WHY DID YOU SEND ME THIS PROXY STATEMENT?

The board of directors of Alamosa Holdings, Inc. Along with this proxy statement, we are also sending our Annual Report on Form 10-K for the fiscal year ended December 31, 2002.

WHAT AM I VOTING ON?

At the annual meeting, stockholders will act upon:

- (1) The election of four directors to serve on our board of directors for a term of three years;
- (2) Approval of an amendment to our Amended and Restated Employee Stock Purchase Plan to authorize for issuance an additional 2,500,000 shares of common stock; and

Edgar Filing: ALAMOSA HOLDINGS INC - Form DEF 14A

WHAT CONSTITUTES A QUORUM?

If a majority of the shares of our common stock issued and outstanding on the record date and entitled to vote, are present at the meeting, either in person or by proxy, we will have a quorum to transact business. Broker non-votes, if any, will be counted as shares present for purposes of determining the presence of a quorum.

WHAT ARE THE VOTING RIGHTS OF THE HOLDERS OF ALAMOSA'S COMMON STOCK?

In deciding all matters, a holder of common stock on the record date will be entitled to cast one vote for each share of common stock registered in that holder's name, on each matter to be voted upon at the annual meeting.

WHAT VOTE IS REQUIRED TO APPROVE EACH PROPOSAL?

ELECTION OF DIRECTORS: Election of the director nominees named in Proposal No. 1 requires the affirmative vote of a plurality of the shares of our common stock voted at our annual meeting. Votes may be cast in favor of or withheld with respect to all of the director nominees, or any of them. Abstentions and broker non-votes, if any, will not be counted as having been voted and will have no effect on the outcome of the vote on the election of directors. Stockholders may not cumulate votes in the election of directors.

APPROVAL OF AMENDMENT TO ALAMOSA'S AMENDED AND RESTATED EMPLOYEE STOCK PURCHASE PLAN: Approval of the amendment to our Amended and Restated Employee Stock Purchase Plan, as specified in Proposal No. 2, requires the affirmative vote of at least a majority of the outstanding shares of our common stock entitled to vote on the proposal who are present at the annual meeting, in person or by proxy. Abstentions will have the same effect as a vote against this proposal. Broker non-votes, if any, will have no effect on the vote for this proposal.

RATIFICATION OF INDEPENDENT ACCOUNTANTS: Ratification of the selection of PricewaterhouseCoopers LLP as our independent accountants for fiscal year 2003, as specified in Proposal No. 3, requires the affirmative vote of at least a majority of the outstanding shares of our common stock entitled to vote on the proposal who are present at the annual meeting, in person or by proxy. If this selection is not ratified by our stockholders, our board of directors may reconsider its selection. Abstentions will have the same effect as a vote against this proposal. Broker non-votes, if any, will have no effect on the vote for this proposal.

WHO CONDUCTS THE PROXY SOLICITATION?

Copies of solicitation material will be furnished to brokerage houses, fiduciaries and custodians holding shares in their names that are beneficially owned by others so that they may forward this solicitation material to these beneficial owners. ABOUT ALAMOSA AND CERTAIN OF ITS SUBSIDIARIES

Alamosa PCS Holdings, Inc. completed its initial public offering of common stock on February 2, 2000. On December 14, 2000, Alamosa PCS Holdings, Inc. formed a new holding company pursuant to Section 251(g) of the Delaware General Corporation Law (the "Holding Company Formation"). In that transaction, each share of Alamosa PCS Holdings, Inc. was converted into one share of the new holding company, and the former public company, which was renamed Alamosa (Delaware), Inc. (referred to herein as "Alamosa (Delaware)"), became a wholly owned subsidiary of the new holding company, which was renamed Alamosa PCS Holdings, Inc. (referred to herein as "Alamosa PCS Holdings"). On February 14, 2001, Alamosa became the new public holding company of Alamosa PCS Holdings and its subsidiaries pursuant to a reorganization transaction in which a wholly owned subsidiary of Alamosa was merged with and into Alamosa PCS Holdings (the "Reorganization"). As a result of the Reorganization, Alamosa PCS Holdings became a wholly owned subsidiary of Alamosa, and each share of Alamosa PCS Holdings common stock was converted into one share of Alamosa common stock.

References in this Proxy Statement to the "Company" refer to, and all disclosure contained herein with respect to director and executive compensation, stock price performance and other matters reflects information for: (i) Alamosa, for all periods after completion of the Reorganization, during which time it was the public holding company, (ii) Alamosa PCS Holdings, for the period after the Holding Company Formation but prior to the Reorganization, during which time it was the public holding company, and (iii) Alamosa (Delaware) (formerly Alamosa PCS Holdings, Inc.), for the period prior to the Holding Company Formation, during which time it was the public holding company.

Edgar Filing: ALAMOSA HOLDINGS INC - Form DEF 14A

Pursuant to our Amended and Restated Certificate of Incorporation, our board of directors consists of three classes of directors with overlapping three year terms. One class of directors is elected each year with the term of each such class expiring on the third succeeding annual meeting after its election. Our Amended and Restated Certificate of Incorporation also states that there must be at least three directors, with the exact number to be set from time to time by our board of directors. Our board of directors currently has fixed the number of directors at eleven, and the board of directors currently consists of three Class I directors, four Class II directors and four Class III directors. At this year's annual meeting, the term of our four Class III directors will expire. Our other directors will remain in office for the remainder of their respective terms, as indicated below. Unless otherwise indicated on any proxy, the proxy holders intend to vote the shares represented by each properly executed proxy for each of the four nominees standing for reelection as set forth below. If a proxy is executed in such a manner as to withhold authority to vote for one or more nominees for director, such instructions will be followed by the persons named as proxies. While it is not anticipated that any of the nominees will be unable to serve, if any should be unable to serve, the proxy holders reserve the right to substitute any other person.

Election of the four director nominees requires the affirmative vote of a plurality of the shares of our common stock voted at the annual meeting. Abstentions and broker non-votes, if any, will not be counted as having been voted and will have no effect on the outcome of the vote on the election of directors.

Our bylaws and the bylaws of Alamosa PCS Holdings, our direct wholly-owned subsidiary, contain a provision (together, the "Pass-Through Voting Provisions") which together have the effect of requiring that the shares of common stock of Alamosa (Delaware) that are owned by Alamosa PCS Holdings may only be voted by Alamosa PCS Holdings in proportion to the vote of, or as directed by the vote of, the stockholders of Alamosa. As a result of the Pass-Through Voting Provisions, Alamosa PCS Holdings, as the sole stockholder of Alamosa (Delaware), may only vote its shares of Alamosa (Delaware) stock on the election of directors of Alamosa (Delaware) in proportion to, or as directed by, a vote of the stockholders of Alamosa. The Alamosa (Delaware) board of directors is classified in the same manner as, and consists of the same eleven persons as those serving on, the Alamosa Holdings board of directors. Your vote with respect to the election of four nominees to serve on the board of directors of Alamosa will also constitute a vote to direct Alamosa PCS Holdings with respect to its vote for the election of the same four nominees to serve on the Board of Directors of Alamosa (Delaware).

