ITEM 5. OTHER EVENTS

On August 28, 2001, Insignia announced that it has entered into a definitive agreement to acquire Groupe Bourdais ("Bourdais"), headquartered in Paris, France. Founded in 1954, Bourdais is one of France's premier commercial real estate services companies with operations in eight offices, including five in Greater Paris (Ile-de-France region) and wholly owned regional offices in Lyon, Aix-en-Provence and Marseille. Insignia expects the transaction to be accretive to annual earnings immediately. For the fiscal year ended March 31, 2001, Bourdais generated service revenues of approximately \$45 million and EBITDA(1) of approximately \$11 million.

Edgar Filing: INSIGNIA FINANCIAL GROUP INC /DE/ - Form 8-K

The base purchase price for Bourdais will be approximately \$31 million, comprised of \$23 million in cash and the issuance of 697,961 shares of the Company's Common Stock. Additional purchase consideration of up to approximately \$19 million, payable over three years, is contingent on the future performance of Bourdais, which will operate under the name Insignia Bourdais. Insignia expects the Bourdais transaction to close during the fourth quarter of 2001.

(1) In addition to Net Income, Insignia believes that EBITDA is a primary indicator of financial performance. EBITDA is defined as real estate services revenues less direct expenses and administrative costs. This supplemental measure should not be construed to represent cash provided by operations pursuant to generally accepted accounting principles, which take into consideration such items and changes in elements of working capital and deferred taxes. EBITDA is not a term defined by generally accepted accounting principles, and Insignia's usage of this term may differ from other companies' usage of the same or similar terms.
