Important Notice to Fund Shareholders

June 22, 2011

Although we recommend that you read the complete Proxy Statement, for your convenience, we have provided a brief overview of the issues to be voted on.

Q. Why am I receiving this Proxy Statement?

- A. You are receiving this Proxy Statement as a Fund shareholder in connection with the annual shareholders meetings for the Nuveen municipal closed-end funds listed at the top of the Notice of Annual Meeting of Shareholders.

You are being asked to vote on a number of important matters:

(i) Updated Investment Policies (Affected Municipal Funds (as defined in the Proxy Statement)). Nuveen's municipal closed-end funds are seeking to adopt a uniform, up to date set of investment policies (the New Investment Policies). These funds were launched at various times over the past 20 years, and currently have a somewhat diverse set of policies, which reflect developments over that time in the municipal market, including new types of securities as well as investment strategies. As part of a continual process of evaluating and updating investment policies, the Funds over the past several years have taken a series of actions designed to both update and to standardize policies as appropriate across all Nuveen municipal bond closed-end funds. The actions recommended in the Proxy Statement are the latest in that ongoing process.

(ii) Approval of Fund Board Nominees (All Funds). Each year, you and other Fund shareholders must approve the election of Board members to serve on your Fund's Board. This is a requirement for all funds that list their common shares on a stock exchange. The Funds described in this Proxy Statement are holding their annual shareholders meetings at which Board members will be elected. The list of specific nominees is contained in the enclosed Proxy Statement.

Your Fund's Board of Trustees/Directors, including your Board's independent members, unanimously recommends that you vote **FOR** each proposal.

Your vote is very important. We encourage you as a shareholder to participate in your Fund's governance by returning your vote as soon as possible. If enough shareholders don't cast their votes, your Fund may not be able to hold its meeting or the vote on each issue, and will be required to incur additional solicitation costs in order to obtain sufficient shareholder participation.

Q. What are the potential benefits of the New Investment Policies for common shareholders of the Affected Municipal Funds?

- A. Investment policies currently vary across otherwise similar Nuveen municipal closed-end funds, reflecting evolving markets and guidelines as the different funds were launched over the past 20 years. As part of a continuing broader best practices initiative begun approximately 3 years ago, all Nuveen municipal closed-end funds, including the Affected Municipal Funds, are seeking to adopt a uniform set of investment policies that reflect municipal market and regulatory developments over time. Among other things, the proposed New Investment Policies would permit all Affected Municipal Funds to make loans to the extent permitted by securities laws. This is intended to provide each Fund the flexibility to make loans in circumstances where a

municipal issuer is in distress, if Nuveen Fund Advisors, Inc. believes that doing so would both:

facilitate a timely workout of the issuer's situation in a manner that benefits the Fund; and

is the best choice for reducing the likelihood or severity of loss on the Fund's investment.

In addition, all funds registered under the Investment Company Act of 1940 are required to have a policy regarding investments in commodities. This category includes several types of investments, including certain types of derivative investments that have developed over time, and which a fund may potentially use as it seeks to enhance return, to hedge some of the risks of its investments in fixed income securities or as a substitute for a position in the underlying asset. The commodity and derivative policy changes stated in this Proxy Statement seek to increase Nuveen Fund Advisors, Inc.'s flexibility to use derivatives in these ways in pursuit of Fund investment objectives, which have not changed.

The potential benefits to common shareholders (of Nuveen Premium Income Municipal Fund, Inc. and Nuveen Performance Plus Municipal Fund, Inc.) from changes to investment policies relating to investments in municipal securities, below investment grade securities, other investment companies and derivatives, short sales and commodities include:

enhanced ability of the Funds to generate attractive tax-free income while retaining their orientation on investment grade quality municipal securities;

increased flexibility in diversifying portfolio risks and managing duration (the sensitivity of bond prices to interest rate changes) to pursue the preservation of and possible growth of capital, which, if successful, will help to sustain and build net asset value; and

improved secondary market competitiveness that may lead to a higher relative market price and/or stronger premium/discount performance.

Harmonizing and updating these and other investment objectives noted in the Proxy Statement is intended to benefit common shareholders by increasing portfolio manager efficiency and flexibility to take advantage of a wide range of appropriate opportunities in the municipal bond markets in pursuit of Fund investment objectives.

Q. What are the potential benefits of the New Investment Policies for preferred shareholders of the Affected Municipal Funds?

- A. The potential benefits to preferred shareholders are increased flexibility in diversifying portfolio risks, optimizing returns on current investments and managing duration (the sensitivity of bond prices to interest rate changes) to pursue the preservation of and possible growth of capital, which, if successful, will help to sustain and build net asset value and therefore asset coverage levels for preferred shares.

Q. What actions are required in order to implement the New Investment Policies?

- A. In order to implement the New Investment Policies and obtain the potential benefits described above, each Affected Municipal Fund must make certain changes to its existing policies, including certain fundamental policies that require approval of shareholders. In some cases, this may require shareholder approval of the elimination of an existing fundamental policy as well as the implementation of a new replacement fundamental policy. Because each Affected Municipal Fund is situated somewhat differently, the specific changes required to implement the New Investment Policies may vary from Fund to Fund.

Q. What happens if shareholders don't approve the elimination of the fundamental investment policies and/or don't approve the New Investment Policy or Policies?

- A.

An Affected Municipal Fund will not be able to implement the New Investment Policies as discussed above. The Affected Municipal Fund would likely incur further expenses to solicit additional shareholder participation, and may experience potential disruptions to its

investment operations. The Boards of the Affected Municipal Funds urge you to vote without delay in order to avoid the potential for higher costs and/or disruptions to portfolio operations.

Q. Who do I call if I have questions?

- A.** If you need any assistance, or have any questions regarding the proposals or how to vote your shares, please call Computershare Fund Services, your Fund's proxy solicitor, at (866) 434-7510. Please have your proxy materials available when you call.

Q. How do I vote my shares?

- A.** You can vote your shares by completing and signing the enclosed proxy card, and mailing it in the enclosed postage-paid envelope. Alternatively, you may vote by telephone by calling the toll-free number on the proxy card or by computer by going to the Internet address provided on the proxy card and following the instructions, using your proxy card as a guide.

Q. Will anyone contact me?

- A.** You may receive a call from Computershare Fund Services, the proxy solicitor hired by your Fund, to verify that you received your proxy materials, to answer any questions you may have about the proposals and to encourage you to vote your proxy.

We recognize the inconvenience of the proxy solicitation process and would not impose on you if we did not believe that the matters being proposed were important and in the best interests of the Fund's shareholders. Once your vote has been registered with the proxy solicitor, your name will be removed from the solicitor's follow-up contact list.

- (1) Variable Rate Demand Preferred Shares for Municipal Advantage, Municipal Market Opportunity, Investment Quality, Select Quality, Quality Income, Premier Municipal, Premier Insured, Premium Income 2, Premium Income 4, Dividend Advantage 2, Insured Municipal Opportunity and Insured Premium Income 2; Variable Rate MuniFund Term Preferred Shares for Premium Income, Performance Plus and Insured Quality; and, Municipal Auction Rate Cumulative Preferred Shares and/or Municipal Fund Term Preferred Shares for Dividend Advantage, Dividend Advantage 3, Insured Dividend Advantage and Insured Tax-Free Advantage are collectively referred to as Preferred Shares. Municipal High Income, Municipal High Income 2, Municipal Value, Municipal Value 2, Municipal Income, Enhanced Value, Select Maturities, Select Portfolio, Select Portfolio 2, Select Portfolio 3, California Portfolio and New York Portfolio do not currently have Preferred Shares outstanding.