Edgar Filing: ALAMOSA HOLDINGS INC - Form DEF 14A

APPROVAL OF AMENDMENT TO OUR AMENDED AND RESTATED EMPLOYEE STOCK PURCHASE PLAN (PROPOSAL 2)

EMPLOYEE STOCK PURCHASE PLAN OVERVIEW.

Our Amended and Restated Employee Stock Purchase Plan ("ESPP") is intended to provide our eligible employees with an opportunity to purchase shares of our common stock through payroll deductions. The ESPP is intended to comply with the requirements of Section 423 of the Internal Revenue Code of 1986, as amended (the "Code"), and to assure the participants of the tax advantages provided thereby (described below in the section entitled "Federal Income Tax Treatment"). We believe that our ability to provide our employees with the opportunity to purchase our common stock through the ESPP is an important factor in attracting, retaining and motivating our employees.

PROPOSED AMENDMENT.

To ensure that we will be able to provide our employees with a stock purchase opportunity under the ESPP on August 31, 2003, the next stock purchase date under the ESPP, our board of directors unanimously adopted an amendment to the ESPP on March 31, 2003, subject to approval by our stockholders, to increase the number of shares of our common stock authorized for issuance under the ESPP by 2,500,000 shares, from 1,000,000 shares to 3,500,000 shares. We are seeking stockholder approval of this amendment.

As of March 1, 2003, no shares of our common stock remained available for issuance under the ESPP for the next purchase date on August 31, 2003. Although the board of directors is authorized to increase the number of shares under the ESPP by up to 200,000 shares each year, the next increase may not take place prior to January 1, 2004. Accordingly, stockholder approval is being sought to allow us to continue operation of the ESPP for the current purchase period and to allow us to meet our future expected needs under the ESPP.

DESCRIPTION OF THE ESPP.

The following summary of the material features of the ESPP does not purport to be complete and is qualified in its entirety by reference to the specific language of the ESPP. A copy of the ESPP is available to any of our stockholders upon written request.

SHARES AVAILABLE. The board of directors originally authorized a total of 600,000 shares of our common stock for issuance under the ESPP, plus an additional number of shares to be added on the first day of the year beginning in 2002 and continuing until 2011, equal to the lesser of (i) 200,000 or (ii) a lesser amount determined by the board, in any case, subject to adjustment by the board in the event of a recapitalization, stock split, stock dividend or similar corporate transaction. The board of directors authorized an additional 200,000 shares in each of 2002 and 2003.

ELIGIBILITY. All our full-time employees and employees of each of our subsidiaries who have at least six months of service are eligible to participate in the ESPP, except that an employee will not be eligible to participate if he or she owns five percent or more of our common stock or the common stock of any Alamosa subsidiary. As of the date of this proxy statement, approximately 600 employees were eligible to participate in the ESPP.

STOCK PURCHASES. Under the ESPP, each eligible employee is permitted to purchase shares of our common stock through regular payroll deductions and/or

Edgar Filing: ALAMOSA HOLDINGS INC - Form DEF 14A

cash payments in an aggregate amount equal to 1% to 10% of the employee's compensation for each payroll period. The fair market value of the shares of our common stock which may be purchased by any employee under this or any other plan that is intended to comply with Section 423 of the Code during any calendar year may not exceed \$25,000.

The ESPP provides for a series of consecutive, overlapping offering periods that generally will be 24 months long. Successive six-month purchase periods run during each offering period. Offering periods generally commence on March 1 and September 1 of each year during the term of the ESPP, and purchase periods run from March 1 to August 31 and from September 1 to February 28, or in a leap year, to February 29.

9

During each offering period, participating employees are able to purchase shares of common stock with payroll deductions at a purchase price equal to 85% of the fair market value of the common stock at either the beginning of each offering period or the end of each purchase period within the offering period, whichever price is lower.

To the extent permitted by applicable laws, regulations, or stock exchange rules, if the fair market value of the shares at the end of any purchase period is lower than the fair market value of the shares on the date the related offering period began, then all participants in that offering period are automatically withdrawn from the offering period immediately after the exercise of their option on the date the purchase period ends. The participants are then automatically re-enrolled in the immediately following offering period when that offering period begins.

The options granted to a participant under the ESPP are not transferable otherwise than by will or the laws of descent and distribution, and are exercisable, during the participant's lifetime, only by the participant.

CHANGE OF CONTROL. Unless otherwise determined by the board of directors, if a change of control occurs during the term of the ESPP any offering period then in effect will terminate. Generally, a change of control will occur for purposes of the ESPP if (i) stockholders approve any plan or proposal for the liquidation or dissolution of Alamosa, (ii) continuing directors (other than those approved) cease to constitute a majority of the board or directors, (iii) certain mergers, consolidations and share exchanges occur, or (iv) there is a sale of substantially all of Alamosa's assets.

AMENDMENT, TERMINATION OF PLAN. Our board of directors may from time to time amend or terminate the ESPP; provided, that no such amendment or termination may adversely affect the rights of any participant without the consent of such participant and, to the extent required by Section 423 of the Code or any other law, regulation or stock exchange rule, no such amendment will be effective without the approval of stockholders entitled to vote thereon. Additionally, our board of directors may make such amendments as it deems necessary to comply with applicable laws, rules and regulations.

NEW PLAN BENEFITS. Since the amount of benefits to be received by each participant in the ESPP is determined by his or her elections, the amount of future benefits to be allocated to any individual or group of individuals under the plan in any particular year is not determinable.

FEDERAL INCOME TAX TREATMENT. The following discussion is a brief summary of certain relevant income tax effects applicable to awards under the ESPP. This summary is not intended to be exhaustive or to constitute tax advice, and, among other things, does not describe state, local or foreign income and other tax consequences. Reference should be made to the Code and the regulations and interpretations thereunder for a complete statement of all relevant federal tax consequences. Accordingly, a participant should consult a tax adviser with respect to the tax aspects of transactions under the employee stock purchase plan. For purposes of this discussion, the right to purchase shares under the ESPP is described as an option.

10

The ESPP is intended to qualify as an employee stock purchase plan under Section 423 of the Code. Assuming such qualification, a participant will not recognize any taxable income as a result of participating in the ESPP, exercising options granted pursuant to the ESPP or receiving shares purchased pursuant to such options. A participant may, however, be required to recognize taxable income as described below.

