This proxy statement, the accompanying notice and form of proxy are first being mailed to stockholders on or about April 27, 2006. These proxy materials are being furnished to the stockholders of Blue Dolphin Energy Company, a Delaware corporation (the "Company"), in connection with the solicitation of proxies by the Board of Directors of the Company for use at the annual meeting of stockholders (the "Annual Meeting") and any adjournment or postponement thereof. The Annual Meeting will be held on Wednesday, May 17, 2006, at 2:00 p.m., Houston time, at the Houston Club in the Magnolia Room on the 9th floor, located at 811 Rusk, Houston, Texas, 77002.

At the Annual Meeting, stockholders will be asked (i) to elect six directors to serve until the next annual meeting of stockholders or until their successors are duly elected and qualified, or until their earlier resignation or removal; (ii) to consider and vote upon the proposal to approve an amendment to the Blue Dolphin Energy Company 2000 Stock Incentive Plan to increase the number of authorized shares reserved for issuance thereunder from 650,000 shares to 800,000 shares; and (iii) to transact any other business that may properly come before the Annual Meeting or any adjournment or postponement thereof.

The Company will bear all costs of this solicitation. Proxies will be solicited primarily by mail, but directors, officers and other employees of the Company may also solicit proxies in person or by telephone in the ordinary course of business for which they will not receive additional compensation. The Company has requested that brokerage houses, nominees, fiduciaries and other custodians send proxy materials to the beneficial owners of the Company's common stock, par value \$.01 per share (the "Common Stock"), for which the Company will reimburse them for their reasonable out-of-pocket expenses.

RECORD DATE; QUORUM

The Board of Directors has fixed the close of business on April 13, 2006, as the record date (the "Record Date") for the determination of stockholders entitled to notice of, and to vote at, the Annual Meeting. A complete list of stockholders entitled to vote at the Annual Meeting will be open for examination by any stockholder during normal business hours for a period of ten days prior to the Annual Meeting at the Company's principal executive offices, 801 Travis, Suite 2100, Houston, Texas. At the close of business on April 13, 2006, there were outstanding 11,140,734 shares of Common Stock. The holders of a majority of the total shares of Common Stock issued and outstanding, whether present in person or represented by proxies, will constitute a quorum for the transaction of business at the Annual Meeting. Abstentions and broker non-votes (i.e. shares held by brokers and other nominees as to which they have not received voting instructions from the beneficial owners and lack the discretionary authority to vote on a particular matter) are counted as present for purposes of determining whether a quorum is present.

PROPOSAL NO. 1: ELECTION OF DIRECTORS

NOMINEES

Messrs. Laurence N. Benz, Michael S. Chadwick, Harris A. Kaffie, Erik Ostbye, F. Gardner Parker and Ivar Siem (each a "Nominee" and collectively, the "Nominees") have been nominated by the Board of Directors, to serve as directors until the next annual meeting of stockholders, or in each case, until their successors have been duly elected and qualified, or until their earlier resignation or removal. All of the Nominees have previously been elected by the stockholders, except Mr. Ostbye. Mr. Trimble, who is a Director, was not nominated for reelection by the Board of Directors. Each Nominee has consented to be nominated and has expressed his intention to serve if elected. The Board of Directors has no reason to believe that any of the Nominees will be unable or unwilling to serve if elected. However, should any Nominee become unable or unwilling to serve as a director at the time of the Annual Meeting, the person or persons exercising the proxies will vote for the election of a substitute nominee designated by the Board of Directors.

VOTE REQUIRED

A plurality of the votes cast by the stockholders present and entitled to vote at the Annual Meeting, in person or by proxy, is necessary for the election of directors. Accordingly, abstentions and broker non-votes will have no effect on the election of directors.

RECOMMENDATION

THE BOARD OF DIRECTORS RECOMMENDS THAT THE STOCKHOLDERS VOTE "FOR" THE ELECTION OF EACH OF THE NOMINEES.

COMMITTEES AND MEETINGS OF THE BOARD OF DIRECTORS

During 2005, the Board of Directors held four regular meetings and six special meetings. Each director attended at least 75% of the total number of meetings of the Board of Directors and committees on which he served. The Board of Directors has two standing committees, an Audit Committee and a Compensation Committee.