A quorum of shareholders is required to take action at each Annual Meeting. A majority of the shares entitled to vote at each Annual Meeting, represented in person or by proxy, will constitute a quorum of shareholders at that Annual Meeting, except that for the election of the

two Board Member nominees to be elected by holders of Preferred Shares of each Fund (except Municipal Value, Municipal Value 2, Municipal Income, Enhanced Value, Select Maturities, Select Portfolio, Select Portfolio 2, Select Portfolio 3, California Portfolio, New York Portfolio, Build America, Municipal High Income and Municipal High Income 2), 33 1/3% of the Preferred Shares entitled to vote and represented in person or by proxy will constitute a quorum. Votes cast by proxy or in person at each Annual Meeting will be tabulated by the inspectors of election appointed for that Annual Meeting. The inspectors of election will determine whether or not a quorum is present at the Annual Meeting. The inspectors of election will treat abstentions and broker non-votes (i.e., shares held by brokers or nominees, typically in street name, as to which (i) instructions have not been received from the beneficial owners or persons entitled to vote and (ii) the broker or nominee does not have discretionary voting power on a particular matter) as present for purposes of determining a quorum.

For each Fund, the affirmative vote of a plurality of the shares present and entitled to vote at the Annual Meeting will be required to elect the Board Members of that Fund. For purposes of determining the approval of the proposal to elect nominees for each Fund, abstentions and broker non-votes will have no effect on the election of Board Members. For purposes of determining the approval of the elimination of the fundamental investment policies and the approval of the new fundamental investment policies for the Affected Municipal Funds, a change will only be consummated if approved by the affirmative vote of the holders of a majority of the outstanding shares of a Fund's Common Shares and Preferred Shares, voting together as a single class, and of the Preferred Shares, voting as a separate class, as defined in the Investment Company Act of 1940, as amended (the "1940 Act"), as (a) 67% or more of the voting securities present at the Annual Meeting, if the holders of more than 50% of the outstanding voting securities are present or represented by proxy; or (b) more than 50% of the outstanding voting securities, whichever is less. For purposes of determining the approval of the elimination of the fundamental investment policies and the approval of the new fundamental investment policies, abstentions and broker non-votes will have the same effect as shares voted against the proposal.

Preferred Shares held in street name as to which voting instructions have not been received from the beneficial owners or persons entitled to vote as of one business day before the Annual Meeting, or, if adjourned, one business day before the day to which the Annual Meeting is adjourned, and that would otherwise be treated as broker non-votes may, pursuant to Rule 452 of the New York Stock Exchange, be voted by the broker on the proposal in the same proportion as the votes cast by all holders of Preferred Shares as a class who have voted on the proposal or in the same proportion as the votes cast by all holders of Preferred Shares of the Fund who have voted on that item. Rule 452 permits proportionate voting of Preferred Shares with respect to a particular item if, among other things, (i) a minimum of 30% of the Preferred Shares or shares of a series of Preferred Shares outstanding has been voted by the holders of such shares with respect to such item and (ii) less than 10% of the Preferred Shares or shares of a series of Preferred Shares outstanding has been voted by the holders of such shares against such item. For the purpose of meeting the 30% test, abstentions will be treated as shares voted and, for the purpose of meeting the 10% test, abstentions will not be treated as shares voted against the item.

Those persons who were shareholders of record at the close of business on May 31, 2011 will be entitled to one vote for each share held and a proportionate fractional vote for each

fractional share held. As of May 31, 2011, the shares of the Funds were issued and outstanding as follows:

Board Leadership Structure and Risk Oversight

The Board of each Fund (collectively, the Board) oversees the operations and management of the Fund, including the duties performed for the Funds by the Adviser. The Board has adopted a unitary board structure. A unitary board consists of one group of directors who serve on the board of every fund in the complex. In adopting a unitary board structure, the Board Members seek to provide effective governance through establishing a board, the overall composition of which will, as a body, possess the appropriate skills, independence and experience to oversee the Funds' business. With this overall framework in mind, when the Board, through its Nominating and Governance Committee discussed below, seeks nominees for the Board, the Board Members consider, not only the candidate's particular background, skills and experience, among other things, but also whether such background, skills and experience enhance the Board's diversity and at the same time complement the Board given its current composition and the mix of skills and experiences of the incumbent Board Members. The Nominating and Governance Committee believes that the Board generally benefits from diversity of background, experience and views among its members, and considers this a factor in evaluating the composition of the Board, but has not adopted any specific policy on diversity or any particular definition of diversity.

The Board believes the unitary board structure enhances good and effective governance, particularly given the nature of the structure of the investment company complex. Funds in the same complex generally are served by the same service providers and personnel and are governed by the same regulatory scheme which raises common issues that must be addressed by the Board Members across the fund complex (such as compliance, valuation, liquidity, brokerage, trade allocation or risk management). The Board believes it is more efficient to have a single board review and oversee common policies and procedures which increases the Board's knowledge and expertise with respect to the many aspects of fund operations that are complex-wide in nature. The unitary structure also enhances the Board's influence and oversight over the Adviser and other service providers.

In an effort to enhance the independence of the Board, the Board also has a Chairman that is an Independent Board Member. The Board recognizes that a chairman can perform an important role in setting the agenda for the Board, establishing the boardroom culture, establishing a point person on behalf of the Board for Fund management, and reinforcing the Board's focus on the long-term interests of shareholders. The Board recognizes that a chairman may be able to better perform these functions without any conflicts of interests arising from a position with Fund management. Accordingly, the Board Members have elected Robert P. Bremner as the independent Chairman of the Board. Specific responsibilities of the Chairman include: (i) presiding at all meetings of the Board and of the shareholders; (ii) seeing that all orders and resolutions of the Board Members are carried into effect; and (iii) maintaining records of and, whenever necessary, certifying all proceedings of the Board Members and the shareholders.

Although the Board has direct responsibility over various matters (such as advisory contracts, underwriting contracts and Fund performance), the Board also exercises certain of its oversight responsibilities through several committees that it has established and which report back to the full Board. The Board believes that a committee structure is an effective means to permit Board Members to focus on particular operations or issues affecting the Funds, including risk oversight. More specifically, with respect to risk oversight, the Board has delegated matters relating to valuation and compliance to certain committees (as summarized below) as well as

certain aspects of investment risk. In addition, the Board believes that the periodic rotation of Board Members among the different committees allows the Board Members to gain additional and different perspectives of a Fund's operations. The Board has established five standing committees: the Executive Committee, the Dividend Committee, the Audit Committee, the Compliance, Risk Management and Regulatory Oversight Committee and the Nominating and Governance Committee. The Board may also from time to time create ad hoc committees to focus on particular issues as the need arises. The membership and functions of the standing committees are summarized below.

The Executive Committee, which meets between regular meetings of the Board, is authorized to exercise all of the powers of the Board. The members of the Executive Committee are Robert P. Bremner, Chair, Judith M. Stockdale and John P. Amboian. The number of Executive Committee meetings of each Fund held during its last fiscal year is shown in Appendix C.

The Dividend Committee is authorized to declare distributions on each Fund's shares including, but not limited to, regular and special dividends, capital gains and ordinary income distributions. The members of the Dividend Committee are Jack B. Evans, Chair, Judith M. Stockdale and Terence J. Toth. The number of Dividend Committee meetings of each Fund held during its last fiscal year is shown in Appendix C.

The Board has an Audit Committee, in accordance with Section 3(a)(58)(A) of the Securities Exchange Act of 1934, as amended (the "1934 Act"), that is composed of Independent Board Members who are also independent as that term is defined in the listing standards pertaining to closed-end funds of the New York Stock Exchange or NYSE Amex, as applicable. The Audit Committee assists the Board in the oversight and monitoring of the accounting and reporting policies, processes and practices of the Funds, and the audits of the financial statements of the Funds; the quality and integrity of the financial statements of the Funds; the Funds' compliance with legal and regulatory requirements relating to the Funds' financial statements; the independent auditors' qualifications, performance and independence; and the pricing procedures of the Funds and the internal valuation group of Nuveen. It is the responsibility of the Audit Committee to select, evaluate and replace any independent auditors (subject only to Board and, if applicable, shareholder ratification) and to determine their compensation. The Audit Committee is also responsible for, among other things, overseeing the valuation of securities comprising the Funds' portfolios. Subject to the Board's general supervision of such actions, the Audit Committee addresses any valuation issues, oversees the Funds' pricing procedures and actions taken by Nuveen's internal valuation group which provides regular reports to the committee, reviews any issues relating to the valuation of the Funds' securities brought to its attention and considers the risks to the Funds in assessing the possible resolutions to these matters. The Audit Committee may also consider any financial risk exposures for the Funds in conjunction with performing its functions.

