-

Item 8.01 Other Events.

On July 10, 2008, Apria Healthcare Group Inc. (Apria) and The Blackstone Group (Blackstone) jointly issued a press release announcing that the federal antitrust authorities have granted early termination of the waiting period under the Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended, with respect to Blackstone's previously announced proposed acquisition of Apria. A copy of the press release is attached hereto as Exhibit 99.1.

Forward-Looking Statements

This Current Report and the exhibits attached herewith contain various forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995 regarding the proposed acquisition of Apria by Blackstone and the risks and uncertainties related to the occurrence of future events. These forward-looking statements are based on management's current expectations, assumptions, estimates and projections about the current economic environment, Apria and its industry. Certain factors that could cause actual events not to occur as expressed in the forward-looking statements include, but are not limited to, (i) the failure to obtain the necessary approval by Apria's stockholders, and (ii) the satisfaction of various other closing conditions contained in the definitive merger agreement. Other potential risks and uncertainties are discussed in Apria's reports and other documents filed with the Securities and Exchange Commission (the SEC) from time to time. Apria assumes no obligation to update the forward-looking information. Such forward-looking statements are based upon many estimates and assumptions and are inherently subject to significant economic and competitive uncertainties and contingencies, many of which are beyond the control of Apria's management. Inclusion of such forward-looking statements herein should not be regarded as a representation by Apria that the statements will prove to be correct.

IMPORTANT ADDITIONAL INFORMATION WILL BE FILED WITH THE SEC

In connection with the proposed acquisition by Blackstone, Apria intends to file a proxy statement and other relevant documents concerning the transaction with the SEC. **STOCKHOLDERS OF APRIA ARE URGED TO READ THE PROXY STATEMENT AND ANY OTHER RELEVANT DOCUMENTS FILED WITH THE SEC WHEN THEY BECOME AVAILABLE BECAUSE THEY WILL CONTAIN IMPORTANT INFORMATION ABOUT THE TRANSACTION.**

Investors and security holders will be able to obtain free copies of the proxy statement and other documents filed with the SEC by Apria through the web site maintained by the SEC at www.sec.gov. Free copies of the proxy statement, when available, and Apria's other filings with the SEC also may be obtained from Apria. Free copies of Apria's filings may be obtained by directing a request to the Investor Relations Department at Apria. In addition, investors and security holders may access copies of the documents filed with the SEC by Apria on Apria's website at www.apria.com, when they become available.

Apria, and its directors and executive officers, may be deemed to be participants in the solicitation of proxies from Apria's stockholders with respect to the transactions contemplated by the definitive agreement between Blackstone and Apria. Information regarding Apria's directors and executive officers is contained in Apria's Annual Report on Form 10-K for the year ended December 31, 2007 and its definitive proxy statement filed with the SEC on April 9, 2008 for its 2008 Annual Meeting of Stockholders, which are filed with the SEC. As of March 20, 2008, Apria's directors and executive officers beneficially owned (as calculated in accordance with SEC Rule 13d-3) approximately 2,428,845 shares, or 5.54%, of Apria's common stock. You can obtain free copies of these documents from Apria using the contact information set forth above. Additional information regarding interests of such participants will be included in the proxy statement that will be filed with the SEC and available free of charge as indicated above.