If a participant disposes of any share purchased pursuant to the ESPP after the later to occur of (i) two years from the grant date for the related option and (ii) one year after the exercise date for the related option (such disposition, a "Qualifying Transfer"), or if he or she dies (whenever occurring) while owning any share purchased under the ESPP, the participant generally will recognize compensation income, for the taxable year in which such disposition or death occurs, in an amount equal to the lesser of (i) the excess of the market value of the disposed share at the time of such disposition over its purchase price, and (ii) 15% of the market value of the disposed share on the grant date for the option to which such disposed share relates. In the case of a Qualifying Transfer, (a) the basis of the disposed share will be increased by an amount equal to the amount of compensation income so recognized, and (b) the participant will recognize a capital gain or loss, as the case may be, equal to the difference between the amount realized from the disposition of the shares and the basis for such shares.

Edgar Filing: ALAMOSA HOLDINGS INC - Form DEF 14A

If the participant disposes of any share other than by a Qualifying Transfer, the participant generally will recognize compensation income in an amount equal to the excess of the market value of the disposed share on the date of disposition over its purchase price. In such event, we will be entitled to a tax deduction equal to the amount of compensation income recognized by the participant. Otherwise, we will not be entitled to any tax deduction with respect to the grant or exercise of options under the ESPP or the subsequent sale by participants of shares purchased pursuant to the ESPP. A transfer by the estate of the participant of shares purchased by the participant under the employee stock purchase plan has the same federal income tax effects on us as a Qualifying Transfer.

VOTE REQUIRED FOR ADOPTION OF AMENDMENT TO THE ESPP.

Approval of the adoption of the amendment to the ESPP requires the affirmative votes of at least a majority of the outstanding shares of our common stock entitled to vote on the proposal who are present at the annual meeting, in person or by proxy. Should stockholder approval for the amendment not be obtained, then, if our board of directors approves additional shares for issuance under the ESPP, no purchases of our common stock will be made under the ESPP until February 29, 2004, the first purchase date that follows the date upon which the board may approve up to 200,000 additional shares for issuance under the ESPP.

Abstentions will have the same effect as a vote against the proposal to approve the adoption of the ESPP, but "broker non-votes", if any, will have no effect on such proposal.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT
STOCKHOLDERS VOTE "FOR" THE AMENDMENT TO THE ESPP.

11

RATIFICATION OF AUDITORS (PROPOSAL 3)

At the recommendation of the Audit Committee, our board of directors has selected PricewaterhouseCoopers LLP to serve as auditors of Alamosa for its fiscal year ending December 31, 2003. Although stockholder ratification of our board of directors' action in this respect is not required, the board of directors considers it desirable for stockholders to pass upon the selection of auditors and, if the stockholders do not ratify the selection, may reconsider its selection. Ratification of the appointment of independent auditors of Alamosa requires the affirmative vote of at least a majority of the outstanding shares of our common stock entitled to vote on the proposal who are present at the annual meeting, in person or by proxy. With respect to the ratification of the appointment of auditors of Alamosa, abstentions from voting will have the same effect as voting against such matter and "broker non-votes," if any, will be disregarded and have no effect on the outcome of the vote.

Representatives of PricewaterhouseCoopers LLP are expected to be present at the annual meeting, will have an opportunity to make a statement if they so desire and will be available to respond to appropriate questions from

Edgar Filing: ALAMOSA HOLDINGS INC - Form DEF 14A

stockholders.

We have been informed by PricewaterhouseCoopers LLP that neither the firm nor any of its members or their associates has any direct financial interest or material indirect financial interest in us or any of our affiliates.

During Alamosa's fiscal year ended December 31, 2002, Alamosa was billed the following aggregate fees by PricewaterhouseCoopers LLP:

AUDIT FEES. The aggregate fees billed by PricewaterhouseCoopers LLP to Alamosa for professional services rendered for the audit of Alamosa's annual financial statements for Alamosa's fiscal year ended December 31, 2002, included in Alamosa's Annual Report on Form 10-K and the reviews of the financial statements included in Alamosa's Forms 10-Q for that fiscal year was \$501,800.

FINANCIAL INFORMATION SYSTEMS DESIGN AND IMPLEMENTATION FEES. The aggregate fees billed by PricewaterhouseCoopers LLP to Alamosa for its fiscal year ended December 31, 2002 for the professional services described in Paragraph (c)(4)(ii) of Rule 2-01 of Regulation S-X (financial information systems design and implementation services) was \$252,282.

ALL OTHER FEES. The aggregate fees billed by PricewaterhouseCoopers LLP to Alamosa for professional services rendered to Alamosa for its fiscal year ended December 31, 2002, other than the Audit Fees and Financial Information Systems Design and Implementation Fees described in the preceding two paragraphs, was \$828,043. The principal non-audit services provided by PricewaterhouseCoopers LLP during fiscal 2002 were (i) assistance with SEC registration statements, (ii) fees related to the audits of the Company's benefit plans and (iii) tax and accounting consulting services. The Audit Committee of our board of directors has concluded that the provision of these non-audit services is compatible with maintaining PricewaterhouseCoopers LLP's independence.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT STOCKHOLDERS VOTE "FOR" RATIFICATION OF THE SELECTION OF PRICEWATERHOUSECOOPERS LLP AS OUR INDEPENDENT ACCOUNTANTS.

Actual gains, if any, depend on the future performance of our common stock and overall conditions and the information in this table should not be construed as an estimate of future stock price growth. EMPLOYMENT AGREEMENTS.

DAVID E. SHARBUTT AND KENDALL W. COWAN. Alamosa is a party to employment agreements, effective October 1, 2002, with each of Messrs. Sharbutt and Cowan. Mr. Sharbutt's agreement has a five-year term and entitles him to receive an annual base salary of \$425,000. Mr. Sharbutt's agreement also provides that so long as he serves on the Alamosa board of directors he will serve as Chairman of the board. Mr. Cowan's agreement has a three-year term and entitles him to receive an annual base salary of \$290,000. Messrs. Sharbutt and Cowan are eligible to receive an annual performance-based bonus with an initial target of \$225,000 and \$140,000, respectively. The executives are entitled to participate in any long-term incentive plans Alamosa establishes, including Alamosa's Amended and Restated 1999 Long Term Incentive Plan ("LTIP"). The agreement provides for immediate grants of stock options and restricted stock pursuant to the LTIP. Mr. Sharbutt received 750,000 options and 250,000 shares of restricted stock

19

and Mr. Cowan received 350,000 options and 150,000 shares of restricted stock. The options granted vest and become exercisable at a rate of 4% each month following October 1, 2002. Half the restricted stock vests on the first anniversary of the grant date and 25% vests on each of the second and third anniversaries of the grant date.

