding but unexercised stock options granted under the Stock Plan shall not exceed 500,000 shares in the aggregate. Stock options granted under the Stock Plan may be either "incentive stock options" within the meaning of Section 422 of the Internal Revenue Code of 1986, as amended (the "Code"), or non-qualified options. Incentive stock options may be granted only to employees of the Company (including directors who are employees), while non-qualified options may be issued to employees, directors (whether or not an employee) and consultants of the Company. Employees, directors and consultants shall also be eligible to receive grants of restricted and/or unrestricted stock under the Stock Plan. Our Board of Directors has the authority to determine those individuals who shall receive Awards and the number of shares of our Common Stock subject to such Awards. The Board of Directors shall also determine the time periods during which stock options granted under the Stock Plan may become partially or fully exercisable and the exercise price for each stock option granted under the Stock Plan, subject to certain limitations described therein. Restricted stock grants may be made subject to vesting, in one or more installments, upon the happening of certain events, upon the passage of a specified period of time, upon the fulfillment of certain conditions or upon the achievement by the Company or any subsidiary, division, affiliate or joint venture of the Company of certain performance goals, as the Compensation Committee shall decide in each case when restricted stock grants are awarded.

Table of Contents

Terms of the Options. Awards must occur no later than July 19, 2021. The per share purchase price of the shares of Common Stock subject to incentive and non-qualified stock options may not be less than the fair market value of the Common Stock on the date that the stock option is granted. For incentive stock options granted to any person who owns, directly or indirectly, at the time of the grant, 10% or more of the total combined voting power of all classes of stock of the Company (a 10% Stockholder), the per share purchase price of the shares of Common Stock subject to the option shall be at least 110% of the fair market value of our Common Stock on the date of grant. Incentive stock options granted under the Stock Plan cannot be exercised more than ten years from the date of grant except that the term of an incentive stock option issued to a 10% Stockholder cannot exceed five years. The aggregate exercise price of an incentive stock option, or any portion thereof, shall be payable on the date of exercise of the option (i) in cash or by check, bank draft or postal or express money order by the option holder, or (ii), provided that a public market exists for our Common Stock, in consideration received by the Company under a procedure whereby a qualified broker-dealer advances funds on behalf of an option holder or sells shares acquired upon the exercise of a stock option on behalf of a option holder. Notwithstanding any other provisions hereof, the aggregate fair market value (determined at the time the option is granted) of the Common Stock with respect to which an incentive stock option becomes exercisable for the first time during any calendar year (under the Stock Plan and all other similar plans of the Company) shall not exceed \$100,000.

Transferability. No right under the Stock Plan may be transferred other than by will or the laws of descent and distribution. During the lifetime of an option holder, a stock option will be exercisable only by the option holder or his/her conservator. If a stock option shall expire and terminate for any reason, in whole or in part, without being exercised or, if a stock award is forfeited because the restrictions with respect to such stock award shall not have been met or have lapsed, the number of shares of Common Stock subject to the stock option or which are no longer outstanding under a stock award may again become available for an Award.

Federal Income Tax Consequences. If an option granted under the Stock Plan is an incentive stock option, the option holder will recognize no taxable income upon grant of the incentive stock option and incur no tax liability due to the exercise unless the option holder is subject to the alternative minimum tax. The Company will not be allowed a deduction for federal income tax purposes as a result of the exercise of an incentive stock option regardless of the applicability of the alternative minimum tax. Upon the sale or exchange of the shares at least two years after grant of the option and one year after transfer of the shares to the option holder by the Company, any gain will represent a long-term capital gain for the option holder. If these holding periods are not satisfied, the option holder will recognize ordinary income equal to the difference between the exercise price and the lower of the fair market value of the Common Stock at the date of the option exercise or the sale price of the Common Stock. The Company will be entitled to a deduction in the same amount as the ordinary income recognized by the option holder. Any gain recognized on such a premature disposition of the shares in excess of the amount treated as ordinary income will be characterized as capital gain. Currently, the tax rate on net capital gain (net long-term capital gain minus net short-term capital loss) is capped at 15%. Capital losses are allowed in full against capital gains plus \$3,000 of other income. We will be entitled to a tax deduction in the same amount as the ordinary income recognized by an option holder with respect to shares of Common Stock acquired upon the exercise of a non-qualified stock option.