AUDIT COMMITTEE

At the beginning of 2005, the Audit Committee consisted of Messrs. Benz, Chadwick and Trimble. In July 2005, the Board of Directors appointed Messrs. Benz, Kaffie, and Trimble to serve as the Audit Committee, with Dr. Benz elected to continue as Chairman of the Audit Committee. The Board of Directors has determined that Dr. Benz qualifies as an "audit committee financial expert" as that term is defined in Item 401(e) of Regulation S-B promulgated by the SEC. The Audit Committee's duties include overseeing the financial reporting and internal control functions. The Audit Committee met five times during the last fiscal year.

COMPENSATION COMMITTEE

At the beginning of 2005, the Compensation Committee consisted of Messrs. Siem, Kaffie and Parker. In July 2005, the Board of Directors elected Messrs. Kaffie, Parker and Trimble to serve as the Compensation Committee. The Compensation Committee's duties are to oversee and set the Company's compensation policy and to administer its stock option plan. The Compensation Committee met twice during the last fiscal year.

NOMINATION PROCEDURES

The Board of Directors currently does not have a standing nominating committee and consequently has no nominating committee charter. However, in July 2005, the Board of Directors adopted Nomination Procedures, in compliance with NASDAQ corporate governance requirements, to be followed by the independent members of the Board of Directors when choosing nominees to stand for election. The Board of Directors believes that it is appropriate under existing circumstances for the Company not to have a nominating committee because the Board is comprised of only six members, a majority of whom are independent as defined under the NASDAQ Stock Market listing standards.

The Board of Directors will consider for possible nomination qualified nominees recommended by stockholders. Generally speaking, as addressed in the

Edgar Filing: BLUE DOLPHIN ENERGY CO - Form DEF 14A

Board of Director Nomination Procedures, the manner in which the independent directors evaluate nominees for director recommended by a stock holder will be the same as that for nominees from other sources. Stockholders who wish to propose a qualified candidate for consideration should submit complete information as to the identity and qualifications of that person to the Secretary of the Company at 801 Travis, Suite 2100, Houston, Texas 77002 before February 17, 2007, for the 2007 Annual Meeting. See "Nominations and Proposals by Stockholders for the 2007 Annual Meeting."

The Board of Directors will continue to nominate qualified incumbent directors whom the Board believes will continue to make important contributions to the Board and the Company. The Board of Directors generally requires that nominees be persons of sound ethical character, be able to represent all

5

stockholders fairly, have demonstrated professional achievement, have meaningful experience and have a general appreciation of the major business issues facing the Company.

COMMUNICATING WITH BOARD OF DIRECTORS

Any stockholder who desires to contact the Board of Directors or specific members of the Board of Directors may do so by writing to: Board of Directors, Blue Dolphin Energy Company, 801 Travis, Suite 2100, Houston, Texas 77002, Attention: Corporate Secretary.

DIRECTOR ATTENDANCE AT ANNUAL MEETING

The Board of Director's policy regarding director attendance at the Annual Meeting of Stockholders is that they are welcome to attend, and that the Company will make all appropriate arrangements for directors that choose to attend. In 2005, all of the Company's directors attended the Annual Meeting. It is unknown if all Nominees will attend the 2006 Annual Meeting.

REPORT OF THE AUDIT COMMITTEE

The duties and responsibilities of the Audit Committee are set forth in a written charter adopted by the Board of Directors. The Audit Committee of the Board of Directors consists entirely of directors who meet the independence and experience requirements of NASDAQ Stock Market, Inc. currently applicable to the Company, as determined by the Board of Directors. The Audit Committee reviews and reassesses the charter annually and recommends any changes to the Board of Directors for approval. The Audit Committee has reviewed the relevant requirements of the Sarbanes-Oxley Act of 2002, the rules, proposed and adopted, of the Securities and Exchange Commission and the new listing standards of the NASDAQ Small Cap Market regarding audit committee procedures and responsibilities. The Audit Committee charter was last amended by the Board of Directors in January 2005. No changes were made to the charter for this year.

The Audit Committee's primary duties and responsibilities are to:

- assess the integrity of the Company's financial reporting process and systems of internal control regarding accounting;
- assess the independence and performance of the Company's independent registered public accounting firm; and
- provide an avenue of communication among the Company's independent registered public accounting firm, management and the Board of

Edgar Filing: BLUE DOLPHIN ENERGY CO - Form DEF 14A

Directors.