In addition, the agreements also provide for annual option grants, contingent upon continued employment. Mr. Sharbutt will receive options according to the following schedule: 250,000 in 2003; 200,000 in 2004; 150,000 in 2005 and 100,000 in 2006. Mr. Cowan will receive an option grant according to the following schedule: 150,000 in 2003; 125,000 in 2004 and 100,000 in 2005. The grants made for 2003 will be made on October 1, 2003 and will be fully vested and exercisable upon grant. For each subsequent annual grant, half the annual options will be granted in January and half in July, and the options will be exercisable six months following the grant date.

The agreements entitle the executives to \$5,000,000 in term life insurance coverage, reimbursement for reasonable business expenses, a car allowance, reimbursement for approved club dues, and financial planning services up to \$10,000 per annum. The executives may participate in such incentive, retirement, life, medical, disability and other benefit plans as may be available to Alamosa's other executives with comparable responsibilities, subject to the terms of those programs.

Upon termination of employment by Alamosa without cause or by the executive for good reason, within thirty days after the date of termination,

Edgar Filing: ALAMOSA HOLDINGS INC - Form DEF 14A

Alamosa will provide the terminated executive a lump-sum severance payment equal to the sum of: (i) one year's base salary; (ii) the higher of (x) the executive's target bonus or (y) the average annual bonus the executive earned over the two preceding years (the "Bonus"); and (iii) a pro-rated bonus for the year of termination. If such termination occurs within twelve months following a change in control, the terminated executive is instead entitled to three times his base salary and Bonus, plus a pro-rata bonus for the year of termination. In either case, the terminated executive will also receive continuing welfare and fringe benefits for one year and all restricted stock and options granted to the executive under the agreement will become vested and exercisable. Further, each executive is entitled to receive a gross-up payment to make him whole if he becomes subject to the excise tax imposed under Section 4999 of the Code on excess parachute payments; provided, however, that no gross-up payment will be made to the executive and the amount paid to the executive will be reduced if a reduction of 15% or less to the payments and benefits that the executive would receive on termination would not subject him to the excise tax imposed under Section 4999 of the Code. If a reduction is imposed, the reduction will be the minimum amount required so that the executive will not be subject to the excise tax on excess parachute payments.

The agreements contain non-compete and non-solicitation provisions effective for two years following termination of employment without cause or for good reason within one year following a change in control or one year following termination of employment in any other circumstances. Generally, a change of control will occur for purposes of the agreements (and for the agreements described below) if (i) any person acquires 25% or more of the beneficial ownership of Alamosa, (ii) continuing directors (other than those approved) cease to constitute a majority of the board or directors, (iii) certain mergers or consolidations occur, (iv) stockholders approve any plan or proposal for the liquidation or dissolution of Alamosa or (v) there is a sale of substantially all of Alamosa's assets.

ANTHONY SABATINO, STEVEN A. RICHARDSON, LOYD I. RINEHART AND MARGARET Z. COUCH. Alamosa entered into employment agreements with Mr. Anthony Sabatino, Mr. Loyd I. Rinehart and Ms. Margaret Z. Couch on October 1, 2002 and Mr. Steven A. Richardson on December 1, 2002. These agreements have three year terms. Mr. Sabatino is entitled to receive an annual base salary of \$210,000 with a target annual bonus of \$110,000; Mr. Rinehart is entitled to receive an annual base salary of \$165,000 with a target annual bonus of \$95,000; Ms. Couch is entitled to receive an annual base salary of \$180,000 with a target annual bonus of \$80,000; and Mr. Richardson is entitled to receive an annual base salary of \$250,000 with a target annual bonus of \$150,000. The executives are entitled to participate in any long-term incentive plans Alamosa establishes, including the LTIP. The agreements provided for immediate grants of stock options and restricted stock pursuant to the LTIP. Mr. Sabatino, Mr. Rinehart and Ms. Couch each received 200,000 options and 100,000 shares of restricted stock. Mr. Richardson received 300,000 options and 100,000 shares of restricted stock. The options granted vest and become exercisable at a rate of 4%

20

each month following October 1, 2002. Half the restricted stock vests on the first anniversary of the grant date and 25% vests on each of the second and third anniversaries of the grant date.

In addition, the agreements also provide for annual option grants. Mr.

Edgar Filing: ALAMOSA HOLDINGS INC - Form DEF 14A

Sabatino, Mr. Rinehart and Ms. Couch will receive options according to the following schedule: 70,000 in 2003; 60,000 in 2004 and 50,000 in 2005. Mr. Richardson will receive options according to the following schedule: 150,000 in 2003; 125,000 in 2004 and 100,000 in 2005. The grants for 2003 will be made on October 1, 2003 and will be fully vested and exercisable upon grant. For each subsequent annual grant, half the annual options will be granted in January and half in July, and the options will be exercisable six months following the grant date.

The agreements entitle the executives to reimbursement for reasonable business expenses and a car allowance. They may participate in such incentive, retirement, life, medical, disability and other benefit plans as may be available to Alamosa's other executives with comparable responsibilities, subject to the terms of those programs.

Upon termination of employment by Alamosa without cause or by the executive for good reason, within thirty days of the date of termination, Alamosa will provide the terminated executive a lump-sum severance payment equal to: (i) one year's base salary; (ii) the higher of (x) the executive's target bonus or (y) the average annual bonus the executive earned over the two preceding years (the "Bonus"); and (iii) a pro-rated bonus for the year of termination. If such termination occurs within twelve months following a change in control, the executive is instead entitled to receive two times base salary and Bonus, plus a pro-rata bonus for the year of termination. In either case, the terminated executive will also receive continuing welfare and fringe benefits for one year and all restricted stock and options granted to the executive under the agreement would become vested and exercisable.

Payments to Mr. Sabatino, Mr. Rinehart and Ms. Couch will be reduced so that no amount will be subject to the excise tax imposed under section 4999 of the Code if each such executive's after-tax position would be improved as a result of such reduction. Mr. Richardson is entitled to a gross-up payment on the same terms as are applicable to Messrs. Sharbutt and Cowan.

The agreements contain non-compete and non-solicitation provisions for two years following termination of employment without cause or for good reason within one year following a change of control or one year following termination of employment in any other circumstances.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION.

The Compensation Committee is responsible for reviewing and approving all compensation arrangements for our officers, as well as reviewing and approving the terms of any stock option grants or other awards under our long-term incentive plan and reviewing and approving the terms of any future stock plans. During the fiscal year 2002, the Compensation Committee met on eleven occasions.

In April, 2002, our board of directors merged the former Stock Option Committee into the Compensation Committee. Before April, the members of the Compensation Committee were Messrs. Hyde, Marshall and Phelps. Each of these individuals and Mr. Riley were members of the Stock Option Committee. Mr. Riley did not continue to serve on the Compensation Committee after the merger with the Stock Option Committee.