To fulfill its oversight duties, the Audit Committee receives annual and semi-annual reports and has regular meetings with the external auditors for the Funds and the internal audit group at Nuveen. The Audit Committee also may review in a general manner the processes the Board or other Board committees have in place with respect to risk assessment and risk management as well as compliance with legal and regulatory matters relating to the Funds' financial statements. The Audit Committee operates under a written Audit Committee Charter adopted and approved by the Board, which Charter conforms to the listing standards of the New York Stock Exchange or NYSE Amex, as applicable. Members of the Audit Committee are independent (as set forth in the Charter) and free of any relationship that, in the opinion of the

Board Members, would interfere with their exercise of independent judgment as an Audit Committee member. The members of the Audit Committee are Robert P. Bremner, David J. Kundert, Chair, William J. Schneider, Carole E. Stone and Terence J. Toth, each of whom is an Independent Board Member of the Funds. A copy of the Audit Committee Charter is attached as Appendix D. The number of Audit Committee meetings of each Fund held during its last fiscal year is shown in Appendix C.

The Compliance, Risk Management and Regulatory Oversight Committee (the Compliance Committee) is responsible for the oversight of compliance issues, risk management and other regulatory matters affecting the Funds that are not otherwise the jurisdiction of the other committees. The Board has adopted and periodically reviews policies and procedures designed to address the Funds' compliance and risk matters. As part of its duties, the Compliance Committee reviews the policies and procedures relating to compliance matters and recommends modifications thereto as necessary or appropriate to the full Board; develops new policies and procedures as new regulatory matters affecting the Funds arise from time to time; evaluates or considers any comments or reports from examinations from regulatory authorities and responses thereto; and performs any special reviews, investigations or other oversight responsibilities relating to risk management, compliance and/or regulatory matters as requested by the Board.

In addition, the Compliance Committee is responsible for risk oversight, including, but not limited to, the oversight of risks related to investments and operations. Such risks include, among other things, exposures to particular issuers, market sectors, or types of securities; risks related to product structure elements, such as leverage; and techniques that may be used to address those risks, such as hedging and swaps. In assessing issues brought to the Compliance Committee's attention or in reviewing a particular policy, procedure, investment technique or strategy, the Compliance Committee evaluates the risks to the Funds in adopting a particular approach or resolution compared to the anticipated benefits to the Funds and their shareholders. In fulfilling its obligations, the Compliance Committee meets on a quarterly basis, and at least once a year in person. The Compliance Committee receives written and oral reports from the Funds' Chief Compliance Officer (CCO) and meets privately with the CCO at each of its quarterly meetings. The CCO also provides an annual report to the full Board regarding the operations of the Funds' and other service providers' compliance programs as well as any recommendations for modifications thereto. The Compliance Committee also receives reports from the investment services group of Nuveen regarding various investment risks. Notwithstanding the foregoing, the full Board also participates in discussions with management regarding certain matters relating to investment risk, such as the use of leverage and hedging. The investment services group therefore also reports to the full Board at its quarterly meetings regarding, among other things, Fund performance and the various drivers of such performance. Accordingly, the Board directly and/or in conjunction with the Compliance Committee oversees matters relating to investment risks. Matters not addressed at the committee level are addressed directly by the full Board. The Compliance Committee operates under a written charter adopted and approved by the Board. The members of the Compliance Committee are Jack B. Evans, William C. Hunter, William J. Schneider, Judith M. Stockdale, Chair, and Virginia L. Stringer. The number of Compliance Committee meetings of each Fund held during its last fiscal year is shown in Appendix C.

The Nominating and Governance Committee is responsible for seeking, identifying and recommending to the Board qualified candidates for election or appointment to the Board.

In addition, the Nominating and Governance Committee oversees matters of corporate governance, including the evaluation of Board performance and processes, the assignment and rotation of committee members, and the establishment of corporate governance guidelines and procedures, to the extent necessary or desirable, and matters related thereto. Although the unitary and committee structure has been developed over the years and the Nominating and Governance Committee believes the structure has provided efficient and effective governance, the committee recognizes that as demands on the Board evolve over time (such as through an increase in the number of Funds overseen or an increase in the complexity of the issues raised), the committee must continue to evaluate the Board and committee structures and their processes and modify the foregoing as may be necessary or appropriate to continue to provide effective governance. Accordingly, the Nominating and Governance Committee has a separate meeting each year to, among other things, review the Board and committee structures, their performance and functions, and recommend any modifications thereto or alternative structures or processes that would enhance the Board's governance over the Funds' business.

In addition, the Nominating and Governance Committee, among other things, makes recommendations concerning the continuing education of Board Members; monitors performance of legal counsel and other service providers; establishes and monitors a process by which security holders are able to communicate in writing with Board Members; and periodically reviews and makes recommendations about any appropriate changes to Board Member compensation. In the event of a vacancy on the Board, the Nominating and Governance Committee receives suggestions from various sources, including shareholders, as to suitable candidates. Suggestions should be sent in writing to Lorna Ferguson, Manager of Fund Board Relations, Nuveen Investments, 333 West Wacker Drive, Chicago, IL 60606. The Nominating and Governance Committee sets appropriate standards and requirements for nominations for new Board Members and each nominee is evaluated under the same standards. However, the Nominating and Governance Committee reserves the right to interview any and all candidates and to make the final selection of any new Board Members. In considering a candidate's qualifications, each candidate must meet certain basic requirements, including relevant skills and experience, time availability (including the time requirements for due diligence site visits to internal and external sub-advisers and service providers) and, if qualifying as an Independent Board Member candidate, independence from the Adviser, sub-advisers, underwriters or other service providers, including any affiliates of these entities. These skill and experience requirements may vary depending on the current composition of the Board, since the goal is to ensure an appropriate range of skills, diversity and experience, in the aggregate. Accordingly, the particular factors considered and weight given to these factors will depend on the composition of the Board and the skills and backgrounds of the incumbent Board Member at the time of consideration of the nominees. All candidates, however, must meet high expectations of personal integrity, independence, governance experience and professional competence. All candidates must be willing to be critical within the Board and with management and yet maintain a collegial and collaborative manner toward other Board Members. The Nominating and Governance Committee operates under a written charter adopted and approved by the Board, a copy of which is available on the Funds' website at www.nuveen.com/CEF/Info/Shareholder/, and is composed entirely of Independent Board Members who are also independent as defined by New York Stock Exchange or NYSE Amex listing standards, as applicable. Accordingly, the members of the Nominating and Governance Committee are Robert P. Bremner, Chair, Jack B. Evans, William C. Hunter, David J. Kundert, William J. Schneider, Judith M. Stockdale, Carole E. Stone, Virginia L. Stringer and Terence J. Toth. The

number of Nominating and Governance Committee meetings of each Fund held during its last fiscal year is shown in Appendix C.

The number of regular quarterly meetings and special meetings held by the Board of each Fund during the Fund's last fiscal year is shown in Appendix C. During the last fiscal year, each Board Member attended 75% or more of each Fund's Board meetings and the committee meetings (if a member thereof) held during the period for which such Board Member was a Board Member. The policy of the Board relating to attendance by Board Members at annual meetings of the Funds and the number of Board Members who attended the last annual meeting of shareholders of each Fund is posted on the Funds' website at www.nuveen.com/CEF/Info/Shareholder/.

Board Diversification and Board Member Qualifications. In determining that a particular Board member was qualified to serve on the Board, the Board has considered each Board Member's background, skills, experience and other attributes in light of the composition of the Board with no particular factor controlling. The Board believes that Board Members need to have the ability to critically review, evaluate, question and discuss information provided to them, and to interact effectively with Fund management, service providers and counsel, in order to exercise effective business judgment in the performance of their duties, and the Board believes each Board Member satisfies this standard. An effective Board Member may achieve this ability through his or her educational background; business, professional training or practice; public service or academic positions; experience from service as a board member or executive of investment funds, public companies or significant private or not-for-profit entities or other organizations; and/or other life experiences. Accordingly, set forth below is a summary of the experiences, qualifications, attributes, and skills that led to the conclusion, as of the date of this document, that each Board Member should continue to serve in that capacity. References to the experiences, qualifications, attributes and skills of Board Members are pursuant to requirements of the Securities and Exchange Commission, do not constitute holding out the Board or any Board Member as having any special expertise or experience and shall not impose any greater responsibility or liability on any such person or on the Board by reason thereof.