Management is responsible for the Company's internal controls and the financial reporting process. The independent registered public accounting firm is responsible for performing an independent audit of the Company's consolidated financial statements in accordance with standards of the Public Company Accounting Oversight Board (United States) and to issue a report thereon. The Audit Committee's responsibility is to monitor and oversee these processes.

At the beginning of 2005, the Audit Committee consisted of Messrs. Benz, Chadwick and Trimble. In July 2005, the Board of Directors elected Messrs. Benz, Trimble, and Kaffie to serve as the Audit Committee, with Dr. Benz again elected as Chairman of the Audit Committee. The Board of Directors has determined that Dr. Benz qualifies as an "audit committee financial expert" as that term is defined in Item 401(e) of Regulation S-B promulgated by the SEC.

6

The Audit Committee reviewed and discussed the audited financial statements of the Company for the fiscal year ended December 31, 2005 with the Company's management and management represented to the Audit Committee that the Company's financial statements were prepared in accordance with accounting principles generally accepted in the United States of America. The Audit Committee discussed with UHY Mann Frankfort Stein & Lipp CPAs, LLP ("UHY"), the Company's independent registered public accounting firm, the matters required to be discussed by Statement on Auditing Standards No. 61 (Communication with Audit Committees), and related amendments.

The Audit Committee received the written disclosures and the letter from UHY required by Independence Standards Board Standard No. 1 (Independence Discussion with Audit Committees), and the Audit Committee discussed with UHY their independence from the Company. The Audit Committee considered the non-audit services provided by UHY and determined that the services provided are compatible with maintaining UHY's independence. The Audit Committee must pre-approve all audit and non-audit services provided to the Company by its independent accountants.

The fees paid to UHY in fiscal years 2005 and 2004 by the Company are as follows:

	2005	2004
	-----	-----
Audit Fees.....	\$ 93,439	\$ 70,196
Audit-Related Fees.....	11,783	-
Tax Fees.....	43,672	51,593
All other Fees.....	-	7,131
	-----	-----
Total.....	\$ 148,894	\$ 128,920
	=====	=====

Audit Fees include fees related to the audit of our consolidated financial statements and review of our quarterly reports filed with the SEC. Audit related fees include fees related to consultation concerning financial accounting and reporting standards for disposition of assets, share based payments to employees and non-employees, modification of debt terms, and revenue recognition. Tax Fees

Edgar Filing: BLUE DOLPHIN ENERGY CO - Form DEF 14A

were primarily for preparation of federal and state income tax returns, and tax planning services.

Based on the Audit Committee's discussions with management and UHY, and the Audit Committee's review of the representation of management and the report of UHY to the Audit Committee, the Audit Committee recommended to the Board of Directors that the Company's audited financial statements be included in the Company's Annual Report on Form 10-KSB for the fiscal year ended December 31, 2005, for filing with the Securities and Exchange Commission.

The Audit Committee:

Laurence N. Benz, Chairman

PROPOSAL NO. 2:

TO APPROVE AMENDMENT TO THE 2000 STOCK INCENTIVE PLAN

As of April 20, 2006, 99,540 shares of Common Stock were available for grant pursuant to the Incentive Plan. The Board of Directors does not believe that such remaining amount under this plan is sufficient to carry out its compensation policy. Accordingly, as part of the Company's overall effort to increase shareholder value, on April 20, 2006, the Board of Directors unanimously adopted an amendment to the Incentive Plan, subject to shareholder approval, increasing the aggregate number of shares reserved for grant pursuant to the Incentive Plan from 650,000 to 800,000. The amendment to the Incentive Plan is intended to (i) further the Company's efforts in attracting, retaining and motivating officers, key employees and non-employee consultants of the Company and (ii) continue to closely align the interest of participants in the Incentive Plan with those of stockholders by encouraging stock ownership and by tying compensation to the performance of the Company and the Company Stock.

Edgar Filing: BLUE DOLPHIN ENERGY CO - Form DEF 14A

If approved, 249,540 shares of Common Stock will be available for future grants pursuant to the Incentive Plan. If approved, this amendment will not change any other material term of the Incentive Plan.

