On February 5, 2002, certain members of the Registrant's management will meet with institutional investors and will make a slide presentation. The text of slides to be shown during the presentation is attached hereto and incorporated herein by reference as Exhibit 99 to this Form 8-K.

The furnishing of this Exhibit is not intended to constitute a representation that such furnishing is required by Regulation FD or that the information it contains includes material investor information that is not otherwise publicly available. Investors are cautioned that such statements are only predictions, and speak only as of February 5, 2002, the date of the presentation. The Registrant does not assume any obligation to update such information in the future. The Registrant's actual results in the future may differ materially from those projected in the forward-looking statements due to risks and uncertainties that exist in the Registrant's operations and business environment including, but not limited to: the impact of increasing competition or deterioration of economic conditions in LaBarge's markets; cutbacks in defense spending by the U.S. Government; the outcome of litigation the Company is party to; unexpected increases in the cost of raw materials, labor and other resources necessary to operate LaBarge's business; and the availability, amount, type and cost of financing for LaBarge and any changes to that financing.