2. Approval of the Elimination of Fundamental Investment Policies and Approval of New Fundamental Policies for the Affected Municipal Funds

The Affected Municipal Funds have adopted certain fundamental investment policies relating to (i) investments in municipal securities and below investment grade securities, (ii) investments in other investment companies, (iii) investments in derivatives, short sales and commodities as described below and/or (iv) a Fund's ability to make loans (together, the Current Fundamental Policies, and each, a Current Fundamental Policy), that can only be changed by shareholder vote. The Current Fundamental Policies adopted by the Affected Municipal Funds reflected industry and other market conditions present at the time of the inception of each Fund.

Nuveen's municipal closed-end funds are seeking to adopt a uniform, up to date set of investment policies (the New Investment Policies). Investment policies currently vary across otherwise similar Nuveen municipal closed-end funds, reflecting evolving markets and guidelines as the different funds were launched over the past 20 years. As part of a continuing broader best practices initiative begun approximately 3 years ago, all Nuveen municipal closed-end funds, including the Affected Municipal Funds, are seeking to adopt a uniform set of investment policies that reflect municipal market and regulatory developments over time.

Among other things, the proposed New Investment Policies would permit all Affected Municipal Funds to make loans to the extent permitted by securities laws. This is intended to provide each Fund the flexibility to make loans in circumstances where a municipal issuer is in distress, if the Adviser believes that doing so would both:

facilitate a timely workout of the issuer's situation in a manner that benefits the Fund; and

is the best choice for reducing the likelihood or severity of loss on the Fund's investment.

In addition, all funds registered under the 1940 Act are required to have a policy regarding investments in commodities. This category includes several types of investments, including certain types of derivative investments that have developed over time, and which a fund may potentially use as it seeks to enhance return, to hedge some of the risks of its investments in fixed income securities or as a substitute for a position in the underlying asset. The commodity and derivative policy changes stated in this Proxy Statement seek to increase the Adviser's flexibility to use derivatives in these ways in pursuit of Fund investment objectives, which have not changed.

The potential benefits to common shareholders (of Premium Income and Performance Plus) from changes to investment policies relating to investments in municipal securities, below investment grade securities, other investment companies and derivatives, short sales and commodities include:

enhanced ability of the Funds to generate attractive levels of tax-exempt income, while retaining their orientation on investment grade quality municipal securities;

increased flexibility in diversifying portfolio risks and managing duration (the sensitivity of bond prices to interest rate changes) to pursue the preservation and possible growth of capital, which, if successful, will help to sustain and build common shareholder net asset value and asset coverage levels for preferred shares; and

improved secondary market competitiveness which may benefit common shareholders through higher relative market price and/or stronger premium/discount performance.

Harmonizing and updating these and other investment objectives is intended to benefit common shareholders by increasing portfolio manager efficiency and flexibility to take advantage of a wide range of appropriate opportunities in the municipal bond markets in pursuit of Fund investment objectives.

In order to implement the New Investment Policies, each Affected Municipal Fund must make certain changes to its existing policies, including certain fundamental policies, that require your vote of approval. In some cases, this may require your separate votes to approve the elimination of a Current Fundamental Policy as well as the implementation of a new, replacement fundamental policy (together, the New Fundamental Policies and each, a New Fundamental Policy). Because each Affected Municipal Fund tends to be situated somewhat differently, the specific changes required to implement the New Investment Policies may vary from Fund to Fund.

The primary purposes of these changes are to provide the Affected Municipal Funds with increased investment flexibility and to create consistent investment policies for all Nuveen municipal bond funds to promote operational efficiencies. Implementation of the New Fundamental Policies is contingent on shareholder approval of the elimination of the Current Fundamental Policies.

The Board has unanimously approved, and unanimously recommends the approval by shareholders of each Affected Municipal Fund, the elimination of the Current Fundamental Policies of the Affected Municipal Funds. In connection with eliminating the Current Fundamental Policies, the Board unanimously approved, and unanimously recommends the approval by shareholders of each Affected Municipal Fund of, the New Fundamental Policies, described below. In addition, the Board has approved certain new non-fundamental policies, described below (the New Non-Fundamental Policies).

(a) Elimination of Fundamental Policy Relating to Making Loans (All Affected Municipal Funds)

The Current Fundamental Policy for Municipal Income, Premium Income, Performance Plus, Municipal Advantage, Municipal Market Opportunity, Investment Quality, Quality Income, Premier Municipal, Premier Insured, Premium Income 2, Premium Income 4, Insured Municipal Opportunity, Insured Premium Income 2, Insured Quality, Select Maturities, Select Portfolio, Select Portfolio 2, Select Portfolio 3, California Portfolio and New York Portfolio with respect to making loans, and which is proposed to be eliminated, provides that the respective Fund shall not:

Make loans, other than by entering into repurchase agreements and through the purchase of [Municipal Obligations] [tax-exempt municipal obligations] or temporary investments in accordance with its investment objectives, policies and limitations.

The Current Fundamental Policy for Select Quality, Dividend Advantage, Dividend Advantage 2, Dividend Advantage 3, Insured Dividend Advantage and Insured Tax-Free Advantage with

respect to making loans, and which is proposed to be eliminated, provides that the respective Fund shall not:

Make loans, other than by entering into repurchase agreements and through the purchase of municipal bonds or short-term investments in accordance with its investment objectives, policies and limitations.

(b) Approval of New Fundamental Policy Relating to Making Loans (All Affected Municipal Funds)

It is proposed that each Affected Municipal Fund adopt a New Fundamental Policy with respect to making loans. The adoption of the following New Fundamental Policy for each Affected Municipal Fund is contingent on shareholder approval of the elimination of that Affected Municipal Fund's Current Fundamental Policy with respect to making loans, as reflected in 2(a) above. The proposed New Fundamental Policy provides that each Affected Municipal Fund shall not:

Make loans, except as permitted by the Investment Company Act of 1940 and exemptive orders granted under the Investment Company Act of 1940.

(c) Approval of the Elimination of Fundamental Policy Relating to Investments in Municipal Securities and Below Investment Grade Securities (Premium Income and Performance Plus)

The Current Fundamental Policy for Premium Income and Performance Plus with respect to investments in municipal securities and the ability to invest in below investment grade securities that is proposed to be eliminated is as follows:

Except to the extent that the Fund buys temporary investments, the Fund will, as a fundamental policy, invest substantially all of its assets (more than 80%) in tax-exempt municipal bonds that are rated at the time of purchase within the four highest grades (Baa or BBB or better) by Moody's or Standard & Poor's, except that the Fund may invest up to 20% of its assets in unrated municipal bonds which, in Nuveen Advisory's opinion, have credit characteristics equivalent to, and are of comparable quality to, municipal bonds so rated. The Fund will not invest in any rated municipal bonds that are rated lower than Baa by Moody's or BBB by Standard & Poor's at the time of purchase.

(d) Approval of New Fundamental Policy Relating to Investments in Municipal Securities (Premium Income and Performance Plus)

The following New Fundamental Policy will replace the Current Fundamental Policy for Premium Income and Performance Plus, referenced in 2(c) above. Implementation of the following New Fundamental Policy is contingent on shareholder approval of the elimination of each Fund's Current Fundamental Policy. The proposed New Fundamental Policy with respect to each Fund's investments in municipal securities is as follows:

Under normal circumstances, the Fund will invest at least 80% of its net assets, including assets attributable to any principal amount of any borrowings (including the issuance of commercial paper or notes) or any preferred shares outstanding (Managed Assets) in municipal securities and other related investments, the income from which is exempt from regular federal income tax.