The amendment appears as Appendix A to this proxy statement.

PARTICIPATION IN THE INCENTIVE PLAN

The grant of incentive and non-qualified stock options, shares of restricted stock and stock bonuses under the Incentive Plan to key employees, consultants, and non-employee directors, including our Chairman, Chief Executive Officer, and each of the other Named Executive Officers, is subject to the discretion of the Compensation Committee. As of April 20, 2006, the fair market value of the Common Stock was \$7.15 per share, which was the closing sale price reported by The NASDAQ Small Cap Stock Market.

Equity Compensation Plans. The following table sets forth certain information as of December 31, 2005 with respect to shares of Common Stock that may be issued under our Incentive Plan.

SUMMARY DESCRIPTION OF THE PROGRAM

Shares Subject to Plan. As amended under the Plan, the Company may issue Incentive Awards for up to 800,000 shares of Common Stock, and all of these shares will be available for Incentive Stock Options ("ISO's). The number of securities available under the Plan and outstanding Incentive Awards are subject to adjustments to prevent the dilution of rights of plan participants resulting from stock dividends, stock splits, recapitalization or similar transactions or resulting from a change in applicable laws or other circumstances.

Administration. The Plan is administered by the Compensation Committee of the Board of Directors. The Compensation Committee may delegate its duties under the Plan, except for the authority to grant Incentive Awards or take other action on persons who are subject to Section 16 of the Exchange Act or Section 162(m) of the Internal Revenue Code. In the case of an Incentive Award to an outside Director, the Board acts as the Compensation Committee. Subject to the

Edgar Filing: BLUE DOLPHIN ENERGY CO - Form DEF 14A

express provisions of the Plan, the Committee is authorized to, among other things, select grantees under the Plan and determine the size, duration and type, as well as the other terms and conditions (which need not be identical), of each Incentive Award. The Compensation Committee also construes and interprets the Plan and any related agreements. All determinations and decisions of the Compensation Committee are final, conclusive and binding on all parties. The Company will indemnify members of the Compensation Committee against any damage, loss, liability, cost or expenses in connection with any claim by reason of any act or failure to act under the Plan, except for an act or omission constituting willful misconduct or gross negligence.

Eligibility. Employees, including officers (whether or not they are directors), and consultants of the Company and non-employee directors are eligible to participate in the Plan.

Types of Incentive Awards. Under the Plan, the Committee may grant "Incentive Awards," which can be:

- I. ISO's, as defined in Section 422 of the Internal Revenue Code;
- II. "nonstatutory" stock options ("NSO's");
- III. stock appreciation rights ("SAR's");
- IV. shares of restricted stock;
- V. performance units and performance shares; and
- VI. other stock-based awards.

ISO's and NSO's together are called "Options." The terms of each Incentive Award are reflected in an incentive agreement between the Company and the participant.

Options. Generally, Options must be exercised within 10 years of the grant date. The exercise price of each ISO may not be less than 100% of the fair market value of a share of Common Stock on the date of grant. The Compensation Committee has the discretion to determine the exercise price of each NSO granted under the Plan. To the extent the aggregate fair market value of shares of Common Stock for which ISO's are exercisable for the first time by any employee during any calendar year exceeds \$100,000, those Options must be treated as NSO's.

The exercise price of each Option is payable in cash or, in the Compensation Committee's discretion, by the delivery of shares of common stock owned by the optionee, or the withholding of shares that would otherwise be acquired on the exercise of the Option, by "cashless exercise" through a broker, or by any combination of the foregoing.

An employee does not recognize income for federal income tax purposes, nor is the Company entitled to a deduction, when a NSO is granted. However, when a NSO is exercised, the optionee recognizes ordinary income in an amount equal to the difference between the fair market value of the shares received and the exercise price of the NSO. The Company generally recognizes a tax deduction in the same amount at the same time.

This summary is not a complete statement of the relevant provisions of the Internal Revenue Code, and does not address the effect of any state, local or foreign taxes.

CUMULATIVE GRANTS UNDER THE INCENTIVE PLAN

The following table summarizes certain information covering cumulative options granted, before consideration of forfeitures and exercises, pursuant to the Incentive Plan, to:

- each executive officer;
- each nominee for election as a Director;
- each person who has received 5% of the options reserved for issuance;
- all current executive officers as a group;
- all current Directors who are not executive officers, as a group; and
- all current employees, including current officers who are not executive officers, as a group in each case, from inception of the Incentive Plan through December 31, 2005.

