In 2006, Mr. Quinn was awarded options to purchase 250,000 shares with the original monthly vesting term over a 36 month period expiring on 3/21/2016. However, based on the settlement agreement, on October 12, 2006, these options were fully vested and the expiration date was changed to 10/12/2009. See, Payments upon Termination or Change of Control.

- (3) Henry R. Rossell's employment was terminated on November 30, 2006, and all options granted to him expired 90 days following the date of his termination in

accordance with
their terms.

Mr. Rossell did
not exercise any
of these options
prior to
cancellation.

Employment Contracts of Executive Officers; Payments Upon Termination or Change of Control

None of the named executive officers have employment agreements with us currently and none of them have entered into any agreement or arrangement that entitles them to the payment of benefits if their employment is terminated, including termination following a change in control.

Prior to his termination by us in July 2006, Michael J. Quinn was a party to an employment agreement. Pursuant to the terms of his employment agreement, Mr. Quinn was eligible to receive his base salary and certain other benefits, including (i) an annual bonus determined by the Board of Directors, (ii) options or other rights to acquire our common stock, under terms and conditions determined by the Board of Directors. Under the terms of such employment contract, to the extent Mr. Quinn was determined to have been terminated without cause, he would have been entitled to receive certain severance benefits which include payment of annual salary and continuation of insurance benefits for the remainder of his employment term or three years (whichever is longer).

On July 12, 2006, we terminated Michael Quinn as its Chairman, Chief Executive Officer and President in accordance with the terms of his employment agreement. At the time of termination, Mr. Quinn stated that he intended to bring claims against us relating to his termination, including claims for payment of severance he claimed was owed to him under the terms of his employment agreement. In October 2006, we entered into a settlement

Table of Contents

agreement with Mr. Quinn pursuant to which we agreed to settle certain disputes between them relating to Mr. Quinn's termination from employment. Pursuant to the terms of the settlement, we agreed to pay Mr. Quinn a total of approximately \$500,000 in equal bi-monthly installments over a period of three years and also paid approximately \$51,000 to Mr. Quinn's counsel as attorney's fees. Mr. Quinn was also allowed to retain 689,008 previously issued stock options having the following exercise prices:

- 89,008 shares at \$0.32 per share
- 150,000 shares at \$0.70 per share
- 200,000 shares at \$0.54 per share
- 250,000 shares at \$0.50 per share

The exercise period of these options has been extended so that each option shall terminate on October 12, 2009. We also agreed that Mr. Quinn would be entitled to statutory indemnification and any indemnification required by our bylaws relating to his service on the Board of Directors of the Company.

Director Compensation

Prior to January 1, 2007, for serving on the Board of Directors, non-employee directors received fees of \$2,500 per board meeting and \$500 per committee meeting, provided such committee meeting did not occur on the same day as a board meeting.

As of January 1, 2007, the compensation payable to each non-employee director changed as follows. Each non-employee director will receive an annual retainer of \$12,000 (payable quarterly) and a per meeting fee of \$2,500 for each regularly scheduled quarterly meeting of the Board of Directors attended in person by such director as well as reimbursement for travel expenses associated with attendance at any such meeting.

In addition, the chairmen of our Audit Committee, Compensation Committee, and Corporate Governance Committee will receive an additional annual retainer of \$5,000, \$2,500 and \$2,000 per year, respectively (payable quarterly). Members of the Audit Committee other than the chairman will receive an additional annual retainer of \$2,500 (payable quarterly).

As of April 1, 2007, each member of our Audit Committee, Compensation Committee and Corporate Governance Committee will receive a per meeting fee of \$1,000 for each regularly scheduled separate meeting of such Committee attended by such person or telephonically.

In addition, pursuant to the terms of our 1996 Director Stock Option Plan, each non-employee director receives an option to purchase 22,500 shares of our common stock upon his election to the Board of Directors and subsequent option grants of 7,500 shares upon his re-election each year (provided that such re-election is at least six months after the date of initial election to the Board of Directors). The exercise price is 100% of the closing price of our common stock on the date prior to the grant date. Initial option grants vest as to one-third of the shares on each yearly anniversary of the grant date until fully vested. Subsequent option grants vest in full on the first anniversary of the date of grant. If the non-employee director ceases to serve as a director for any reason, vesting shall cease as of the date of such termination and shall be exercisable for 60 days following termination except in the case of death or disability in which case the option shall be exercisable for a period of 12 months following termination as a director.

Directors who are employees do not receive any additional compensation for their service on the Board.

The following table sets forth information concerning the compensation of our non-employee directors during 2006:

The following is a description of aggregate fees billed to Cardiogenesis independent registered public accounting firm for each of the past two fiscal years. On July 5, 2005, KMJ Corbin & Company LLP (Corbin) was engaged as the independent registered public accounting firm.

	2006	2005

Audit-Related Fees		
Tax Fees		
All Other Fees		
Total Fees	\$ 95,000	\$ 83,000

Audit fees represent amounts paid for professional services rendered for the audit of Cardiogenesis financial statements for such periods and the review of the financial statements included in Cardiogenesis Quarterly Reports during such periods.

Audit Committee Policies and Procedures for Preapproval of Audit and Non-Audit Services

During 2006, the entire Board of Directors performed the functions of the Audit Committee and followed the pre-approval policies that had previously been approved by the Audit Committee. On an on-going basis, management communicates specific projects and categories of service for which the advance approval of the Audit Committee (or the entire Board, as applicable) is requested, if any. The Audit Committee (or the entire Board, as applicable) reviews these requests and advises management if the Audit Committee approves the engagement of the independent registered public accounting firm.

The Audit Committee (or the entire Board, as applicable) pre-approves all auditing services and permitted non-audit services (including the fees and terms thereof) to be performed for us by its independent registered public accounting firm, subject to the exceptions for non-audit services described in Section 10A(i)(1)(B) of the Securities Exchange Act of 1934, as amended, which are approved by the Audit Committee prior to the completion of the audit. The Board of Directors has considered whether the services provided by its independent registered public accounting firm are compatible with maintaining the independence of the independent registered public accounting firm and has concluded that the independence of both PwC and Corbin is maintained and is not compromised by the services provided.