In addition, the Board has adopted New Non-Fundamental Policies with respect to investing in investment grade securities for Premium Income and Performance Plus, which will be implemented upon the elimination of the Current Fundamental Policy described in 2(c) above. The New Non-Fundamental Policies relating to investing in investment grade securities are as follows:

- (i) Under normal circumstances, the Fund will invest at least 80% of its Managed Assets in investment grade securities that, at the time of investment, are rated within the four highest grades (Baa or BBB or better) by at least one nationally recognized statistical rating organization or are unrated but judged to be of comparable quality by the Fund's investment adviser.
- (ii) The Fund may invest up to 20% of its Managed Assets in municipal securities that at the time of investment are rated below investment grade or are unrated but judged to be of comparable quality by the Fund's investment adviser.
- (iii) No more than 10% of the Fund's Managed Assets may be invested in municipal securities rated below B3/B- or that are unrated but judged to be of comparable quality by the Fund's investment adviser.

Related to these changes for Premium Income and Performance Plus, the Board of each Fund has also amended and standardized the description of municipal securities in which a Fund may invest to include various types of municipal securities. The new description, generally provides:

The Fund may invest in various municipal securities, including municipal bonds and notes, other securities issued to finance and refinance public projects, and other related securities and derivative instruments creating exposure to municipal bonds, notes and securities that provide for the payment of interest income that is exempt from federal income tax (Municipal Obligations). Municipal Obligations are generally debt obligations issued by state and local governmental entities and may be issued by U.S. territories to finance or refinance public projects such as roads, schools, and water supply systems. Municipal Obligations may also be issued for private activities, such as housing, medical and educational facility construction, or for privately owned transportation, electric utility and pollution control projects. Municipal Obligations may be issued on a long term basis to provide permanent financing. The repayment of such debt may be secured generally by a pledge of the full faith and credit taxing power of the issuer, a limited or special tax, or any other revenue source including project revenues, which may include tolls, fees and other user charges, lease payments, and mortgage payments. Municipal Obligations may also be issued to finance projects on a short term interim basis, anticipating repayment with the proceeds on long term debt. Municipal Obligations may be issued and purchased in the form of bonds, notes, leases or certificates of participation; structured as callable or noncallable; with payment forms including fixed coupon, variable rate, zero coupon, capital appreciation bonds, tender option bonds, and residual interest bonds or inverse floating rate securities; or acquired through investments in pooled vehicles, partnerships or other investment companies. Inverse floating rate securities are securities that pay interest at rates that vary inversely with changes in prevailing short-term tax-exempt interest rates and represent a leveraged investment in an underlying municipal security, which may increase the effective leverage of the Fund.

(e) Elimination of the Fundamental Policy Relating to Investing in Other Investment Companies (Premium Income and Performance Plus)

Premium Income and Performance Plus do not have specific restrictions as to investments in other investment companies. However, each such Fund has an investment policy that only

permits investment in municipal obligations and temporary investments and thereby prohibits investment in other investment companies. The general restriction, which is proposed to be eliminated, is as follows:

The Fund may not invest in securities other than Municipal Obligations and temporary investments as described under Investment Objectives and Policies Portfolio Investments. *

In addition, with respect to each Fund's ability to invest in other investment companies, the Board has adopted a New Non-Fundamental Policy to be implemented upon the elimination of that Fund's Current Fundamental Policy relating to investments in other investment companies. The proposed New Non-Fundamental Policy relating to investments in other investment companies is as follows:

The Fund may invest up to 10% of its Managed Assets in securities of other open- or closed-end investment companies (including exchange-traded funds (often referred to as ETFs)) that invest primarily in municipal securities of the types in which the Fund may invest directly.

(f) Elimination of Fundamental Policy Relating to Commodities (Premium Income and Performance Plus)

The Current Fundamental Policy for Premium Income and Performance Plus relating to each Fund's investment in commodities, which is proposed to be eliminated, is as follows:

The Fund, as a fundamental policy, may not purchase or sell commodities or commodities contracts, except for transactions involving futures contracts within the limits described under Certain Trading Strategies of the Fund Financial Futures and Options Transactions. *

(g) Approval of New Fundamental Policy Relating to Commodities (Premium Income and Performance Plus)

It is proposed that Premium Income and Performance Plus adopt a New Fundamental Policy with respect to commodities. The adoption of the following New Fundamental Policy for Premium Income and Performance Plus is contingent on shareholder approval of the elimination of that Fund's Current Fundamental Policy with respect to commodities, as reflected in 2(f) above. The proposed New Fundamental Policy is as follows:

The Fund may not purchase or sell physical commodities unless acquired as a result of ownership of securities or other instruments (but this shall not prevent the Fund from purchasing or selling options, futures contracts or derivative instruments or from investing in securities or other instruments backed by physical commodities).

* References are to a Fund's registration statement.

(h) Elimination of Fundamental Policies Relating to Derivatives and Short Sales (Premium Income and Performance Plus)

The Current Fundamental Policies relating to derivatives and short sales that are proposed to be eliminated are as follows:

Premium Income

(i) The Fund may not make short sales of securities or purchase any securities on margin (except for such short-term credits as are necessary for the clearance of transactions), or write or purchase put or call options, except for transactions involving options within the limits described under Certain Trading Strategies of the Fund Financial Futures and Options Transactions. *

(ii) The Fund may not purchase financial futures and options except within the limits described in Certain Trading Strategies of the Fund Financial Futures and Options Transactions. *

Performance Plus

(i) The Fund may not make short sales of securities or purchase any securities on margin (except for such short-term credits as are necessary for the clearance of transactions), or write or purchase put or call options, except to the extent that the purchase of a standby commitment may be considered the purchase of a put, and except for transactions involving options within the limits described under Certain Trading Strategies of the Fund Financial Futures and Options Transactions. *

(ii) The Fund may not purchase financial futures and options except within the limits described in Certain Trading Strategies of the Fund Financial Futures and Options Transactions. *

In connection with the elimination of the Current Fundamental Policies relating to derivatives and short sales, as reflected above, the Board has adopted the following New Non-Fundamental Policies for Premium Income and Performance Plus, the implementation of which are contingent on shareholder approval of the elimination of the respective Fund's Current Fundamental Policies with respect to derivatives and short sales. The New Non-Fundamental Policies are as follows:

(i) The Fund may invest in derivative instruments in pursuit of its investment objectives. Such instruments include financial futures contracts, swap contracts (including interest rate and credit default swaps), options on financial futures, options on swap contracts, or other derivative instruments. The Adviser uses derivatives to seek to enhance return, to hedge some of the risks of its investments in fixed income securities or as a substitute for a position in the underlying asset.

(ii) The Fund may not sell securities short, unless the Fund owns or has the right to obtain securities equivalent in kind and amount to the securities sold at no added cost, and provided that transactions in options, futures contracts, options on futures contracts, or other derivative instruments are not deemed to constitute selling securities short.

* References are to a Fund's registration statement.

(iii) The Fund may not enter into futures contracts or related options or forward contracts, if more than 30% of the Fund's net assets would be represented by futures contracts or more than 5% of the Fund's net assets would be committed to initial margin deposits and premiums on futures contracts and related options.

Board Recommendation

The Board believes that eliminating the Current Fundamental Policies and adopting the New Investment Policies gives the Adviser flexibility to rapidly respond to continuing developments in the municipal market and would enhance the portfolio managers' ability to meet each Affected Municipal Fund's investment objective. In addition, the Board believes that the proposed changes will create consistent investment policies for all Nuveen municipal bond funds and will help to promote operational efficiencies.

The Board recommends that shareholders of each Affected Municipal Fund vote to approve the elimination of each Current Fundamental Policy and to approve each New Fundamental Policy.

Audit Committee Report

The Audit Committee of each Board is responsible for the oversight and monitoring of (1) the accounting and reporting policies, processes and practices, and the audit of the financial statements, of each Fund, (2) the quality and integrity of the Funds' financial statements and (3) the independent registered public accounting firm's qualifications, performance and independence. In its oversight capacity, the committee reviews each Fund's annual financial statements with both management and the independent registered public accounting firm and the committee meets periodically with the independent registered public accounting firm and internal auditors to consider their evaluation of each Fund's financial and internal controls. The committee also selects, retains, evaluates and may replace each Fund's independent registered public accounting firm. The committee is currently composed of five Independent Board Members and operates under a written charter adopted and approved by each Board. Each committee member meets the independence and experience requirements, as applicable, of the New York Stock Exchange, NYSE Amex, Section 10A of the 1934 Act and the rules and regulations of the SEC.