During fiscal year 2002, the Compensation Committee consisted of Messrs. Hyde, Marshall and Phelps. The current members of the Compensation Committee are Messrs. Marshall, Hart and Clapp. Messrs. Hyde and Phelps resigned from the Board of Directors of the Company effective February, 2003 and were members of the Compensation Committee until such time. The Compensation Committee is responsible for reviewing and approving all compensation arrangements for the

Company's officers.

In connection with the Company's distribution and sales of Sprint PCS wireless communications equipment, on December 28, 1998, the Company entered into a long-term agreement to lease space for a retail store in Lubbock, Texas with Lubbock HLH, Ltd., principally owned by Mr. Hart. This lease has a term of 15 years and provides for monthly payments aggregating to approximately \$110,000 a year, subject to adjustment based on the Consumer Price Index on the first day of the sixth lease year and on the first day of the eleventh lease year. During fiscal year 2002, approximately \$110,000 was paid under

21

this lease. In addition to rental, we paid approximately \$20,000 to Lubbock HLM for taxes and other expenses related to the leased property.

COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION.

Company compensation policies are designed to tie overall bonus compensation to Company performance and individual performance. Incentive bonuses for the executive officers include bonus targets based on key objective quarterly milestones in the Company's business plan and annual budget. During 2002, bonus compensation for executive officers was dependent on both internal Company objectives, external objectives (peer comparison) and departmental and individual objectives. However, the Chief Executive Officer's bonus was dependent solely on internal Company objectives.

Company internal objectives in 2002 were attainment of EBITDA targets, net subscriber additions and achievement of a desired efficiency ratio, all as contained in the Company's 2002 business plan and budget. Efficiency ratio is a measure of how effectively the Company uses its capital by measuring the cost of maintaining the network on a per subscriber basis. These measures are calculated quarterly and bonuses based on these internal objectives are paid quarterly.

In the case of the Chief Financial Officer, Chief Marketing Officer, Chief Technology Officer and Senior Vice President of Corporate Finance, the internal bonus was weighted 75% on these three company objectives, 10% on certain departmental objectives, and 15% on individual objectives. The Company establishes departmental and individual objectives within the executives' spheres of responsibility that have the greatest effect on the Company's successful attainment of its annual business plan and budget.

In addition to the above bonus criteria, during 2002, the Company compared how it was performing on key success measures relative to the performance of similar companies in the PCS industry. The Peer bonus was introduced to ensure that our metrics measured up well against our peers in the industry. The Peer bonus was initially payable on a quarterly basis. However, beginning with the 3rd quarter of 2002, we decided to pay the Peer bonus on an annual basis. The categories rated in the peer comparison included gross customer additions, net customer additions, customer churn, average revenue per user, cash cost per user, cost per gross customer addition, blocked calls, and dropped calls.

Using the 1st quarter of 2002 as an example of how the internal Company objective bonus system worked: the Chief Executive Officer had an award target of \$20,000. For 1st quarter, net-subscriber additions were 135% of target;

Edgar Filing: ALAMOSA HOLDINGS INC - Form DEF 14A

EBITDA was 235% of target; and, the efficiency ratio was 111% of target. The combination of these factors resulted in a 1st quarter bonus for the Chief Executive Officer of \$38,000. Utilizing these factors as well as organizational objectives and individual objectives for the other executive officers, the Chief Financial Officer received a total 1st quarter bonus of \$26,538, the Chief Marketing Officer received a total 1st quarter bonus of \$26,641, the Chief Technology Officer received a total 1st quarter bonus of \$25,063 and the Senior Vice President-Finance received a total 1st quarter bonus of \$12,063.

In addition, Alamosa's performance against its Peer companies resulted in 1st quarter Peer bonus payments as follows: \$27,500 was paid to the Chief Executive; \$18,906 was paid to the Chief Financial Officer; \$21,484 was paid to the Chief Marketing Officer; \$17,817 was paid to the Chief Technology Officer; and \$8,594 was paid to the Sr. Vice-President of Finance.

The committee has elected to utilize purely objective and quantitative measures for the purpose of quarterly and annual bonuses, as the above discussion illustrates. The committee is also concerned with performance that may be considered subjective or not subject to measurement. As such, the committee may also make a subjective evaluation of executive performance that may affect salary adjustments and other components of compensation.

For 2003, the committee has determined that the bonus compensation structure should focus on EBITDA and net subscriber additions, with bonuses payable on an annual and quarterly basis based on the achievement of EBITDA and net subscriber addition targets. The bonus opportunity will be split equally between quarterly and annual goals.

In 2002, the committee engaged a nationally-recognized compensation consulting firm to study the Company's executive compensation practices to ensure that overall compensation was both competitive

and designed to suit Company objectives. Upon consideration of the reports prepared by the compensation consultant, the committee increased the base salaries of each of our executive officers to make them competitive in the PCS industry and decided that, in addition to stock options, it would issue restricted stock to address retention concerns as a result of the depressed stock prices that have affected the PCS industry generally and the stock options we have issued. In addition, upon the advice of the compensation consultant, each executive was assigned a target annual bonus (payable quarterly or annually in the committee's discretion). No annual or quarterly bonus will be payable unless the committee determines that at least 75% of the applicable performance goals have been achieved.

The federal income tax law limits the deductibility of certain compensation paid to the chief executive officer and the four most highly compensated executives (the "covered employees") in excess of the statutory maximum of \$1 million per covered employee. The committee's general policy is to structure the compensation paid to the covered employees so as to maximize the deductibility of such compensation for federal income tax purposes; however, the committee retains the flexibility, where necessary to promote the incentive and retention goals described above, to pay compensation which may not be deductible.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

AGREEMENTS WITH MESSRS. MICHAEL V. ROBERTS AND STEVEN C. ROBERTS

On February 14, 2001, the Company completed its acquisition of Roberts Wireless. Messrs. Michael V. Roberts and Steven C. Roberts, who are directors of the Company, were the sole owners of Roberts Wireless. Pursuant to the terms of the merger agreement with Roberts Wireless, upon closing of the transaction, each of Messrs. Michael V. Roberts and Steven C. Roberts was entitled to receive 6,750,000 shares of our common stock and approximately \$2.0 million in cash as consideration in respect of his ownership interests in Roberts Wireless. The terms of the merger agreement, including the consideration payable to Messrs. Michael V. Roberts and Steven C. Roberts, were determined on the basis of arm's length negotiations between the Company and Messrs. Michael V. Roberts and Steven C. Roberts. Messrs. Michael V. Roberts and Steven C. Roberts were appointed to our board of directors upon completion of the Roberts Wireless acquisition.