The recipient of a restricted stock award generally does not recognize taxable income at the time of award, and we are not entitled to a tax deduction at that time unless the recipient elects to be taxed at the time of award by making an election under Section 83(b) of the Code within 30 days of the date of award. When the restrictions applicable to the shares lapse, the recipient recognizes ordinary income in an amount equal to the excess of the fair market value of the shares of our Common Stock at such time over the amount, if any, paid for the shares. Ordinarily, we will be entitled to a tax deduction at the same time and in the same amount as the ordinary income recognized by the recipient. The grant of an award of unrestricted shares of our Common Stock has immediate income tax consequences for both the recipient and us. The recipient will recognize ordinary income at the time of the award in an amount equal to the then fair market value of the Common Stock less any amount paid for the shares. Ordinarily, we will be entitled to a tax deduction at the same time and in the same amount as the ordinary income recognized by the recipient.

The foregoing is only a summary of the effects of federal income taxation upon individuals and us with respect to Awards and the acquisition of shares of our Common Stock under the Stock Plan, and does not purport to be

complete. References should be made to the applicable provisions of the Code. In addition, this summary does not discuss the income tax laws of any municipality, state or foreign country in which the recipient of an Award.

Termination of Employment/Relationship. If employment with the Company of the holder of a stock option is terminated other than by disability or death, the term of any then outstanding stock option held by the employee shall extend for a period no later than three months after the employment termination date, in the case of an incentive stock option, and no later than twelve months after the employment termination date, in the case of a non-qualified stock option. If a director ceases to be a director, or a consultant ceases to provide services to us, other than by reason of death, the terms of any then outstanding non-qualified stock option held by the individual shall extend for a period no later than twelve months after cessation of the services being provided to the Company by the option holder. If employment with the Company of the holder of an incentive stock option is terminated by reason of disability, the term of any then outstanding incentive stock option held by the employee shall extend for a period ending no later than twelve months after the employment termination date. In all cases, a stock option shall be exercisable to the extent it was exercisable as of the last date of employment or service, as applicable. If an option holder dies, the representative of his/her estate or beneficiaries thereof to whom the stock option has been transferred shall have the right during the period ending no later than twelve months after the date of death to exercise any then outstanding stock options in whole or in part. Notwithstanding the foregoing, all stock options outstanding at the time of a change in control of the Company, as defined in the Stock Plan, shall become fully vested. If an individual who holds restricted stock awarded under the Stock Plan ceases his/her employment with us or service to us, as applicable, prior to the lapse of any restrictions related to the restricted stock, such Common Stock shall be forfeited and returned to us.

Table of Contents**Summary of Employment Arrangements**

Rainer H. Bosselmann and Arthur F. Trudel. On January 3, 2005, the Company entered into substantially similar employment agreements with (i) Rainer H. Bosselmann as its Chief Executive Officer, and (ii) Arthur F. Trudel as its Senior Vice President, Chief Financial Officer and Corporate Secretary (each, an Executive). Pursuant to the employment agreements, the Company agreed to employ each Executive for an initial term of one year, which term automatically renews for successive one year periods unless the Company or the Executive provides at least 90 days prior written notice of its or his election not to renew. Currently, the employment term anniversary date is January 3 for both Mr. Bosselmann and Mr. Trudel. The agreements provide for each Executive to receive during the employment period an annual base salary of \$150,000, subject to increase (but may not be reduced) from time to time in such amounts as the Company, in its reasonable discretion, deems to be appropriate, and an annual bonus in the discretion of the Board of Directors of the Company, subject to the satisfaction of reasonable performance criteria established for the Executive with respect to such year. During the fiscal year ended January 31, 2007, the annual base salary for each Executive was increased to \$200,000. The agreements further provide that each Executive may participate in any stock option, incentive and similar plans established by the Company and shall be granted stock options and other benefits similar to options and benefits granted to other executives, subject in all cases to the satisfaction by the Executive of the terms and conditions of such plans and to the reasonable exercise by the Board of any discretion granted to it or them thereunder.

The Board of Directors awarded cash bonuses to the Executives in April 2011 and 2010, in each case relating to the the fiscal years ended January 31, 2011 and 2010, respectively. For Mr. Bosselmann, the bonus awards were \$125,000 for each year. For Mr. Trudel, the bonus awards were \$100,000 for each year.

