Management is responsible for the Company's compliance with those provisions. Our responsibility is to express an opinion on management's assertion about the Company's compliance based on our examination.

Our examination was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants and, accordingly, included examining, on a test basis, evidence about the Company's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances. Included among our procedures were the following tests performed as of September 26, 2001, and for the period June 14, 2001 through September 26, 2001, with respect to securities of MACC Private Equities Inc.:
