**Item 8.01. Other Events**

On December 16, 2005, StarTek Inc. completed the sale of its Supply Chain Management Services platform to Tennessee-based DPL Corporation Southeast (DPL). The Supply Chain Management Services platform was reported as held for sale in StarTek, Inc.'s third quarter Form 10-Q and in the related Form 8-K and press release. In connection with the transaction, StarTek sold all of the inventory, prepaid assets, property, plant and equipment of its Supply Chain Management Services platform to DPL, a third party, for \$5.75 million. StarTek, Inc. received approximately \$4.7 million in cash after certain adjustments at closing, in addition to a 5-year, \$740 thousand note. The terms of the note call for DPL to make quarterly interest payments to StarTek, Inc. at a fixed rate of 7% quarterly for the first two years of the note. Thereafter, DPL must pay StarTek, Inc. interest plus set principal amounts, per the terms of the note, with the entire balance due on or before December 16, 2010. There is no penalty for early repayment.

As of the closing date, DPL assumed the management and operations of the Supply Chain Management Services platform in its entirety, including all related customer and vendor contracts as well as the management of all former StarTek, Inc. employees who were dedicated to the Supply Chain Management Services platform.