Options to purchase shares of Common Stock are typically awarded to the CEO and CFO subsequent to each fiscal year end by the Board of Directors. As the stock options usually vest on the one-year anniversary of the date of award, the compensation related to the stock option awards is recorded ratably over the one-year period subsequent to the award date. Non-qualified options to purchase shares of our Common Stock were awarded to Mr. Bosselmann and Mr. Trudel in February 2009 and April 2010 covering, for each Executive, 25,000 shares and 10,000 shares, respectively, with exercise prices per share of \$12.21 and \$13.64, respectively. Non-qualified stock options were also awarded to the CEO and CFO in April 2011, covering 10,000 shares for each Executive with an exercise price of \$8.97 per share. Each of the awards identified above becomes exercisable on the one-year anniversary of the grant date and expires on the ten-year anniversary of the grant date.

Under the employment agreement for each Executive, in the event that an Executive's employment is terminated for any of the reasons specified below or there occurs a change in control, the Executive will receive as severance pay in a single lump sum payment, an amount equal to twenty-four (24) months of his base salary within thirty (30) days after the Executive's termination of employment or change of control, as the case may be, based on twelve (12) times the Executive's final full month salary at the date the Executive's employment ceases or at the date of the change in control, as the case may be, without reduction or offset for any other monies which the Executive may thereafter earn or be paid. The reasons which cause severance pay to be paid to an Executive include:

- (i) termination by the Executive because of a material diminution of the Executive's duties, authority or responsibility, or a material impairment by action of the Company of his ability to perform his duties and responsibilities, regardless of whether such diminution is accompanied by a change in the Executive's title with the Company;
- (ii) termination by the Executive because of a material breach by the Company of any provision of the employment agreement, which breach continues for a period of thirty (30) days after written notice of such breach is given by the Executive to the Company; and
- (iii) termination by the Company at any time without cause, including notice of non-renewal of the employment agreement.

Each Executive shall also be entitled for a period of twenty-four (24) months from the termination of his employment or a change in control, as the case may be, to the continuation of all benefits provided to the Executive, excluding sick

and vacation time, subject to any applicable employee co-payments. If an Executive's employment is terminated by the Company by reason of the Executive's death, disability or for cause or voluntarily by the Executive for any reason other than as set forth in the preceding paragraph, the Company will not be obligated to make any payments to the Executive by reason of his cessation of employment other than such amounts, if any, of his base salary that have accrued and remain unpaid and such other amounts which may then otherwise be payable to the Executive from the Company's benefit plans or reimbursement policies, if any.

William F. Griffin, Jr. The Company entered into an employment agreement with Mr. Griffin in December 2006 in connection with our acquisition of Gemma. As amended in February 2008, the agreement provided for Mr. Griffin, a co-founder of Gemma, to receive during the employment period an annual base salary of \$680,000 with the term extended to June 7, 2009. Pursuant to an amendment to the agreement executed in March 2009, Mr. Griffin agreed to extend his employment term until June 7, 2012 and, beginning in June 2009, the annual base salary was reduced to \$200,000 (the same annual salary amount paid to the Company's CEO and CFO). The basis for annual cash bonus payments was revised as well. Previously, the annual bonus amount was based on a formula included in the employment contract amendment effective at the time, with Mr. Griffin entitled to a bonus with Gemma's achievement of annual adjusted EBITDA in the amount of \$20 million. The earned bonus amount increased with adjusted EBITDA performance in excess of \$25 million. The amendment to the employment agreement executed in March 2009 retained the adjusted EBITDA hurdle amounts, but the amounts of annual bonus payable upon Gemma's achievement of the adjusted EBITDA targets were to be determined at the discretion of the Board of Directors. The amendment also allowed the Board of Directors the discretion to award additional bonus amounts for special or extraordinary achievements. Reflecting the strong profit performance of Gemma for the years ended January 31, 2011 and 2010, the Board of Directors agreed that Mr. Griffin earned cash bonuses for each year in the amount of \$800,000 as he assumed the sole leadership of Gemma after the passing of Mr. Joel M. Canino, the other co-founder of Gemma.

On April 19, 2011, we entered into an Amended and Restated Employment Agreement with Mr. Griffin. Pursuant to the new agreement, the initial term of Mr. Griffin's employment will be three (3) years, commencing on April 1, 2011, and will automatically renew for successive one (1) year periods unless sooner terminated by us or Mr. Griffin. Mr. Griffin's initial annual base salary will be \$600,000 during the first year of his initial three (3) year term, and any increases in base salary after the first year will be negotiated in good faith by the parties. For each of our fiscal years occurring within, or partially within, the term of Mr. Griffin's employment, he will be eligible for bonuses for special or extraordinary circumstances or occurrences as, in the sole discretion of the Board of Directors, may merit special consideration for him. Mr. Griffin will be entitled to a minimum bonus of \$400,000 for each of our fiscal years occurring within, or partially within, the term of his employment (prorated as necessary for any such partial fiscal year) and payable upon the completion of each fiscal year. For purposes of our fiscal year ending January 31, 2012, if Griffin is employed by us on that date, he will be entitled to 100% of the minimum bonus.