The committee, in discharging its duties, has met with and held discussions with management and each Fund's independent registered public accounting firm. The committee has also reviewed and discussed the audited financial statements with management. Management has represented to the independent registered public accounting firm that each Fund's financial statements were prepared in accordance with generally accepted accounting principles. The committee has also discussed with the independent registered public accounting firm the matters required to be discussed by Statement on Auditing Standards (SAS) No. 114, (The Auditor's Communication With Those Charged With Governance), which supersedes SAS No. 61 (Communication with Audit Committees). Each Fund's independent registered public accounting firm provided to the committee the written disclosure required by Public Company Accounting Oversight Board Rule 3526 (Communications with Audit Committees Concerning Independence), and the committee discussed with representatives of the independent registered public accounting firm their firm's independence. As provided in the Audit Committee Charter, it is not the committee's responsibility to determine, and the considerations and discussions referenced above do not ensure, that each Fund's financial statements are

complete and accurate and presented in accordance with generally accepted accounting principles.

Based on the committee's review and discussions with management and the independent registered public accounting firm, the representations of management and the report of the independent registered public accounting firm to the committee, the committee has recommended that the audited financial statements be included in each Fund's Annual Report.

The current members of the committee are:

Audit Committee Pre-Approval Policies and Procedures. Generally, the Audit Committee must approve each Fund's independent registered public accounting firm's engagements (i) with the Fund for audit or non-audit services and (ii) with the Adviser and Adviser Entities for non-audit services if the engagement relates directly to the operations and financial reporting of the Fund. Regarding tax and research projects conducted by the independent registered public accounting firm for each Fund and the Adviser and Adviser Entities (with respect to the operations and financial reporting of each Fund), such engagements will be (i) pre-approved by the audit committee if they are expected to be for amounts greater than \$10,000; (ii) reported to the Audit Committee Chairman for his/her verbal approval prior to engagement if they are expected to be for amounts under \$10,000 but greater than \$5,000; and (iii) reported to the Audit Committee at the next Audit Committee meeting if they are expected to be for an amount under \$5,000.

The Audit Committee has approved in advance all audit services and non-audit services that the independent registered public accounting firm provided to each Fund and to the Adviser and Adviser Entities (with respect to the operations and financial reporting of each Fund). None of the services rendered by the independent registered public accounting firm to each Fund or the Adviser or Adviser Entities were pre-approved by the Audit Committee pursuant to the pre-approval exception under Rule 2.01(c)(7)(i)(C) or Rule 2.01(c)(7)(ii) of Regulation S-X.

Additional Information

Appointment of the Independent Registered Public Accounting Firm

Each Board has appointed Ernst & Young LLP as independent registered public accounting firm to audit the books and records of each Fund for its current fiscal year. A representative of Ernst & Young LLP will be present at the Annual Meetings to make a statement, if such representative so desires, and to respond to shareholders' questions. Ernst & Young LLP has informed each Fund that it has no direct or indirect material financial interest in the Funds, Nuveen, the Adviser or any other investment company sponsored by Nuveen.

Section 16(a) Beneficial Interest Reporting Compliance

Section 30(h) of the 1940 Act and Section 16(a) of the 1934 Act require Board Members and officers, the Adviser, affiliated persons of the Adviser and persons who own more than 10% of a registered class of a Fund's equity securities to file forms reporting their affiliation with that Fund and reports of ownership and changes in ownership of that Fund's shares with the SEC and the New York Stock Exchange or NYSE Amex, as applicable. These persons and entities are required by SEC regulation to furnish the Funds with copies of all Section 16(a) forms they file. Based on a review of these forms furnished to each Fund, each Fund believes that its Board Members and officers, the Adviser and affiliated persons of the Adviser have complied with all applicable Section 16(a) filing requirements during its last fiscal year, except as follows: Mr. James Ruane, an officer of the Funds and the Adviser, made a late filing on Form 3 with respect to Dividend Advantage 3; Mr. William J. Schneider, a Board Member, made a late filing on Form 4 with respect to Performance Plus; Mr. John P. Amboian, a Board Member, made an amended filing on Form 4 with respect to Insured Dividend. To the knowledge of management of the Funds, no shareholder of a Fund owns more than 10% of a registered class of a Fund's equity securities, except as provided in Appendix B.

Information About the Adviser

The Adviser, located at 333 West Wacker Drive, Chicago, Illinois 60606, serves as investment adviser and manager for each Fund. The Adviser is a wholly-owned subsidiary of Nuveen. Nuveen is a wholly-owned subsidiary of Windy City, a corporation formed by investors led by Madison Dearborn Partners, LLC (MDP), a private equity investment firm based in Chicago, Illinois. Windy City is controlled by MDP on behalf of the Madison Dearborn Capital Partner V funds.

Shareholder Proposals

To be considered for presentation at the annual meeting of shareholders of the Funds to be held in 2011, a shareholder proposal submitted pursuant to Rule 14a-8 of the 1934 Act must be received at the offices of that Fund, 333 West Wacker Drive, Chicago, Illinois 60606, not later than March 1, 2012. A shareholder wishing to provide notice in the manner prescribed by Rule 14a-4(c)(1) of a proposal submitted outside of the process of Rule 14a-8 must, pursuant to each Fund's By-Laws, submit such written notice to the Fund not later than May 15, 2012 or prior to April 25, 2012. Timely submission of a proposal does not mean that such proposal will be included in a proxy statement.

Shareholder Communications

Fund shareholders who want to communicate with the Board or any individual Board Member should write to the attention of Lorna Ferguson, Manager of Fund Board Relations, Nuveen Investments, 333 West Wacker Drive, Chicago, Illinois 60606. The letter should indicate that you are a Fund shareholder and note the Fund or Funds that you own. If the communication is intended for a specific Board Member and so indicates it will be sent only to that Board Member. If a communication does not indicate a specific Board Member and it will be sent to the Independent Chairman and the outside counsel to the Independent Board Members for further distribution as deemed appropriate by such persons.

Expenses of Proxy Solicitation

With respect to routine items, such as the election of Board Members, the cost of preparing, printing and mailing the enclosed proxy, accompanying notice and proxy statement and all other costs in connection with the solicitation of proxies will be paid by the Funds pro rata based on the number of shareholder accounts. For non-routine items, such as updating investment policies, the costs in connection with the solicitation of proxies will be paid by the Funds subject to such non-routine items based on the number of shareholder accounts. Additional solicitation may be made by letter or telephone by officers or employees of Nuveen or the Adviser, or by dealers and their representatives. Any additional costs of solicitation will be paid by the Fund that requires additional solicitation.

Fiscal Year

The fiscal year end for each Fund (except Select Maturities, Select Portfolio, Select Portfolio 2, Select Portfolio 3, California Portfolio, New York Portfolio and Build America) is October 31. The fiscal year end for Build America, Select Maturities, Select Portfolio, Select Portfolio 2, Select Portfolio 3, California Portfolio and New York Portfolio is March 31.

Annual Report Delivery

Annual reports will be sent to shareholders of record of each Fund following each Fund's fiscal year end. Each Fund will furnish, without charge, a copy of its annual report and/or semi-annual report as available upon request. Such written or oral requests should be directed to such Fund at 333 West Wacker Drive, Chicago, Illinois 60606 or by calling 1-800-257-8787.

Important Notice Regarding the Availability of Proxy Materials for the Shareholder Meeting To Be Held on July 25, 2011

Each Fund's Proxy Statement is available at www.nuveen.com/CEF/Info/Shareholder/Proxy-statements.aspx. For more information, shareholders may also contact the applicable Fund at the address and phone number set forth above.

Please note that only one annual report or proxy statement may be delivered to two or more shareholders of a Fund who share an address, unless the Fund has received instructions to the contrary. To request a separate copy of an annual report or proxy statement, or for instructions as to how to request a separate copy of such documents or as to how to request a single copy if multiple copies of such documents are received, shareholders should contact the applicable Fund at the address and phone number set forth above.

