**PART III NARRATIVE**

State below in reasonable detail why Forms 10-K, 20-F, 11-K, 10-Q, 10-D, N-SAR, N-CSR, or the transition report or portion thereof, could not be filed within the prescribed time period.

As previously reported, Tronox Incorporated (the Company) was unable to file its annual report on Form 10-K for the year ended December 31, 2008, when initially due on March 16, 2009, as the Company was continuing to review, among other things, its environmental and other contingent liability reserves. Further, on May 5, 2009, the Company filed a statement of Non-Reliance on Previously Issued Financial Statements or Related Audit Report or Completed Interim Review on Form 8-K indicating that the Company's previously filed financial reports should no longer be relied upon because the Company failed to establish adequate reserves as required by applicable accounting pronouncements. In the report, the Company indicated that it has not yet completed its review of contingency reserves and other related liabilities. As such, the Company believes that additional time is necessary for a thorough review of financial and other disclosures regarding environmental and other reserves. The Company anticipates receiving from its auditor an opinion expressing substantial doubt about its ability to continue as a going concern.

On January 12, 2009, the Company, thirteen of its U.S. subsidiaries and Tronox Luxembourg S.ar.l. an international subsidiary (collectively, the Debtors) filed voluntary petitions in the United States Bankruptcy Court for the Southern District of New York (the Bankruptcy Court) seeking relief under the provisions of Chapter 11 of Title 11 of the United States Code (the Bankruptcy Code). On March 13, 2009, the Company's German subsidiaries, Tronox GmbH and its wholly owned subsidiary, Tronox Pigments GmbH, filed applications with the Insolvency Court in Krefeld, Germany, to commence insolvency proceedings. The Company has relinquished control over these subsidiaries to the Insolvency Court and as a result, has deconsolidated the assets and liabilities of the subsidiaries from its financial statements for the quarter ended March 31, 2009.