The new employment agreement with Mr. Griffin requires us to maintain and pay the premiums on a key-man term life insurance policy on the life of Mr. Griffin. Such key-man term life insurance policy will name Argan, Inc. as the sole beneficiary, be in an amount of not less than \$5,000,000 and remain in full force and effect for the term of Mr. Griffin's employment or until expiration of the term of the policy. Upon the termination of Mr. Griffin's employment for any reason, we will assign to Mr. Griffin any and all rights which we may have in and to the key-man term life insurance policy for the value of the prepaid unearned premium. Mr. Griffin is also subject to certain confidentiality provisions, and during the term of his employment and for two (2) years thereafter, he is subject to certain non-competition and non-solicitation covenants as described in the new employment agreement.

Under the new employment agreement, in the event that Mr. Griffin's employment is terminated by us at our convenience or by Mr. Griffin for good reason, he will be entitled to receive severance benefits as follows: (i) Mr. Griffin will continue to receive his salary for the duration of the then-current term; (ii) a pro rata share of the minimum bonus (calculated based upon the elapsed portion of our fiscal year in which the employment termination occurs); and (iii) continued participation in our health and benefit plans and programs for the duration of the then-current term, or, in the case of our health plan(s), until Griffin becomes eligible for health insurance from another source other than Medicare. In the event that Mr. Griffin's employment is terminated as a result of death or disability, Mr. Griffin or his surviving spouse or estate, as applicable, will be entitled to receive a pro rata share of the minimum bonus (calculated based upon the elapsed portion of our fiscal year in which the employment termination occurs) and applicable health, disability or death benefits, if any, offered by us, subject to the eligibility requirements of such benefits. In addition, Mr. Griffin, or his surviving spouse or estate as applicable, shall be entitled to receive his salary and benefits accrued, reimbursement of expenses properly incurred and payment for all accrued vacation calculated in accordance with Gemma's standard payroll practices, in each case through the date of termination, disability or death.

Daniel L. Martin. Mr. Martin joined us as the President of Gemma in February 2010. His employment arrangement includes a base annual salary of \$275,000, provides for normal participation in Gemma's standard employee benefit programs, and pays a monthly car allowance in the amount of \$1,000. He is eligible for an annual cash bonus based on a combination of considerations including Gemma's EBITDA performance for the previous fiscal year and his personal accomplishments. Relating to the fiscal year ended January 31, 2011, Mr. Martin was paid a cash bonus in the amount of \$200,000.

In connection with his joining us, the Board of Directors in February 2010 awarded Mr. Martin a non-qualified option to purchase 50,000 shares of our common stock at a per share purchase price of \$16.00. This stock option became exercisable in February 2011 and expires in February 2015. V. GENERAL PROVISIONS

1. **Substitution.** In the event of a corporate merger or consolidation, or the acquisition by the Company of property or stock of an acquired Company or any reorganization or other transaction qualifying under Section 424 of the Code, the Committee may, in accordance with the provisions of that Section, substitute Stock Options and Stock Awards under this Plan for Stock Options and Stock Awards under the plan of the acquired Company provided (i) the excess of the aggregate fair market value of the shares of Stock subject to a Stock Option immediately after the substitution over the aggregate option price of such Stock is not more than the similar excess immediately before such substitution and (ii) the new Stock Option does not give the Grantee additional benefits, including any extension of the exercise period.

2. **Adjustment Provisions.**

(a) In the event that a dividend shall be declared upon the Stock payable in shares of the Company's common stock, the number of shares of Stock then subject to any Stock Option or Stock Award outstanding under the Plan and the number of shares reserved for the grant of Stock Options or Stock Awards pursuant to the Plan shall be adjusted by adding to each such share the number of shares which would be distributable in respect thereof if such shares had been outstanding on the date fixed for determining the shareholders of the Company entitled to receive such share dividend.

(b) If the shares of Stock outstanding are changed into or exchanged for a different number or class or other securities of the Company or of another Company, whether through split-up, merger, consolidation, reorganization, reclassification or recapitalization then there shall be substituted for each share of Stock subject to any such Stock Option or Stock Award and for each share of Stock reserved for the grant of Stock Options or Stock Awards pursuant to the Plan the number and kind of shares or other securities into which each outstanding share of Stock shall have been so changed or for which each share shall have been exchanged.