In connection with the acquisition of Roberts Wireless, we entered into a number of arrangements with Messrs. Michael V. Roberts and Steven C. Roberts and certain companies affiliated with them as described in more detail below.

- o JOINT VENTURE DEVELOPMENT AGREEMENT. On October 30, 2000, the Company and Messrs. Michael V. Roberts and Steven C. Roberts entered into a joint venture development agreement. Pursuant to the agreement, if either Mr. Michael V. Roberts or Mr. Steven C. Roberts (each a "Project Member") undertakes an international telecommunications business venture (a "Project") and desires for the Company to be involved in that Project, then before the Project Member enters into a letter of intent or binding agreement of any nature with another person regarding the Project, written notice must be given to the Company and the Company has 60 days to notify the Project Member of its desire to participate in the Project. During such 60 day period, the Company has the exclusive right to elect to participate in the Project. Promptly after the Company gives a notice of participation, the Company and the Project Member shall form a project entity and shall execute an agreement setting forth the terms, covenants, conditions and provisions for the purpose, ownership, management, financing and operating of the Project. Unless the Project Member and the Company agree to a different arrangement, the Company will have a 50% interest in each

Edgar Filing: ALAMOSA HOLDINGS INC - Form DEF 14A

project entity and the Company will have full managerial control of each project entity. Except as described above, neither the Project Members nor the Company is obligated to bring to the other any opportunity to participate in a Project or any activity, domestic or international.

- o CONSULTING AGREEMENTS. On January 29, 2001, the Company entered into five-year consulting agreements with each of Messrs. Michael V. Roberts and Steven C. Roberts. The consulting agreements provide each of them with an annual compensation of \$125,000, which is paid monthly.
- o RIGHT OF FIRST NEGOTIATION AGREEMENT. On February 14, 2001, the Company and Roberts Tower entered into a right of first negotiation agreement which grants Roberts Tower a right to negotiate tower leases on a "build-to-suit" basis within the Company's present and future territory. During the term of the agreement, whenever the Company or one of its subsidiaries is required to "build to suit" communications towers within the present or future territories in which it operates, the Company must notify Roberts Tower and Roberts Tower will have the exclusive right for a period of 30 days to negotiate with the Company to provide such towers. After such 30 day period, if the Company has not reached an agreement with Roberts Tower, the Company may obtain such tower sites from other third parties. The term of this agreement is five years.
- o RESALE AGREEMENT. On February 14, 2001, the Company and Messrs. Michael V. Roberts and Steven C. Roberts entered into a resale agreement which permits Messrs. Michael V. Roberts and Steven C. Roberts to buy air time at a discount for resale on a basis no less favorable than any other similar agreement to which the Company may be a party. Messrs.

25

Michael V. Roberts and Steven C. Roberts may resell such airtime anywhere where such resales are permitted under applicable law. Any arrangement between the Company and Messrs. Michael V. Roberts and Steven C. Roberts for resales and use of air time will be subject to all required approvals of Sprint, Sprint Spectrum and Sprint PCS and/or any other applicable Sprint entities.

- o MASTER LEASE AGREEMENT. On February 14, 2001, Roberts Wireless and Roberts Tower entered into a master lease agreement which provides for the lease from Roberts Tower by Roberts Wireless of certain buildings, towers, tanks and/or improvements thereon for the purpose of installing, operating and maintaining communications facilities and services thereon. The initial term of the master lease agreement expires in February 2006, and Roberts Wireless has the right to extend the initial term of the lease for four additional terms of five years each. The agreement provides for monthly payments aggregating to approximately \$16,800 per site per year, subject to an annual adjustment of 4% per annum. Roberts subsequently assigned all of its right, title and interest in the master lease agreement to its wholly owned subsidiary, Alamosa

Edgar Filing: ALAMOSA HOLDINGS INC - Form DEF 14A

Missouri Properties, LLC (formerly Roberts Wireless Properties, L.L.C). During the years ended December 31, 2002 and 2001, approximately \$2,688,000 and \$2,264,000 respectively, in rental expense was recorded under this agreement.

- o OTHER PAYMENTS. In addition to the specific agreements discussed above, we paid approximately \$346,000 and \$361,000 in 2002 and 2001, respectively, to Roberts Tower for other items including the lease of retail space and switching facility space.

OTHER RELATED PARTY TRANSACTIONS

In connection with the Company's distribution and sales of Sprint PCS wireless communications equipment, on December 28, 1998, the Company entered into a long-term agreement to lease space for a retail store in Lubbock, Texas with Lubbock HLH, Ltd., principally owned by Mr. Hart, who is one of the Company's directors and the general manager of SPACE, one of the Company's stockholders. This lease has a term of 15 years and provides for monthly payments aggregating to approximately \$110,000 a year, subject to adjustment based on the Consumer Price Index on the first day of the sixth lease year and on the first day of the eleventh lease year. During fiscal year 2002, approximately \$110,000 was paid under this lease. In addition to rental, we paid approximately \$20,000 to Lubbock HLH for taxes and other expenses related to the leased property.

We entered into a telecommunications service agreement with Tech Telephone Company Limited Partnership ("TechTel") to install and provide telecommunications lines between Sprint PCS and our Lubbock-based operations and between our Lubbock-based operations and other markets. TechTel is a limited partnership whose general partner is an entity controlled by Mr. Sharbutt, our President and CEO. The original term of the agreement is three years, but the agreement automatically renews upon expiration for additional successive 30-day terms by either party. We have also entered into a distribution agreement with TechTel, authorizing it to become a third party distributor of Sprint PCS products and services for us in Lubbock, Texas. The total amount paid for these contracts was approximately \$1,157,000, \$1,315,000 and \$1,707,000 during the years ended December 31, 2002, 2001 and 2000, respectively. TechTel was sold to an unrelated third party in October 2002.

Subject to Section 19 hereof, the Committee shall have the power to change the duration and/or the frequency of Offering Periods and/or Purchase Periods with respect to future offerings and shall use its best efforts to notify Employees of any such change at least 15 days prior to the scheduled beginning of the first Offering Period to be affected. In no event shall any option granted hereunder be exercisable more than 27 months from its date of grant.

To the extent permitted by any applicable laws, regulations, or stock exchange rules, if the Fair Market Value of the Shares on any Exercise Date in an Offering Period is lower than the Fair Market Value of the Shares on the Offering Date of such Offering Period, then all Participants in such Offering Period shall be automatically withdrawn from such Offering Period immediately

after the exercise

5

of their option on such Exercise Date and automatically re-enrolled in the immediately following Offering Period as of the first day thereof.

