CB BANCSHARES BOARD OF DIRECTORS
REJECTS CPF'S UNSOLICITED PROPOSAL

RECOMMENDS THAT SHAREHOLDERS VOTE AGAINST CONTROL SHARE ACQUISITION PROPOSAL

SETS SPECIAL MEETING OF SHAREHOLDERS FOR MAY 28, 2003

HONOLULU, May 4, 2003 - CB Bancshares, Inc. (Nasdaq: CBBI), which is the holding company of CityBank, announced today that its Board of Directors has unanimously rejected Central Pacific Financial Corp.'s (NYSE: CPF) ("CPF") unsolicited proposal to acquire all of CB Bancshares outstanding shares for a combination of \$19.09 in cash and 1.7233 shares of CPF common stock per share

Edgar Filing: CB BANCSHARES INC/HI - Form DEFA14A

of CB Bancshares. After careful consideration, including consultation with independent financial and legal advisors, the CB Bancshares Board concluded that the proposal is inadequate from a financial point of view and not in the best interests of its shareholders, employees, customers, suppliers and local communities. Furthermore, the CB Bancshares Board unanimously recommends that shareholders vote against the control share acquisition proposal at the Special Meeting of Shareholders scheduled for May 28, 2003.

Mr. Lionel Y. Tokioka, CB Bancshares Chairman of the Board said, "CB Bancshares is a strong local institution with a proud tradition of delivering superior financial products and services to tens of thousands of individuals and small and medium sized businesses across the islands. The unsolicited proposal from CPF undervalues our franchise, our market position and the loyalty of our customers, and raises serious concerns about the adverse effect such a combination would have on the people, communities and economy of Hawaii."

The Board concluded that:

- o THE PROPOSAL IS INADEQUATE FROM A FINANCIAL POINT OF VIEW. CPF's proposal does not reflect the true earnings power of the CB Bancshares franchise. The Board noted that CB Bancshares is enjoying:
 - Positive momentum with compound annual earnings per share growth greater than 15% over the last five years;
 - Strong growth in core deposits and fee income; and
 - Improved asset quality.

With strong loan loss reserves and significant funding and capital capacity, CB Bancshares is well positioned for future growth.

The Board also considered that since 70% of the consideration that CPF is proposing is in the form of CPF common stock, shareholders of CB Bancshares would be subject to market risk should the value of CPF's shares decline. In this regard the Board noted that:

- CPF's stock is trading near an all-time high;
 - CPF's recent earnings per share growth is attributable, in part, to stock repurchases; and
 - Based on the hostile nature of the proposal and the lack of experience of CPF's management, there is substantial execution risk. If CPF were to fail to realize the benefits it expects, CPF's stock price would be vulnerable to downward pressure.
- o CPF'S COST SAVINGS CANNOT BE ATTAINED WITHOUT SIGNIFICANT EMPLOYEE LAYOFFS. CB Bancshares' employees are its most valuable asset. Their spirit and dedication are vital to the bank's continued success. CPF has stated:
 - Approximately 10 bank branches would be eliminated and CB Bancshares' loan production offices in California would be closed; and
 - CPF estimates \$16 million in annual merger cost savings. The Board believes such savings would likely be achieved largely from the layoffs of more than 200 employees.

The Board considered that the loss of jobs would create significant hardships for the affected employees and their families, and their

Edgar Filing: CB BANCSHARES INC/HI - Form DEFA14A

communities. The economic impact of these job losses could reverberate to eliminate almost 500 additional jobs with an estimated negative impact of \$16.5 million to the Hawaii economy.