General

Management does not intend to present and does not have reason to believe that any other items of business will be presented at the Annual Meetings. However, if other matters are properly presented to the Annual Meetings for a vote, the proxies will be voted by the persons acting under the proxies upon such matters in accordance with their judgment of the best interests of the Fund.

A list of shareholders entitled to be present and to vote at each Annual Meeting will be available at the offices of the Funds, 333 West Wacker Drive, Chicago, Illinois, for inspection by any shareholder during regular business hours beginning ten days prior to the date of the Annual Meeting.

Failure of a quorum to be present at any Annual Meeting will necessitate adjournment and will subject that Fund to additional expense. The persons named in the enclosed proxy may also move for an adjournment of any Annual Meeting to permit further solicitation of proxies with respect to the proposal(s) if they determine that adjournment and further solicitation is reasonable and in the best interests of the shareholders. Under each Fund's By-Laws, an adjournment of a meeting with respect to a matter requires the affirmative vote of a majority of the shares entitled to vote on the matter present in person or represented by proxy at the meeting.

IF YOU CANNOT BE PRESENT AT THE MEETING, YOU ARE REQUESTED TO FILL IN, SIGN AND RETURN THE ENCLOSED PROXY PROMPTLY. NO POSTAGE IS REQUIRED IF MAILED IN THE UNITED STATES.

**NUVEEN FUND BOARD
AUDIT COMMITTEE CHARTER**

I. Organization and Membership

There shall be a committee of each Board of Directors/Trustees (the Board) of the Nuveen Management Investment Companies (the Funds or, individually, a Fund) to be known as the Audit Committee. The Audit Committee shall be comprised of at least three Directors/Trustees. Audit Committee members shall be independent of the Funds and free of any relationship that, in the opinion of the Directors/Trustees, would interfere with their exercise of independent judgment as an Audit Committee member. In particular, each member must meet the independence and experience requirements applicable to the Funds of the exchanges on which shares of the Funds are listed, Section 10A of the Securities Exchange Act of 1934 (the Exchange Act), and the rules and regulations of the Securities and Exchange Commission (the Commission). Each such member of the Audit Committee shall have a basic understanding of finance and accounting, be able to read and understand fundamental financial statements, and be financially literate, and at least one such member shall have accounting or related financial management expertise, in each case as determined by the Directors/Trustees, exercising their business judgment (this person may also serve as the Audit Committee's financial expert as defined by the Commission). The Board shall appoint the members and the Chairman of the Audit Committee, on the recommendation of the Nominating and Governance Committee. The Audit Committee shall meet periodically but in any event no less frequently than on a semi-annual basis. Except for the Funds, Audit Committee members shall not serve simultaneously on the audit committees of more than two other public companies.

II. Statement of Policy, Purpose and Processes

The Audit Committee shall assist the Board in oversight and monitoring of (1) the accounting and reporting policies, processes and practices, and the audits of the financial statements, of the Funds; (2) the quality and integrity of the financial statements of the Funds; (3) the Funds' compliance with legal and regulatory requirements, (4) the independent auditors' qualifications, performance and independence; and (5) oversight of the Pricing Procedures of the Funds and the Valuation Group. In exercising this oversight, the Audit Committee can request other committees of the Board to assume responsibility for some of the monitoring as long as the other committees are composed exclusively of independent directors.

In doing so, the Audit Committee shall seek to maintain free and open means of communication among the Directors/Trustees, the independent auditors, the internal auditors and the management of the Funds. The Audit Committee shall meet periodically with Fund management, the Funds' internal auditor, and the Funds' independent auditors, in separate executive sessions. The Audit Committee shall prepare reports of the Audit Committee as required by the Commission to be included in the Fund's annual proxy statements or otherwise.

The Audit Committee shall have the authority and resources in its discretion to retain special legal, accounting or other consultants to advise the Audit Committee and to otherwise discharge its responsibilities, including appropriate funding as determined by the Audit Committee for compensation to independent auditors engaged for the purpose of preparing or issuing an audit report or performing other audit, review or attest services for a Fund,

compensation to advisers employed by the Audit Committee, and ordinary administrative expenses of the Audit Committee that are necessary or appropriate in carrying out its duties, as determined in its discretion. The Audit Committee may request any officer or employee of Nuveen Investments, Inc. (or its affiliates) (collectively, Nuveen) or the Funds independent auditors or outside counsel to attend a meeting of the Audit Committee or to meet with any members of, or consultants to, the Audit Committee. The Funds independent auditors and internal auditors shall have unrestricted accessibility at any time to Committee members.

Responsibilities

Fund management has the primary responsibility to establish and maintain systems for accounting, reporting, disclosure and internal control.

The independent auditors have the primary responsibility to plan and implement an audit, with proper consideration given to the accounting, reporting and internal controls. Each independent auditor engaged for the purpose of preparing or issuing an audit report or performing other audit, review or attest services for the Funds shall report directly to the Audit Committee. The independent auditors are ultimately accountable to the Board and the Audit Committee. It is the ultimate responsibility of the Audit Committee to select, appoint, retain, evaluate, oversee and replace any independent auditors and to determine their compensation, subject to ratification of the Board, if required. These Audit Committee responsibilities may not be delegated to any other Committee or the Board.

The Audit Committee is responsible for the following:

With respect to Fund financial statements:

1. Reviewing and discussing the annual audited financial statements and semi-annual financial statements with Fund management and the independent auditors including major issues regarding accounting and auditing principles and practices, and the Funds disclosures in its periodic reports under Management s Discussion and Analysis.
2. Requiring the independent auditors to deliver to the Chairman of the Audit Committee a timely report on any issues relating to the significant accounting policies, management judgments and accounting estimates or other matters that would need to be communicated under Statement on Auditing Standards (SAS) No. 90, Audit Committee Communications (which amended SAS No. 61, Communication with Audit Committees), that arise during the auditors review of the Funds financial statements, which information the Chairman shall further communicate to the other members of the Audit Committee, as deemed necessary or appropriate in the Chairman s judgment.
3. Discussing with management the Funds press releases regarding financial results and dividends, as well as financial information and earnings guidance provided to analysts and rating agencies. This discussion may be done generally, consisting of discussing the types of information to be disclosed and the types of presentations to be made. The Chairman of the Audit Committee shall be authorized to have these discussions with management on behalf of the Audit Committee.

4. Discussing with management and the independent auditors (a) significant financial reporting issues and judgments made in connection with the preparation and presentation of the Funds' financial statements, including any significant changes in the Funds' selection or application of accounting principles and any major issues as to the adequacy of the Funds' internal controls and any special audit steps adopted in light of material control deficiencies; and (b) analyses prepared by Fund management and/or the independent auditor setting forth significant financial reporting issues and judgments made in connection with the preparation of the financial statements, including analyses of the effects of alternative GAAP methods on the financial statements.
5. Discussing with management and the independent auditors the effect of regulatory and accounting initiatives on the Funds' financial statements.
6. Reviewing and discussing reports, both written and oral, from the independent auditors and/or Fund management regarding (a) all critical accounting policies and practices to be used; (b) all alternative treatments of financial information within generally accepted accounting principles that have been discussed with management, ramifications of the use of such alternative treatments and disclosures, and the treatment preferred by the independent auditors; and (c) other material written communications between the independent auditors and management, such as any management letter or schedule of unadjusted differences.
7. Discussing with Fund management the Funds' major financial risk exposures and the steps management has taken to monitor and control these exposures, including the Funds' risk assessment and risk management policies and guidelines. In fulfilling its obligations under this paragraph, the Audit Committee may review in a general manner the processes other Board committees have in place with respect to risk assessment and risk management.
8. Reviewing disclosures made to the Audit Committee by the Funds' principal executive officer and principal financial officer during their certification process for the Funds' periodic reports about any significant deficiencies in the design or operation of internal controls or material weaknesses therein and any fraud involving management or other employees who have a significant role in the Funds' internal controls. In fulfilling its obligations under this paragraph, the Audit Committee may review in a general manner the processes other Board committees have in place with respect to deficiencies in internal controls, material weaknesses, or any fraud associated with internal controls.

