Filed Pursuant to Rule 424(b)(3)  
Registration Statement No. 333-123866**

**Endocare, Inc.  
Supplement No. 4  
to  
Prospectus Dated March 30, 2007**

This is a Supplement to Endocare, Inc.'s Prospectus, dated March 30, 2007, with respect to the offer and sale of shares of our common stock by the selling securityholders listed herein or their transferees. This Supplement amends and supplements certain information contained in the Prospectus. You should read this Supplement carefully.

Endocare is a specialty medical device company focused on improving patients' lives through the development, manufacturing and distribution of health care products for cryoablation. The term cryoablation or cryosurgery refers to the use of ice to destroy tissue, such as tumors, for therapeutic purposes. Today, our FDA-cleared Cryocare Surgical System occupies a growing position in the urological market for treatment of prostate and renal cancer. We believe our proprietary cryosurgical technologies also have broad applications across a number of other surgical markets, including for the treatment of tumors in the lung and liver and palliative intervention (treatment of pain associated with metastases).

Our common stock is traded on the Over-the-Counter Bulletin Board, or OTCBB, under the symbol ECRE. On August 21, 2007, the last reported sale price of our common stock on the OTCBB was \$7.25 per share.

**YOU SHOULD CAREFULLY CONSIDER THE RISK FACTORS FOR OUR SHARES, WHICH ARE LISTED IN THE PROSPECTUS.**

**Neither the Securities and Exchange Commission nor any state securities commission has approved or disapproved of the securities to be issued under this Supplement and the Prospectus or determined if this Supplement or the Prospectus is truthful or complete. Any representation to the contrary is a criminal offense.**

**The date of this prospectus supplement is August 22, 2007**