- o THE PROPOSED TRANSACTION RAISES SIGNIFICANT ANTICOMPETITIVE CONCERNS. The proposed acquisition raises significant antitrust and anticompetitive concerns detrimental to Hawaii-based consumers and small businesses.
- o THERE COULD BE A SUBSTANTIAL REDUCTION IN BANKING SERVICES FOR RETAIL AND BUSINESS CUSTOMERS. CB Bancshares customers have come to expect a personal level of service. The Board believes that CB Bancshares small business and retail customers would not be valued CPF customers and would be underserved by CPF's big bank strategy. In addition, services currently offered to CB Bancshares customers such as free checking with no minimum balance and nonconforming residential mortgages, are unlikely to be available should a combination of CB Bancshares and CPF take place. Finally, the hostile nature of the proposal has already offended CB Bancshares' loyal customer base.

CB Bancshares also announced today that its Board of Directors has set Wednesday, May 28, 2003 as the date for a Special Meeting of Shareholders for the purpose of voting on CPF's proposed control share acquisition, a requirement under Hawaii law. Shareholders of record at the close of business on May 5, 2003 will be eligible to vote at the Special Meeting. The CB Bancshares Board unanimously recommends that shareholders vote against the control share acquisition proposal in order to prevent CPF from proceeding to acquire CB Bancshares.

CB Bancshares added that it has filed with the Securities and Exchange Commission a notice of meeting and preliminary proxy materials and expects to furnish shareholders with these materials shortly.

Following is a letter sent today from Mr. Tokioka to the CPF Board of Directors:

May 4, 2003

Dear Chairman Arnoldus and Directors of Central Pacific Financial Corp.:

After a full and thorough analysis of your proposal including consultation with our independent financial and legal advisors, the Board of Directors of CB Bancshares, Inc. has unanimously rejected your proposal. Our decision is based on what we believe is in the best interest of our shareholders, employees, customers, suppliers, the communities we serve, and the economy of the State of Hawaii. After careful consideration, we have concluded that the financial terms of your offer fail to recognize the value that we are capable of delivering to our shareholders through the continued execution of our current strategy. Your unsolicited proposal undervalues our franchise, our market position and the loyalty of our customers, and raises serious concerns about the adverse effect such a combination would have on the people, communities and economy of Hawaii.

As responsible members of the local business community, it is incumbent upon us to express our regret over the tactics employed throughout this ill-advised endeavor. A merger between two major financial institutions in a place of our size and culture is a serious undertaking that impacts many thousands of individuals and businesses. A transaction pursued in such an overtly hostile manner only serves to reduce the value of both of our franchises.

For all of these reasons and others, we cannot in good faith offer

Edgar Filing: CB BANCSHARES INC/HI - Form DEFA14A

anything other than a rejection of your proposal. In the spirit of our founders and for the benefit of both of our constituencies, we ask that you honor and accept our decision. We would then welcome you back as a worthy competitor and member of the community.

Sincerely,

/s/ Lionel Y. Tokioka
Chairman of the Board

LETTER TO CB BANCSHARES, INC. EMPLOYEES

May 4, 2003

To All Our Employees:

Today, your Board of Directors unanimously rejected the unsolicited and hostile proposal that was made by Central Pacific Financial Corporation on April 16. Their decision was based on a thorough evaluation of all of the impacts of the proposed merger.

Prior to our announcement, we had been bound by our fiduciary duty not to provide public comment. We know that this period caused undue anxiety to you, our customers, and your families. Thank you very much for your conscientious work, your pride, and your fortitude in the last three weeks.

Far from being the win-win situation that was portrayed by Central Pacific's public relations campaign, the detailed evaluation by your Board of Directors including consulting with your management and our financial advisor revealed a proposal that would be damaging to our two companies, and detrimental to the lives of thousands of people.

We have asked Central Pacific Financial Corporation to honor and accept our decision. Regrettably however, Central Pacific may very well continue to attempt to force its will on our shareholders, our customers, and you. We will keep you closely apprised as the events unfold.

Along with you, we are proud to be a part of our City Bank ohana. By continuing to grow customers, accounts, loans and relationships, City Bank will prove itself to be the ultimate winner. We look forward to working with you to accomplish our goals.

With Respect and Aloha,

Tokioka