With respect to the independent auditors:

1. Selecting, appointing, retaining or replacing the independent auditors, subject, if applicable, only to Board and shareholder ratification; and compensating, evaluating and overseeing the work of the independent auditor (including the resolution of disagreements between Fund management and the independent auditor regarding financial reporting).
2. Meeting with the independent auditors and Fund management to review the scope, fees, audit plans and staffing for the audit, for the current year. At the conclusion of the audit, reviewing such audit results, including the independent auditors

evaluation of the Funds' financial and internal controls, any comments or recommendations of the independent auditors, any audit problems or difficulties and management's response, including any restrictions on the scope of the independent auditor's activities or on access to requested information, any significant disagreements with management, any accounting adjustments noted or proposed by the auditor but not made by the Fund, any communications between the audit team and the audit firm's national office regarding auditing or accounting issues presented by the engagement, any significant changes required from the originally planned audit programs and any adjustments to the financial statements recommended by the auditors.

3. Pre-approving all audit services and permitted non-audit services, and the terms thereof, to be performed for the Funds by their independent auditors, subject to the de minimis exceptions for non-audit services described in Section 10A of the Exchange Act that the Audit Committee approves prior to the completion of the audit, in accordance with any policies or procedures relating thereto as adopted by the Board or the Audit Committee. The Chairman of the Audit Committee shall be authorized to give pre-approvals of such non-audit services on behalf of the Audit Committee.
4. Obtaining and reviewing a report or reports from the independent auditors at least annually (including a formal written statement delineating all relationships between the auditors and the Funds consistent with Independent Standards Board Standard 1, as may be amended, restated, modified or replaced) regarding (a) the independent auditor's internal quality-control procedures; (b) any material issues raised by the most recent internal quality-control review, or peer review, of the firm, or by any inquiry or investigation by governmental or professional authorities within the preceding five years, respecting one or more independent audits carried out by the firm; (c) any steps taken to deal with any such issues; and (d) all relationships between the independent auditor and the Funds and their affiliates, in order to assist the Audit committee in assessing the auditor's independence. After reviewing the foregoing report[s] and the independent auditor's work throughout the year, the Audit Committee shall be responsible for evaluating the qualifications, performance and independence of the independent auditor and their compliance with all applicable requirements for independence and peer review, and a review and evaluation of the lead partner, taking into account the opinions of Fund management and the internal auditors, and discussing such reports with the independent auditors. The Audit Committee shall present its conclusions with respect to the independent auditor to the Board.
5. Reviewing any reports from the independent auditors mandated by Section 10A(b) of the Exchange Act regarding any illegal act detected by the independent auditor (whether or not perceived to have a material effect on the Funds' financial statements) and obtaining from the independent auditors any information about illegal acts in accordance with Section 10A(b).
6. Ensuring the rotation of the lead (or coordinating) audit partner having primary responsibility for the audit and the audit partner responsible for reviewing the audit as required by law, and further considering the rotation of the independent auditor firm itself.

7. Establishing and recommending to the Board for ratification policies for the Funds, Fund management or the Fund adviser's hiring of employees or former employees of the independent auditor who participated in the audits of the Funds.
8. Taking, or recommending that the Board take, appropriate action to oversee the independence of the outside auditor.

With respect to any internal auditor:

1. Reviewing the proposed programs of the internal auditor for the coming year. It is not the obligation or responsibility of the Audit Committee to confirm the independence of any Nuveen internal auditors performing services relating to the Funds or to approve any termination or replacement of the Nuveen Manager of Internal Audit.
2. Receiving a summary of findings from any completed internal audits pertaining to the Funds and a progress report on the proposed internal audit plan for the Funds, with explanations for significant deviations from the original plan.

With respect to pricing and valuation oversight:

1. The Board has responsibilities regarding the pricing of a Fund's securities under the 1940 Act. The Board has delegated this responsibility to the Committee to address valuation issues that arise between Board meetings, subject to the Board's general supervision of such actions. The Committee is primarily responsible for the oversight of the Pricing Procedures and actions taken by the internal Valuation Group (Valuation Matters). The Valuation Group will report on Valuation Matters to the Committee and/or the Board of Directors/Trustees, as appropriate.
2. Performing all duties assigned to it under the Funds' Pricing Procedures, as such may be amended from time to time.
3. Periodically reviewing and making recommendations regarding modifications to the Pricing Procedures as well as consider recommendations by the Valuation Group regarding the Pricing Procedures.
4. Reviewing any issues relating to the valuation of a Fund's securities brought to the Committee's attention, including suspensions in pricing, pricing irregularities, price overrides, self-pricing, NAV errors and corrections thereto, and other pricing matters. In this regard, the Committee should consider the risks to the Funds in assessing the possible resolutions of these Valuation Matters.
5. Evaluating, as it deems necessary or appropriate, the performance of any pricing agent and recommend changes thereto to the full Board.
6. Reviewing any reports or comments from examinations by regulatory authorities relating to Valuation Matters of the Funds and consider management's responses to any such comments and, to the extent the Committee deems necessary or appropriate, propose to management and/or the full Board the modification of the Fund's policies and procedures relating to such matters. The Committee, if deemed necessary or desirable, may also meet with regulators.

7. Meeting with members of management of the Funds, outside counsel, or others in fulfilling its duties hereunder, including assessing the continued appropriateness and adequacy of the Pricing Procedures, eliciting any recommendations for improvements of such procedures or other Valuation Matters, and assessing the possible resolutions of issues regarding Valuation Matters brought to its attention.
8. Performing any special review, investigations or oversight responsibilities relating to Valuation as requested by the Board of Directors/Trustees.
9. Investigating or initiating an investigation of reports of improprieties or suspected improprieties in connection with the Funds' policies and procedures relating to Valuation Matters not otherwise assigned to another Board committee.

Other responsibilities:

1. Reviewing with counsel to the Funds, counsel to Nuveen, the Fund adviser's counsel and independent counsel to the Board legal matters that may have a material impact on the Funds' financial statements or compliance policies.
2. Receiving and reviewing periodic or special reports issued on exposure/controls, irregularities and control failures related to the Funds.
3. Reviewing with the independent auditors, with any internal auditor and with Fund management, the adequacy and effectiveness of the accounting and financial controls of the Funds, and eliciting any recommendations for the improvement of internal control procedures or particular areas where new or more detailed controls or procedures are desirable. Particular emphasis should be given to the adequacy of such internal controls to expose payments, transactions or procedures that might be deemed illegal or otherwise improper.
4. Reviewing the reports of examinations by regulatory authorities as they relate to financial statement matters.
5. Discussing with management and the independent auditor any correspondence with regulators or governmental agencies that raises material issues regarding the Funds' financial statements or accounting policies.
6. Obtaining reports from management with respect to the Funds' policies and procedures regarding compliance with applicable laws and regulations.
7. Reporting regularly to the Board on the results of the activities of the Audit Committee, including any issues that arise with respect to the quality or integrity of the Funds' financial statements, the Funds' compliance with legal or regulatory requirements, the performance and independence of the Funds' independent auditors, or the performance of the internal audit function.
8. Performing any special reviews, investigations or oversight responsibilities requested by the Board.
9. Reviewing and reassessing annually the adequacy of this charter and recommending to the Board approval of any proposed changes deemed necessary or advisable by the Audit Committee.

D-6

10. Undertaking an annual review of the performance of the Audit Committee.
11. Establishing procedures for the receipt, retention and treatment of complaints received by the Funds regarding accounting, internal accounting controls or auditing matters, and the confidential, anonymous submission of concerns regarding questionable accounting or auditing matters by employees of Fund management, the investment adviser, administrator, principal underwriter, or any other provider of accounting related services for the Funds, as well as employees of the Funds.

Although the Audit Committee shall have the authority and responsibilities set forth in this Charter, it is not the responsibility of the Audit Committee to plan or conduct audits or to determine that the Funds' financial statements are complete and accurate and are in accordance with generally accepted accounting principles. That is the responsibility of management and the independent auditors. Nor is it the duty of the Audit Committee to conduct investigations, to resolve disagreements, if any, between management and the independent auditors or to ensure compliance with laws and regulations.