NAME	STATUS	CUMULATIVE AWARDS GRANTED	AV
Michael S. Chadwick	non-executive director	83,571	\$
Harris A. Kaffie	non-executive director	83,571	\$
James M. Trimble	non-executive director	57,142	\$

All current executive officers as a group		157,188	\$
All current non-executive directors as a group		224,284	\$
All other current employees as a group		22,488	\$

SAR's. Upon the exercise of an SAR, the holder receives cash, the aggregate value of which equals the amount by which the fair market value per share of the Common Stock on the exercise date exceeds the exercise price of the SAR, multiplied by the number of shares underlying the exercised portion of the SAR. An SAR may be granted in tandem with or independently of an NSO. SAR's are subject to such conditions and are exercisable at such times as determined by the Compensation Committee, but the exercise price per share must be at least the fair market value of a share of Common Stock on the date of grant.

Restricted Stock. Restricted stock may be subject to a substantial risk of forfeiture, a restriction on transferability or rights of repurchase or first refusal of the Company, as determined by the Compensation Committee. Unless the Compensation Committee determines otherwise, during the period of restriction, the grantee will have all other rights of a stockholder, including the right to vote and receive dividends on the shares.

Edgar Filing: BLUE DOLPHIN ENERGY CO - Form DEF 14A

Performance Units and Performance Shares. For each performance period (to be determined by the Compensation Committee), the committee will establish specific financial or non-financial performance objectives, the number of performance units or performance shares and their contingent values. The values may vary depending on the degree to which such objectives are met.

Other Stock-Based Awards. Other stock-based awards denominated or payable in, valued in whole or in part by reference to, or otherwise related to, shares of Common Stock. Subject to the terms of the Plan, the Compensation Committee may determine any terms and conditions of other stock-based awards, provided that, in general, the amount of consideration to be received by the Company shall be either (1) no consideration other than services actually rendered or to be rendered (in the case of the issuance of shares), or (2) in the case of an award in the nature of a purchase right, consideration (other than services rendered) at least equal to 50% of the fair market value of the shares covered by such grant on the grant date.

Termination of Employment and Change in Control. Except as otherwise provided in the applicable incentive agreement, if a participant's employment or other service with the Company (or its subsidiaries) is terminated other than due to his death, Disability, or for Cause (each capitalized term being defined in the Plan), his then exercisable Options will remain exercisable until the earlier of (a) the expiration date of such options and (b) 90 days after termination. If his termination is due to Disability or death, his then exercisable Options will remain exercisable until the earlier of (a) the expiration date of such options and (b) one year following termination in the event of death or disability. On retirement, his then exercisable Options will remain exercisable for six months (except for ISO's, which will remain exercisable for three months). On a termination for Cause, all his Options will expire on the termination date.

Unless otherwise provided in the participant's incentive agreement, upon a Change in Control of the Company, any restrictions on restricted stock and other stock-based awards will be deemed satisfied, all outstanding Options and SAR's may become immediately exercisable and all the performance shares and units and any other stock-based awards may become fully vested and deemed earned in full. These provisions could in some circumstances have the effect of an "anti-takeover" defense because, as a result of these provisions a Change in Control of the Company could be more difficult or costly.

Incentive Awards Transferable. Incentive Awards may not be assigned, sold or otherwise transferred by a participant, other than by will or by the laws of descent and distribution, or be subject to any lien, assignment or charge, provided, however, if permitted in the participant's incentive agreement, a NSO may be transferred to Immediate Family (as defined in the Plan).

Amendment and Termination. The Company's Board of Directors may amend or terminate the Plan at any time. However, the Plan may not be amended, without shareholder approval, if the amendment would have the following effects:

- I. increase the number of shares of Common Stock which may be issued under the Plan, except in connection with a recapitalization of the Common Stock;
- II. amend the eligibility requirements for employees to purchase Common Stock under the Plan; or
- III. extend the term of the Plan.

Without a participant's written consent, no termination or amendment of the Plan shall adversely affect in any material way any outstanding Incentive Award

Edgar Filing: BLUE DOLPHIN ENERGY CO - Form DEF 14A

granted to him.