(c) In the event there shall be any change, other than as specified above in this Section 2, in the number or kind of outstanding shares of Stock or of any shares or other securities into which such shares shall have been changed or for which they shall have been exchanged, then if the Board shall, in its sole discretion, determine that such change equitably requires an adjustment in the number or kind of shares theretofore reserved for the grant of Stock Options or Stock Awards pursuant to the Plan and of the shares then subject to Stock Options or Stock Awards, such adjustment shall be made by the Board and shall be effective and binding for all purposes of the Plan and of each Stock Option and Stock Award outstanding thereunder.

(d) In the case of any such substitution or adjustment as provided for in this Section 2, the option price set forth in each outstanding Stock Option for each share covered thereby prior to such substitution or adjustment will be the option price for all shares or other securities which shall have been substituted for such share or to which such share shall have been adjusted pursuant to this Section 2, and the price per share shall be adjusted accordingly.

Table of Contents

(e) No adjustment or substitution provided for in this Section 2 shall require the Company to sell a fractional share, and the total substitution or adjustment with respect to each outstanding Stock Option shall be limited accordingly.

(f) Upon any adjustment made pursuant to this Section 2 the Company will, upon request, deliver to the Grantee a certificate setting forth the option price thereafter in effect and the number and kind of shares or other securities thereafter purchasable on the exercise of such Stock Option.

3. General.

(a) Each Stock Option and Stock Award shall be evidenced by a written instrument containing such terms and conditions, not inconsistent with this Plan, as the Committee shall approve.

(b) The granting of a Stock Option or Stock Award in any year shall not give the Grantee any right to similar grants in future years or any right to be retained in the employ of the Company, and all Employees shall remain subject to discharge to the same extent as if the Plan were not in effect.

(c) No Employee, Director or Consultant and no beneficiary or other person claiming under or through him, shall have any right, title or interest by reason of any Stock Option or any Stock Award to any particular assets of the Company, or any shares of Stock allocated or reserved for the purposes of the Plan or subject to any Stock Option or any Stock Award except as set forth herein. The Company shall not be required to establish any fund or make any other segregation of assets to assure the payment of any Stock Option or Stock Award.

(e) Notwithstanding any other provision of this Plan or agreements made pursuant thereto, the Company's obligation to issue or deliver any certificate or certificates for shares of Stock under a Stock Option or Stock Award, and the transferability of Stock acquired by exercise of a Stock Option or grant of a Stock Award, shall be subject to all of the following conditions:

The Grantee may be required to pay to the Company the amount of any withholding taxes, which the Company is required to withhold with respect to a Stock Option or its exercise or a Stock Award. In the event that such payment is not made when due, the Company shall have the right to deduct, to the extent permitted by law, from any payment of any kind otherwise due to such person all or part of the amount required to be withheld.

(g) In the case of a grant of a Stock Option or Stock Award to any Employee of a subsidiary of the Company, the Company may, if the Committee so directs, issue or transfer the shares, if any, covered by the Stock Option or Stock Award to the subsidiary, for such lawful consideration as the Committee may specify, upon the condition or understanding that the subsidiary will transfer the shares to the Employee in accordance with the terms of the Stock Option or Stock Award specified by the Committee pursuant to the provisions of the Plan. For purposes of this Section, a subsidiary shall mean any subsidiary Company of the Company as defined in Section 424 of the Code.

(h) A Grantee entitled to Stock as a result of the exercise of a Stock Option or grant of a Stock Award shall not be deemed for any purpose to be, or have rights as, a shareholder of the Company by virtue of such exercise, except to the extent a stock certificate is issued therefor and then only from the date such certificate is issued. No adjustments shall be made for dividends or distributions or other rights for which the record date is prior to the date such stock certificate is issued. The Company shall issue any stock certificates required to be issued in connection with the exercise of a Stock Option with reasonable promptness after such exercise.

(i) The grant or exercise of Stock Options granted under the Plan or the grant of a Stock Award under the Plan shall be subject to, and shall in all respects comply with, applicable law relating to such grant or exercise, or to the number of shares of Stock which may be beneficially owned or held by any Grantee.

(j) The Plan is designed to be exempt from Section 409A of the Code, and the Plan is intended to be operated in good faith compliance with the requirements of Section 409A of the Code and its accompanying regulations, and any additional guidance issued under Section 409A to be so exempt.