5. Grant of Option; Participation; Price.

a. On each Offering Date the Company shall commence an offering by granting each eligible Employee an option to purchase Shares, subject to the limitations set forth in Sections 3b and 11 hereof. Each option so granted shall be exercisable for the number of Shares described in Section 8 hereof and shall be exercisable only on the Exercise Date.

b. Each eligible Employee may elect to become a Participant in the Plan with respect to an Offering Period by filing a subscription agreement with his or her Employer authorizing payroll deductions in accordance with Section 6 hereof and filing it with the Company or the Employer in accordance with the form's instructions at least ten business days prior to the applicable Offering Date, unless a later time for filing the subscription agreement is set by the Committee for all Employees with respect to a given offering. Such authorization will remain in effect for subsequent Offering Periods, until modified or terminated by the Participant by giving written notice to his or her Employer prior to the next occurring Exercise Date. Additionally, a Participant may participate to a greater extent by authorizing reinvestment of dividends on the Shares held in his or her account (by giving written notice to the Company) or, if authorized by the Committee for all Participants, by making cash payments to be credited to his or her account under the Plan in accordance with Section 6 hereof.

c. The option price per Share subject to an offering shall be 85% of the Fair Market Value of a Share on (i) the Offering Date or (ii) the Exercise Date, whichever is lower.

6

6. Payroll Deductions and Cash Payments

a. Subject to Section 5b hereof, a Participant may, in accordance with rules and procedures adopted by the Committee, authorize a payroll deduction of any whole percentage from one percent to ten percent of such Participant's Compensation each pay period (the permissible range within such percentages to be determined by the Committee from time to time). A Participant may increase or decrease such payroll deduction (including a cessation of payroll deductions) at any time but not more frequently than once each Purchase

Edgar Filing: ALAMOSA HOLDINGS INC - Form DEF 14A

Period, by filing a new authorization form with his or her Employer. All payroll deductions made by a Participant shall be credited to such Participant's account under the Plan.

b. Notwithstanding the foregoing, to the extent necessary to comply with Section 423(b)(8) of the Code and Section 3b hereof, a Participant's payroll deductions may be decreased to 0% at any time during a Purchase Period. Payroll deductions shall recommence at the rate provided in such Participant's subscription agreement as in effect at the beginning of the first Purchase Period scheduled to end in the following calendar year.

c. A Participant may withdraw from the Plan as provided in Section 9, which will terminate his or her payroll deductions for the Purchase Period in which such withdrawal occurs. A Participant may increase or decrease the rate (0-10%) of his or her payroll deductions during an Offering Period by completing and filing with the Employer a new subscription agreement authorizing a change in payroll deduction rate. The Committee may, in its discretion, limit the number of rate changes by a Participant during an Offering Period. A change in rate shall be effective as of the next payroll period following the date of filing of the new subscription agreement.

7. Exercise of Option.

a. Unless a Participant withdraws from the Plan as provided in Section 9 hereof, or unless the Committee otherwise provides, such Participant's election to purchase Shares shall be exercised automatically on the Exercise Date, and the maximum number of Shares (excluding any fractional Share) subject to such option will be purchased for such Participant at the applicable option price with (i) the accumulated payroll deductions, (ii) cash dividends paid on Shares which have been credited to the Participant's account under the Plan pursuant to Section 10

7

hereof, and (iii) any additional cash payments made by the Participant and credited to the Participant's account under the Plan in accordance with Section 6 hereof.

b. Any cash balance remaining in a Participant's account after an Exercise Date will be carried forward to the Participant's account for the purchase of Shares on the next Exercise Date if the Participant has elected to continue to participate in the Plan. Otherwise the Participant will receive a cash payment equal to the cash balance of his or her account.

c. The Shares purchased upon exercise of an option hereunder shall be credited to the Participant's account under the Plan as of the Exercise Date and shall be deemed to be transferred to the Participant on such date (except that no Shares purchased during the first Offering Period hereunder shall be credited to the Participant's account until payment of the aggregate option price has been completed within the Offering Period). Except as otherwise provided herein, the Participant shall have all rights of a shareholder with respect to such

Edgar Filing: ALAMOSA HOLDINGS INC - Form DEF 14A

Shares upon their being credited to the Participant's account.

8. Delivery of Shares.

a. As promptly as practicable after receipt by the Company of a written request for withdrawal of Shares from any Participant, the Company shall arrange the delivery to such Participant of a share certificate representing the Shares in the Participant's account which the Participant requests to withdraw. Subject to Section 8b hereof, withdrawals may be made no more frequently than once each Offering Period. Shares received upon share dividends or share splits shall be treated as having been purchased on the Exercise Date of the Shares to which they relate.

b. Notwithstanding anything in Section 8a hereof to the contrary, Shares may be withdrawn by a Participant more than once during an Offering Period under the following circumstances: (i) within 60 days following a Change in Control of the Company or (ii) upon the approval of the Committee, in its sole discretion.

9. Withdrawal; Termination of Employment.

a. A Participant may withdraw at any time all, but not less than all, cash amounts in his or her account under the Plan that have not been used to purchase Shares (including, without limitation, the payroll deductions, cash dividends and cash payments credited to such Participant's account) by giving

8

written notice to the Company prior to the next occurring Exercise Date. All such payroll deductions, cash dividends and cash payments credited to such Participant's account shall be paid to such Participant promptly after receipt of such Participant's notice of withdrawal and such Participant's option for the Offering Period in which the withdrawal occurs shall be automatically terminated. No further payroll deductions for the purchase of Shares will be made for such Participant during such Offering Period, and any additional cash dividends during the Offering Period shall be distributed to the Participant.

b. Upon termination of a Participant's Continuous Status as an Employee during the Offering Period for any reason, including voluntary termination, retirement or death, the payroll deductions, cash dividends and cash payments credited to such Participant's account that have not been used to purchase Shares (and, as to the first Offering Period, any such amounts credited to the account for partial payment for Shares as to which payment has not been completed) shall be returned (and any future cash dividends shall be distributed) to such Participant or, in the case of such Participant's death, to the person or persons entitled thereto under Section 13 hereof, and such Participant's option will be automatically terminated.

c. A Participant's withdrawal from an Offering Period will not have any effect upon such Participant's eligibility to participate in a succeeding Offering Period or in any similar plan which may hereafter be adopted by the Company.

10. Dividends and Interest.

a. Cash dividends paid on Shares held in a Participant's account shall be credited to such Participant's account and used in addition to payroll

Edgar Filing: ALAMOSA HOLDINGS INC - Form DEF 14A

deductions (and cash contributions, if any) to purchase Shares on the Exercise Date. Dividends paid in Shares or share splits of the Shares shall be credited to the accounts of Participants. Dividends paid in property other than cash or Shares shall be distributed to Participants as soon as practicable.

b. No interest shall accrue on or be payable with respect to any cash amount credited to a Participant under the Plan.