VOTE REQUIRED FOR APPROVAL

The affirmative vote of a majority of the Common Stock represented in person or by proxy and entitled to vote at the Annual Meeting is required to approve the amendment to the Incentive Plan. Abstentions will have the same effect as a vote "Against" this proposal. Broker non-votes will have no effect on the approval of this proposal.

RECOMMENDATION

THE BOARD OF DIRECTORS RECOMMENDS A VOTE "FOR" THE PROPOSAL TO AMEND THE INCENTIVE PLAN.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

In September 2004, the Company entered into the Purchase Agreement with certain accredited investors and certain directors of the Company for the purchase and sale of promissory notes in an aggregate principal amount of \$750,000 (the "Promissory Notes") and 2,800,000 warrants (the "Warrants") to purchase shares of common stock at a purchase price of \$0.003 per warrant. The sale of the Promissory Notes and the first tranche of 1,250,000 Warrants (the "Initial Warrants") closed on September 8, 2004, and the closing of the sale of the second tranche of 1,550,000 Warrants (the "Additional Warrants") closed on November 30, 2004, after the Company received stockholder approval at its November 11, 2004 special stockholders' meeting. The Company received net proceeds of \$758,400 from the sale of the Promissory Notes and the Warrants.

Pursuant to the terms of the Purchase Agreement, the Company appointed Messrs. Benz and Parker to its Board of Directors. Messrs. Benz and Parker each purchased a Promissory Note in the principal amount of \$25,000. Messrs. Benz and Parker purchased 83,334 and 383,328 Warrants, respectively. Mr. Chadwick, an existing director, purchased a Promissory Note in the principal amount of \$12,500 and 41,667 Warrants. In addition Messrs. Benz, Chadwick and Parker were each granted 100,000 Warrants.

The Company entered into a Note Modification Agreement and a Waiver Agreement with Western Gulf Pipeline Partners, LP ("Western Gulf") effective April 8, 2005. Western Gulf holds a promissory note in the principal amount of \$275,000 and warrants exercisable to acquire 916,667 shares of Common Stock, originally issued pursuant to the Purchase Agreement. The promissory note bears interest at 12% per annum of which 4% is payable monthly and 8% is payable at maturity. Pursuant to the terms of the Note Modification and Waiver Agreements, the Company and Western Gulf agreed as follows:

- To amend the terms of the Promissory Note to (i) extend the maturity date from September 8, 2005 to June 30, 2006 and (ii) defer the payment of all interest on the promissory note until maturity;
- To waive Western Gulf's compliance with the lock-up provisions of the Purchase Agreement and allow it to sell shares of the Company's common stock that it may receive upon exercise of the warrants; and
- To accelerate the date the Company is required to file a registration statement registering the resale of the shares of

Edgar Filing: BLUE DOLPHIN ENERGY CO - Form DEF 14A

the Company's common stock that Western Gulf may acquire upon exercise of warrants to May 15, 2005.

14

The Company has offered and expects to enter into substantially similar arrangements with the other note and warrant holders, except those who are Directors of the Company.

In addition to serving on the Company's Board of Directors, Mr. Chadwick is also a Senior Vice President and Managing Director of Sanders Morris Harris Group, Inc. ("SMH"), a financial services holding company headquartered in Houston, Texas. The Company paid SMH a \$25,000 fee in connection with the Purchase Agreement and agreed to retain SMH to provide a fairness opinion, if required.

The Company also entered into a consulting agreement with Mr. Parker which has now expired. Mr. Parker's consulting agreement had a term of up to eighteen months. The Company was obligated to pay Mr. Parker a monthly fee of \$2,000 and a bonus that accrued at the rate of \$3,000 per month and would have been payable upon consummation of a merger or acquisition by the Company.

The Company owns 0.07% of the common stock of Drillmar, Inc. The Company's Chairman, Ivar Siem, and one of its Directors, Harris A. Kaffie, own or control 28.1%, and 18.6%, respectively, of Drillmar's common stock. Messrs. Siem and Kaffie are both directors, and Mr. Siem is Chairman and President of Drillmar.

In 2002, the Company recorded a full impairment of its investment in Drillmar and a full reserve for the accounts receivable amount owed to the Company from Drillmar of approximately \$200,000 due to Drillmar's working capital deficiency and delays in securing capital funding. During 2004, the Company collected \$165,000 of the accounts receivable from Drillmar and it has collected the remaining balance of approximately \$45,000 in 2005.

In January 2003, Drillmar stockholders approved a restructuring plan whereby Drillmar was able to issue up to \$3.0 million of convertible notes that will convert into common stock representing over 99% of Drillmar's outstanding shares. In November 2003, the Company converted a contingent obligation due from Drillmar for providing office space, accounting and administrative services from May 2002 through January 2003 totaling \$162,000 (9 months at \$18,000 per month) into a convertible note. In December 2005, we collected \$178,555 from Drillmar for this convertible note, including interest at 6% per annum.

The Company entered into an agreement with Drillmar effective as of February 1, 2003, whereby it provides and charges for office space which is currently \$4,178 per month. The Company had provided professional, accounting and administrative services to Drillmar based on hourly rates based on its cost. However, since the Company's implementation of staff reductions in mid 2004, no such services have been provided. The agreement can be terminated upon 30 days notice or by the mutual agreement of the parties.

In March 2003, the Company entered into a sublease agreement expiring December 31, 2006 for certain of its office space with TexCal Energy (GP) LLC, formerly Tri-Union Development Corporation.

The Company's annual receipts from this sublease are approximately \$78,000. One of the Company's Directors, Mr. Trimble, was the Chairman and Chief Executive Officer of TexCal Energy (GP) LLC until November 2004.

APPENDIX A

SECOND AMENDMENT TO THE 2000 STOCK INCENTIVE PLAN

Blue Dolphin Energy Company (the "Company") hereby amends the Blue Dolphin Energy Company 2000 Stock Incentive Plan (the "2000 Plan") as follows, effective April 20, 2006.

1. The first paragraph of Section 1.4 is amended to read as follows in its entirety:

Subject to adjustment under Section 6.5, there shall be available for Incentive Awards under the Plan that are granted wholly or partly in Common Stock (including rights or Stock Options that may be exercised for or settled in Common Stock) Eight Hundred Thousand (800,000) Shares of Common Stock. Eight Hundred Thousand (800,000) of the Shares reserved under the Plan shall be available for grants of Incentive Stock Options. The number of Shares of Common Stock that are the subject of Incentive Awards under this Plan, that are forfeited or terminated, expire unexercised, are settled in cash in lieu of Common Stock or in a manner such that all or some of the Shares covered by an Incentive Award are not issued to a Grantee or are exchanged for Incentive Awards that do not involve Common Stock, shall again immediately become available for Incentive Awards hereunder. The Committee may from time to time adopt and observe such procedures concerning the counting of Shares against the Plan maximum as it may deem appropriate.

Edgar Filing: BLUE DOLPHIN ENERGY CO - Form DEF 14A

During such period that the Company is a Publicly Held Corporation, then unless and until the Committee determines that a particular Incentive Award granted to a Covered Employee is not intended to comply with the Performance-Based Exception, the following rules shall apply to grants of Incentive Awards to Covered Employees:

(a) Subject to adjustment as provided in Section 6.5, the maximum aggregate number of Shares of Common Stock (including Stock Options, Restricted Stock, or Other Stock-Based Awards paid out in Shares) that may be granted or that may vest, as applicable, in any calendar year pursuant to any Incentive Award held by any individual Covered Employee shall be Five Hundred Thousand (500,000) Shares.

(b) The maximum aggregate cash payout (including Other Stock-Based Awards paid out in cash) with respect to Incentive Awards granted in any calendar year which may be made to any Covered Employee shall be Five Hundred Thousand dollars (\$500,000).

(c) With respect to any Stock Option granted to a Covered Employee that is canceled or repriced, the number of Shares subject to such Stock Option shall continue to count against the maximum number of Shares that may be the subject of Stock Options granted to such Covered Employee hereunder and, in this regard, such maximum number shall be determined in accordance with Section 162(m) of the Code.

(d) The limitations of subsections (a), (b) and (c) above shall be construed and administered so as to comply with the Performance-Based Exception.

The following officer of the Company has caused this amendment to be executed effective as of April 20, 2006, subject to shareholder approval.