11. Shares.

a. Subject to adjustment as provided in Section 17 hereof, the maximum number of Shares which shall be reserved for sale under the Plan shall be 3,500,000 Shares, plus an annual increase to be added on the first day of the Company's fiscal year beginning in 2004 equal to the lesser of (i) 200,000 Shares or (ii) such lesser amount determined by the Committee. Such Shares shall be either authorized and unissued Shares or Shares which have been reacquired by the Company. If the total number of Shares which would otherwise be subject to options granted pursuant to Section 5a hereof on an Offering Date exceeds the number of Shares then available under the Plan (after deduction of all Shares for which options have been exercised or are then outstanding), the Committee shall make a pro rata allocation of the Shares remaining available for option grant in as uniform a manner as shall be practicable and as it shall determine to be equitable. In such event, the Committee shall give written notice to each Participant of such reduction of the number of option Shares affected thereby and shall similarly reduce the rate of payroll deductions, if necessary.

b. Shares to be delivered to a Participant under the Plan will be registered in the name of the Participant or, at the election of the

9

Participant, in the name of the Participant and another person as joint tenants with rights of survivorship.

12. Administration. The Plan shall be administered by the Committee, and the Committee may select administrator(s) to whom its duties and responsibilities hereunder may be delegated. The Committee shall have full power and authority, subject to the provisions of the Plan, to promulgate such rules and regulations as it deems necessary for the proper administration of the Plan, to interpret the provisions and supervise the administration of the Plan, and to take all action in connection therewith or in relation thereto as it deems necessary or advisable. Any decision reduced to writing and signed by a majority of the members of the Committee shall be fully effective as if it had been made at a meeting duly held. Except as otherwise provided by the Committee, each Employer shall be charged with all expenses incurred in the administration of the Plan with respect to such Employer's Employees. No member of the Committee shall be personally liable for any action, determination, or interpretation made in good faith with respect to the Plan, and all members of the Committee shall be fully indemnified by the Company with respect to any such action, determination or interpretation. All decisions, determinations and interpretations of the Committee shall be final and binding on all persons, including the Company, the Participant (or any person claiming any rights under the Plan from or through any Participant) and any shareholder.

13. Designation of Beneficiary.

10

a. A Participant may file with the Company, on forms supplied by the Company, a written designation of a beneficiary who is to receive any Shares and cash remaining in such Participant's account under the Plan in the event of the Participant's death.

b. Such designation of beneficiary may be changed by the Participant at any time by written notice to the Company, on forms supplied by the Company. In the event of the death of a Participant and in the absence of a beneficiary validly designated under the Plan who is living at the time of such Participant's death, the Company shall deliver such Shares and/or cash to the executor or administrator of the estate of the Participant or, if no such executor or administrator has been appointed (to the knowledge of the Company), the Company, in its discretion, may deliver such Shares and/or cash to the spouse or to any one or more dependents or relatives of the Participant in accordance with the applicable laws of descent and distribution, or if no spouse, dependent or relative is known to the Company, then to such other person as the Company may designate.

14. Transferability. Neither payroll deductions, dividends, dividend reinvestments or cash payments credited to a Participant's account nor any rights with regard to the exercise of an option or to receive Shares under the Plan may be assigned, transferred, pledged or otherwise disposed of in any way by the Participant (other than by will, the laws of descent and distribution or as provided in Section 13 hereof). Any such attempt at assignment, transfer, pledge or other disposition shall be without effect, except that the Company may treat such act as an election to withdraw funds in accordance with Section 9 hereof.

15. Use of Funds. All payroll deductions, dividends, reinvested dividends and additional cash payments received or held by the Company under the Plan may be used by the Company for any corporate purpose, and the Company shall not be obligated to segregate such funds.

16. Reports. Individual accounts will be maintained for each Participant in the Plan. Statements of account will be given to Participants as soon as practicable following each Offering Period, which statements will set forth the amounts of payroll deductions, dividends, dividend reinvestments and additional cash payments, the per Share purchase price, the number of Shares purchased, the aggregate Shares in the Participant's account and the remaining cash balance, if any.

17. Effect of Certain Changes. In the event of a Change in Capitalization or the distribution of an extraordinary dividend, the Committee shall conclusively determine the appropriate equitable adjustments, if any, to be made

under the Plan, including without limitation adjustments to the number of Shares which have been authorized for issuance under the Plan but have not yet been placed under option, as well as the price per Share covered by each option under

Edgar Filing: ALAMOSA HOLDINGS INC - Form DEF 14A

the Plan which has not yet been exercised. In the event of a Change in Control of the Company, Offering Periods shall terminate unless otherwise provided by the Committee.

18. Term of Plan. Subject to the Board's right to discontinue the Plan (and thereby end its Term) pursuant to Section 19 hereof, the Term of the Plan (and its last Offering Period) shall end on the tenth anniversary of the commencement of the first Offering Period. Upon any discontinuance of the Plan, unless the Committee shall determine otherwise, any assets remaining in the Participants' accounts under the Plan shall be delivered to the respective Participant (or the Participant's legal representative) as soon as practicable.

19. Amendment to and Discontinuance of Plan. The Board may at any time amend, suspend or discontinue the Plan. Except as provided in Section 17 hereof, no such suspension or discontinuance may adversely affect options previously granted and no amendment may make any change in any option theretofore granted which adversely affects the rights of any Participant which accrued prior to the date of effectiveness of such amendment without the consent of such Participant. No amendment shall be effective unless it receives the requisite approval of the shareholders of the Company if such shareholder approval of such amendment is required to comply with Rule 16b-3 under the Exchange Act or Section 423 of the Code or to comply with any other applicable law, regulation or stock exchange rule.

20. Notices. All notices or other communications by a Participant to the Company under or in connection with the Plan shall be deemed to have been duly given when received in the form specified by the Company at the location, or by the person, designated by the Company for the receipt thereof.

21. Regulations and Other Approvals; Governing Law.

a. This Plan and the rights of all persons claiming hereunder shall be construed and determined in accordance with the laws of the State of Delaware without giving effect to the choice of law principles thereof, except to the extent that such law is preempted by federal law.

b. The obligation of the Company to sell or deliver Shares with respect to options granted under the Plan shall be subject to all applicable laws,

12

rules and regulations, including all applicable federal and state securities laws, and the obtaining of all such approvals by governmental agencies as may be deemed necessary or appropriate by the Committee.

c. To the extent applicable hereto, the Plan is intended to comply with Rule 16b-3 under the Exchange Act, and the Committee shall interpret and administer the provisions of the Plan in a manner consistent therewith. Any provisions inconsistent with such Rule shall be inoperative and shall not affect the validity of the Plan.

22. Withholding of Taxes.
